Gaut,1993 Compiling the work of nurse scholars from five continents this book shows how caring's applicability cuts across cultural and geographic borders A Global Agenda for Caring is a significant contribution to the world's body of research on caring and it brings us closer to realizing the full potential of studying caring worldwide Feminist Theory Bell Hooks,2000 A new edition of a classic work a sweeping examination of the core issues of sexual politics by one of feminism's most important and critical voices *Marx, Women, and Capitalist Social Reproduction* Martha E. Giménez,2018-10-08 In *Marx Women and Capitalist Social Reproduction* Martha E Gimenez offers a distinctive perspective on social reproduction which posits that the relations of production determine the relations of social reproduction and links the effects of class exploitation and location to forms of oppression predominantly theorised in terms of identity Grounding her analysis on Marx's theory and methodology Gimenez examines the relationship between class reproduction and the oppression of women in different contexts such as the reproduction of labour power domestic labour feminisation of poverty and reproductive technologies Because most women and men whether members of dominant or oppressed groups are working class she argues that the future of feminist politics is inextricably tied to class politics and the fate of capitalism Reader's Guide to the Social Sciences Jonathan Michie,2014-02-03 This 2 volume work includes approximately 1 200 entries in A Z order critically reviewing the literature on specific topics from abortion to world systems theory In addition nine major entries cover each of the major disciplines political economy management and business human geography politics sociology law psychology organizational behavior and the history and development of the social sciences in a broader sense *Marx and the Political Economy of the Media* ,2015-09-29 More than 130 years after Karl Marx's death and 150 years after the publication of his opus magnum *Capital Critique of Political Economy* capitalism keeps being haunted by period crises The most recent capitalist crisis has brought back attention to Marx's works This volume presents 18 contributions that show how Marx's analyses of capitalism the commodity class labour work exploitation surplus value dialectics crises ideology class struggles and communism help us to understand media cultural and communications in 21st century informational capitalism Marx is back This book is a key resource on the foundations of Marxist Media Cultural and Communication Studies Materialist Feminisms Donna Landry,Gerald McLean,1993-10-08 *Materialist Feminisms* investigates the crucial theoretical and political debates that have determined the course of British and American feminism over the last thirty years As intellectual terrain has shifted during these decades from Marxism to cultural materialism and poststructuralist literary theory questions of race and ethnicity sexuality postcoloniality and green politics have converged and sometimes collided with the categories within feminism but analyze many of the most important texts and movements of contemporary cultural theory Offering not so much a unified history as an analysis of important moments within these debates this book examines the work of such feminist theorists as Michèle Barrett Judith Butler Rosalind Coward Donna Haraway bell hooks the m f collective Tania Modleski Jacqueline Rose Gayle

Rubin Hortense Spillers and Gayatri Spivak *Materialist Feminisms* includes new exemplary readings of feminist detective African American and postcolonial fiction three kinds of textures commodity currently fetishized in the literary marketplace What might the success of these kinds of writing signify about politics and desire in contemporary Anglo American culture Demonstrating how the poststructuralist critique of essences and identities need not end in a complete paralysis of political action as has sometimes been claimed *Materialist Feminisms* argues that feminism socialism and deconstruction are not theoretical dead ends but names for unfinished business

Undoing Human Supremacy Simon Springer, Jennifer Mateer, Martin Locret-Collet, Maleea Acker, 2021-10-15 The Earth is in crisis We know this We have known this for a long time In the throes of the unfolding nightmare we call capitalism it is not hard to see and hear the violence that is being enacted against the planet If we are to move beyond the idea that humanity is tasked with expressing our dominion over nature and towards a renewed integral understanding of humanity as firmly located within the biosphere as an anarchist political ecology demands then we have to start interrogating the privileges hierarchies and human centric frames that guide our ways of knowing and being in the world This volume centers around the idea that anarchism as a conceptual framework encourages us to contend with the multiple lines of difference the various iterations of privilege and the manifold set of archies that undergird our understandings of the world and crucially our place within it

Lesbians, Women & Society E M Ettorre, 2022-09-01 First published in 1980 *Lesbians Women and Society* presents an analysis of lesbianism as a phenomenon that developed from a personal problem or

individual deviance to a social movement with political ambitions Social lesbianism an important concept introduced in the text refers to the emergence of a public expression of lesbianism and is a stage in the process of establishing a lesbian group identity It thrusts the issue into the public eye and lends vitality to society's awareness Two groups of social lesbians are visible those fearful of change who cling to traditional and social views sick but not sorry and those who wish to challenge such traditional views in favour of a more public approach sorry but we're not sick But regardless of their relationships to the dominant sexual ideology as a group social lesbians threaten the structure of power in society This critical analysis thus challenges many people's views of lesbianism and points out to the uninformed observer the complexities which are involved in the contemporary lesbian experience This book will be of interest to students of sociology gender studies feminist theory and sexuality studies
