Feminine Soul The Fate Of An Ideal:

Feminine Soul Marilyn Chapin Massey,1985 **Feminine Soul** Marilyn Chapin Massey,1985 Reflexion teorica sobre la posibilidad de existencia de una espiritualidad femenina a la que la autora llama alma femenina Este concepto tomado de Hegel y los filosofos alemanes tuvo su oposicion en figuras como Marx o Freud *The Metaphysics of Sex ...in a Changing World!* Christopher Alan Anderson,2014-07-16 Is sex metaphysical This is to say does it have a purpose and a nature that is encoded in the very construct of the universe These are the questions the author takes up in this day and age where most everything is up for grabs This writing is not without an examination of sensitive issues and explicit terms Think of it as a third way if you will It resides between the fixed identity of our declining religions and the fluid identity of the emerging L G B T Q movement In that it presents to us all another choice In the end it is about a construct for sexual balance that any reader can understand and use as a guide for his or her life Keywords Metaphysics Sex Relationship Procreation Soul Life Birth Love Desire Healing *Women and Writing in the Works of Novalis* James R. Hodkinson,2007 Although more recent critics have discerned an empowered female subject in Novalis this is the first balanced book length study of gender in Novalis in English It concludes that Hardenberg's Romantic writing began to be successful in reinventing the fiction of female identity and goes further to reveal his extensive interaction with women as intellectual equals BOOK JACKET

Sexualities in Victorian Britain Andrew H. Miller,1996-12-22 Presents an introduction to Victorian sexualities This book contains essays that will energize reflection on the complexity of human sexuality and on the many different arrays of meaning that it has generated **The Prime Movers** Christopher Alan Anderson,2015-05-14 You align to Source by giving your love to your sexual other half A man gives his securitive love to a woman a woman gives her reproductive love to a man That is all there is We don't need to concern ourselves about loving ourselves as if one could Our only concern is to love our sexual other half Do you hear this Only the action of giving your love to your sexual other half will keep you in alignment to Source such that the Law of Attraction will work for you Why is this so Because you are one of the two sexual Prime Movers In this quote the author gives his overview of the problem and solution of mankind Keywords Metaphysics Sovereign Love Spirit Sex Law Life God Source Enlightenment **The Feminine in German Song** Sanna Iitti,2006 Original Scholarly Monograph **Spiritual Healing ...of Our Eternal Souls for all Time!** Christopher Alan Anderson,2016-01-18 In *Spiritual Healing of Our Eternal Souls for all Time* the author tackles the question of universal karma original sin and how we may free ourselves from that not just in the eternal sense but in the present moment As American writer Henry David Thoreau stated Most men lead lives of quiet desperation and go to the grave with the song still in them It is the present moment the author wants to address and in so doing he contends the eternal takes care of itself The author presents this writing as a foundational shift a recalibration of our very souls that transcends our current religions and philosophies both East and West Keywords Philosophy Metaphysics Spirituality Sexuality Soul Light Love Relationships Man Woman [Music](#)

Jeanne Peterson,1989-05-22 Physically frail badly educated girls brought up to lead useless lives as idle gentlewomen married to dominant husbands and relegated to separate spheres of life these phrases have often been used to describe Victorian upper middle class women M Jeanne Peterson rejects such formulations and the received wisdom they embody in favor of a careful examination of Victorian ladies and their lives Focusing on a network of urban professional families over three generations this book examines the scope and quality of gentlewomen s education their physical lives their relationship to money their experience of family illness and death and their relationships to men brothers and friends as well as fathers and husbands Peterson also examines the prominent place of work in the lives of these leisured Victorian ladies both single and married Far from idle the mothers wives and daughters of Victorian clergymen doctors lawyers university dons and others were accomplished and productive members of society who made substantial public and private contributions to virtually every sphere of Victorian life **The Oxford Handbook of Friedrich Schleiermacher** Andrew Dole,Shelli M. Poe,Kevin M. Vander Schel,2024 This Handbook presents authoritative interpretations of Schleiermacher s work from both German and English speaking scholars Topics covered include Schleiermacher s historical and intellectual context the structure and content of Schleiermacher s theology and philosophy and the reception of his thought Children of God Edmund Newey,2016-05-23 Children of God uncovers the significant but largely unnoticed place of the child as a prototype of human flourishing in the work of four authors spanning the modern period Shedding new light on the role of the child figure in modernity and in theological responses to it the book makes an important contribution to the disciplines of historical theology theology and literature and ecumenical theology Through a careful exploration of the continuities and differences in the work

of Thomas Traherne Jean Jacques Rousseau Friedrich Schleiermacher and Charles P guy it traces the ways in which their distinctive responses to human childhood structured the broader pattern of their theology showing how they reached beyond the confines of academic theology and exercised a lasting influence on their literary and cultural context Figures in the Carpet Wilfred M. McClay, 2007-01-02 Figures in the Carpet presents a stellar roster of first rate historians dealing seriously with a perennially important subject The case studies and more theoretical accounts in this book amount to an unusually perceptive assessment of how the person has been viewed in American history *Schleiermacher's Plato* Julia A. Lamm, 2021-11-08 Friedrich Schleiermacher s Platons Werke 1804 28 changed how we understand Plato His translation of Plato s dialogues remained the authoritative one in the German speaking world for two hundred years but it was his interpretation of Plato and the Platonic corpus set forth in his Introductions to the dialogues that proved so revolutionary for classicists and philosophers worldwide Schleiermacher created a Platonic question for the modern world Yet in Schleiermacher studies surprisingly little is known about Schleiermacher s deep engagement with Plato Schleiermacher s Plato is the first book length study of the topic It addresses two basic questions How did Schleiermacher understand Plato In what ways was Schleiermacher s own thought influenced by Plato Lamm argues that Schleiermacher s thought was profoundly influenced by Plato or rather by his rather distinctive understanding of Plato This is true not only of Schleiermacher s philosophy Hermeneutics Dialectics but also of his thinking about religion and Christian faith during the first decade of the nineteenth century Christmas Dialogue Speeches on Religion Schleiermacher s Plato should be of interest to classicists philosophers theologians and scholars of religion **Political and Religious Ideas in the Works of Arnold Schoenberg** Charlotte M. Cross, Russell A. Berman, 2013-06-17 The original essays in this collection chronicle the transformation of Arnold Schoenberg s works from music as pure art to music as a vehicle of religious and political ideas during the first half of the twentieth century This interdisciplinary volume includes contributions from musicologists music theorists and scholars of German literature and of Jewish studies **Yoga Journal** , 1986-05 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty *The Creation Story in the Light of Today* Charles Wenyon, 1899 **Beyond Tolerance** Matthew Ryan Robinson, Kevin M. Vander Schel, 2019-09-23 The rise of populism and nationalism in the West have raised concerns about the fragility of liberal political values chief among them tolerance But what alternative social resources exist for cultivating the interpersonal relationships and mutual goodwill necessary for sustainable peace And how might the lived practices of religious communities carry potential to reinterpret or re circuit these interpersonal tensions and transform the relationship with the cultural other Fremde from foe Feind to friend Freund This volume contributes a unique analysis of this shifting

discourse by viewing the contemporary socio political upheaval through the lens of Friedrich Schleiermacher s theology with a focus on the themes of friendship interpersonal subjectivity and sociability as a path beyond mere tolerance Each of the essays of the volume is written by an internationally recognized scholar in the field and the volume examines Schleiermacher s novel reflections across multiple social contexts including North America Great Britain western Europe and South Africa As these essays demonstrate the implications of this conversation continue to resound in contemporary religious communities and political discourse The Pacific Unitarian ,1920
