

THE POWER OF FEMININE SEXUALITY

Feminine Sexuality

Cindy Zeiher

Feminine Sexuality:

Feminine Sexuality Jacques Lacan,1985 Jacques Lacan is arguably the most controversial psychoanalyst of our time

Sexuality in the Field of Vision Jacqueline Rose,2005 Jacqueline Rose argues for the importance of sexual difference and fantasy as key concepts through which an interrogation of contemporary theory should be sustained **On Feminine**

Sexuality the Limits of Love and Knowledge Jacques Lacan,1999-11-23 In his psycholinguistic exploration of the relationship between the desire for love and the attainment of knowledge Jacques Lacan leads into a new way of interpreting the two most fundamental human drives **Female Sexuality** Donna Bassin,1999 Reading the inherited paper along with the contemporary essay provides a rare opportunity for a reader to experience the development of new ideas with their own integrity from the past

Female Sexuality Janine Chasseguet-Smirgel,1988 Contains six essays and an introduction on Freudian and non Freudian views of female sexuality Contributors include Joyce McDougal Maria Torok and Bela Grunberger *Female Sexuality* Russell Grigg,2018-04-17 Undoubtedly Contributions to the Masculinity Complex in Women is an underrated paper This may be due to its not being published in English until 1924 well after Freud introduced the term masculinity complex into his own writings However Van Ophuijsen's paper was originally presented to the Dutch Psycho Analytical Society much earlier on 23rd June 1917 It was published in German the same year and in Dutch the following year The term masculinity complex is in fact van Ophugsen's invention and Freud acknowledges his debt in his 1919 paper A Child is Being Beaten It is also in the present paper that various manifestations and possible consequences of penis envy are first clearly expressed just as the libidinal investment in the virile erogenous zone is linked to the attachment to the mother This last point is particularly important and Freud will later appeal to it in explaining the phallicism of the little girl The material van Ophuijsen draws on derives from five case studies of obsessional women One of the cases who is here simply referred to as H is subsequently discussed by Jeanne Lampl de Groot in her 1928 paper Evolution of the Oedipus Complex in Women a discussion Freud alludes to in his Female Sexuality of 1931 The analysand was referred to Lampl de Groot because of difficulties encountered in the transference to a male analyst It is also worth noting that van Ophuijsen takes her to be an obsessional while Lampl de Groot diagnoses hysteria Van Ophuijsen's starting point concerns one aspect of the theory of penis envy namely that it derives from the sense a woman has of having been injured in infancy through no fault of her own and hence she will blame her mother for having brought her into this world as a woman instead of a man This matches some character types encountered in analysis van Ophuijsen conjectures He also points out that this turning against the mother is as with the castration complex founded on a belief in the possibility of possessing the penis The difference between the castration and masculinity complexes is that the sense of guilt attached to the former is absent from the masculinity complex in which on the other hand what predominate are the sense of having been wronged and accompanying bitterness and reproaches Moreover the term is intended to connote the presence of a form of rivalry with

men rather than the presence of any overt masculine characteristics Finally one should note the connection between the masculinity complex and the urethral erotism which van Ophuijsen explains in terms of a regression to the auto erotic stage later tackled by other analysts such as Karen Homey

Femininity, Masculinity, and Sexuality in Morocco and Hollywood Osire Glacier,2017-05-19 This book is the first to formulate an ideology of emancipation for women in Morocco Beginning with constructs of the body femininity and masculinity it analyzes the central role played by the sociopolitical writing of sexuality in creating gender hierarchy The author focuses on Morocco while drawing parallels with Hollywood cinema one of the great producers of femininity and masculinity and conducts an exhaustive examination of constructs of femininity and masculinity in language social practices cultural productions and legal texts The objectives of this project are tripartite it exposes the dynamics that devalue women s humanity it charts the schemas of their sexual economic and sociopolitical exploitation and it advances concrete solutions for re establishing women s human dignity

Masculinities, Sexualities, and Child Sexual Abuse Anne Cossins,2000-02-16 Why is child sexual abuse committed primarily by men and male adolescents unlike other forms of child abuse Is child sex offending rather than being a deviant masculine sexual practice related to normative masculine practices that is practices structured on dynamic and changing relations of power Using a practice based sociological approach the relationship between masculinities sexualities and child sexual abuse is analysed and the power powerlessness theory is developed to explain the predominantly male problem of child sex offending The theory postulates that because the social construction of masculinities involves the construction of dynamic and changing relations of power between men men s lives are characterised by a combination of power and powerlessness The book argues that an offender s experiences of powerlessness as a result of his relationships with other men is the key to understanding child sex offending since sexuality is a key social practice for the alleviation of experiences of powerlessness and for establishing relations of power with other men In particular the theory argues that a man s particular attachment to the link between sexuality and experiences of masculinity and power will be a key factor for determining how he does sex and whom he chooses as a sexual partner In the final chapter the theory is tested through a re analysis of offender interviews

Sexual Suspects Kristina Straub,2023-11-14 How the suspect sexuality of actors and actresses shaped early modern debates about gender and sexual identity From the Restoration through the eighteenth century the sexuality of actors and actresses was written about in ways that stirred the public imagination Actors were frequently suspected of heterosexual promiscuity or labeled effeminate or even as sodomites and actresses were often viewed as prostitutes or sexually ambivalent victims of their profession Kristina Straub argues that this depiction of players greatly shaped public debates about what made women feminine and men masculine Considering a wide range of literature by or about players pamphlets newspaper reports theatrical histories and biographies as well as the public correspondence between Alexander Pope and the famed actor Colley Cibber she examines the formation of gender roles and sexual identities during a period crucial to modern

thinking on these issues Drawing from feminist materialist and gay and lesbian theories and historiographies Sexual Suspects analyzes the complex development of spectacle and spectatorship as gendered concepts She reveals how national racial and class differences contributed to the subjection of players as professional spectacles and how images of race class and gender combined to create divisions between normal and deviant sexuality Materialist Feminism and the Politics of Discourse (RLE Feminist Theory) Rosemary Hennessy,2012-11-27 Materialist Feminism and the Politics of Discourse confronts the impasses in materialist feminist work on rethinking woman as a discursively constructed subject The book looks at the problem of examining critically the social dimensions on which theories of discourse are premised how such theories understand materiality the relation between women s experience and feminist politics and that between history and discourse Rosemary Hennessy considers the work of Kristeva Foucault Laclau and Mouffe and argues for a materialist feminist re articulation of discourse as ideology Concerns over identity and difference are incorporated into a rewriting of materialist feminism s analysis of women s oppression across capitalist and patriarchal structures In adapting postmodernist theories in this way Hennessy develops a project of social change where feminism while maintaining its specificity is necessarily aligned with other emancipatory movements **Female Psychology** Eleanor Schuker,Nadine A.

Levinson,2020-09-23 This book provides a psychoanalytic perspective on female psychology and includes articles with divergent theoretical viewpoints It is useful for both research and clinical study and may also provide a bridge to scholars teachers and clinicians outside of psychoanalysis itself Representations of Femininity in Contemporary South Korean Women's Literature Joanna Elfving-Hwang,2010-03-01 This book discusses perceptions of femininity in contemporary South Korea and the extent to which fictional representations in South Korean women s fiction of the 1990s challenges the enduring association of the feminine with domesticity docility and passivity While existing literature addresses Korean women s legal educational political and employment issues this study is the first to analyse the cultural values that define femininity in the context of the Korean cultural imagination concentrating on literary representations of femininity

Stupidity and Psychoanalysis Cindy Zeiher,2024-12-31 There is nothing new in thinking that we live in stupid times Many past thinkers thought about stupidity as a symptom however Lacan considered stupidity as immune to the influence of psychoanalysis saying about himself I am only relatively stupid that is to say I am as stupid as all people perhaps because I got a little bit enlightened Here it seems that stupidity signifies and is signified by the absence of any coherent foundation in desire and lack but instead emanate from the will to jouissance Here stupidity is inescapable whether it be individual communal or ideological In Stupidity and Psychoanalysis chapters by internationally respected Lacanian analysts and theoreticians think about how we can understand stupidity as a specific psychoanalytic encounter This collection draws critical Lacanian attention to considering new ways to approach stupidity and stupor as new contemporary subjective and social forms Contributors provide various insights into how stupidity might be rethought as contemporary signifiers whose

importance lies for better or worse more in producing effect than in transmitting meaning Contributors Giole P Cima Christian Ingo Lenz Dunker David Ferraro Luis Izcovich Adrian Johnston James Martell Jean Michel Rabate Samo Tomsic Antonio Viselli and Cindy Zeiher **Feminist Theory and the Body** Janet Price, Margrit Shildrick, 2017-09-25 This Reader provides students with a comprehensive overview of differing feminist approaches to the body Its wide range of contributions locate the important historical developments interdisciplinary perspectives and key discourses that have shaped this dynamic area of feminist theory **Transformations** Drucilla Cornell, 2013-04-15 In a unique rethinking of political transformation Drucilla Cornell argues for the crucial role of psychoanalysis in social theory in voicing connection between our constitution as gendered subjects and social and political change **Psychoanalysis and Female Sexuality** Hendrik Marinus Ruitenbeek, 1966-06 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com

Sexual Rhetoric in the Works of Joss Whedon Erin B. Waggoner, 2010-03-24 Buffy the Vampire Slayer has remained an enduring feature of late 1990s pop culture spawning television spin offs rabid fans and significant scholarly inquiry Though there have been numerous books devoted to the work of Joss Whedon this collection of fifteen essays is the first to focus specifically on the sexual rhetoric found in his oeuvre which includes Angel Firefly Serenity Dollhouse and Dr Horrible s Sing Along Blog as well as Buffy Topics covered include the role of virginity lesbianism and homoeroticism in the shows and the comics the nature of masculinity and femininity and gender stereotypes an exploration of sexual binaries and a ranking of the Buffy characters on the Kinsey scale of sexuality Together these essays constitute a much needed addition to the expanding body of Whedon gender scholarship *Gender Trouble* Judith Butler, 2011-09-22 One of the most talked about scholarly works of the past fifty years Judith Butler s *Gender Trouble* is as celebrated as it is controversial Arguing that traditional feminism is wrong to look to a natural essential notion of the female or indeed of sex or gender Butler starts by questioning the category woman and continues in this vein with examinations of the masculine and the feminine Best known however but also most often misinterpreted is Butler s concept of gender as a reiterated social performance rather than the expression of a prior reality Thrilling and provocative few other academic works have roused passions to the same extent

Brain Storm Rebecca M. Jordan-Young, 2011-10-15 Female and male brains are different thanks to hormones coursing through the brain before birth That s taught as fact in psychology textbooks academic journals and bestselling books And these hardwired differences explain everything from sexual orientation to gender identity to why there aren t more women physicists or more stay at home dads In this compelling book Rebecca Jordan Young takes on the evidence that sex differences are hardwired into the brain Analyzing virtually all published research that supports the claims of human brain organization theory Jordan Young reveals how often these studies fail the standards of science Even if careful researchers point out the limits of their own studies other researchers and journalists can easily ignore them because brain organization theory just sounds so right But if a series of methodological weaknesses questionable assumptions inconsistent definitions

and enormous gaps between ambiguous findings and grand conclusions have accumulated through the years then science isn't scientific at all Elegantly written this book argues passionately that the analysis of gender differences deserves far more rigorous biologically sophisticated science The evidence for hormonal sex differentiation of the human brain better resembles a hodge podge pile than a solid structure Once we have cleared the rubble we can begin to build newer more scientific stories about human development Sexual Difference Stephen Frosh, 1994 This critical exploration of issues of gender in psychoanalysis acknowledges and updates the complexity of theory and writing in this area particularly the way sexual differences can only be thought about from a gendered position

Feminine Sexuality Introduction

In today's digital age, the availability of Feminine Sexuality books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Feminine Sexuality books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Feminine Sexuality books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Feminine Sexuality versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Feminine Sexuality books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Feminine Sexuality books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Feminine Sexuality books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Feminine Sexuality books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Feminine Sexuality books and manuals for download and embark on your journey of knowledge?
