Feminism Community And Communication:

Feminism, Community, and Communication Mary E. Olson, 2000 Feminism Community and Communication rethinks therapy research teaching and community work with a renewed emphasis on collaboration intersubjectivity and the process of communication as a world making and identity making activity. The issues of gender culture religion race and class figure prominently in this valuable book Communication and Community Gregory J. Shepherd, Eric W. Rothenbuhler, 2000-12 This volume addresses communication and its roles in the problems and prospects of community and is intended for scholars in communication cultural studies and social psychology Feminist Communication Theory Lana F. Rakow, Laura A. Wackwitz, 2004-09-07 Feminist Communication Theory is a book of and for feminist communication theorists providing the potential to help individuals understand the human condition name personal experiences and engage these experiences through storytelling and give useful strategies for achieving justice Lana F Rakow and Laura A Wackwitz examine the work of feminist theorists over the past two decades who have challenged traditional communication theory contributing to the development of feminist communication theory by identifying its important contours shortcomings and promise Interventions in International Communication Katharine Sarikakis, Leslie Regan Shade, 2008 This cutting edge work critiques today s global mediascape through feminist perspectives highlighting concerns of policy power labor and technology Starting with the general state of international communications the book uses feminist political economic and policy analyses to explore the globalization of media industries including questions about women s employment and media content that is globally produced and consumed A top notch group of authors covers cases on online news pornography and explicit material political participation and democracy policies for women s development violence against women labor practices and information workers print media and publishing public telecentres media coverage of HIV AIDS and more Providing fresh feminist insights into international communication this essential book shows the important strides taken toward women s justice in these areas and how far there is yet to go Networked Feminism Rosemary Clark-Parsons, 2022-05-10 Hope for a feminist future Networked feminist organizing Networked feminist visibility Networked feminist communities Strength in a feminist present Feminist Activism in the Digital Era Asli Kotaman, Gülüm Sener, 2025-03-31 Focusing on various regions this collection highlights a rich diversity of feminist activism The ways feminist movements work the tools they use and the outcomes they achieve vary with local dynamics and cultural contexts In Pakistan digital activists resist gender based violence through social media while in Mexico protests against femicide resonate globally through digital platforms In Turkey feminist video activism builds collective memory and in Poland women organize online against abortion bans This diversity showcases the adaptability creative strategies and evolution of feminist movements as they navigate opportunities in the digital age Feminist activism expresses itself in different voices and methods of resistance across regions yet all these variations underline a global unity in the fight for equality This collection demonstrates the expansive dynamic nature of

feminist movements worldwide and examines how local and global struggles intersect *Topical Issues in Communications* and Media Research Kwamena Kwansah-Aidoo, 2005 The field of communication and media has never been more exciting and the vigorous activity in this area over the past three decades bears testimony to this The excitement is due to a number of developments in the vast and sometimes very different areas that fall under the common rubric of communication and media studies This book seeks to interrogate a number of concerns and issues in communications and media research This volume documents some of the current trends and developments challenges and future prospects of communication and media research In doing so it presents a broad basis for understanding the issues technologies theories applications opportunities and challenges faced by communication researchers and scholars in the new media environment of the 21st century Routledge Handbook of Contemporary Feminism Tasha Oren, Andrea Press, 2019-05-16 Feminism as a method a movement a critique and an identity has been the subject of debates contestations and revisions in recent years yet contemporary global developments and political upheavals have again refocused feminism s collective force What is feminism now How do scholars and activists employ contemporary feminism What feminist traditions endure Which are no longer relevant in addressing contemporary global conditions In this interdisciplinary collection scholars reflect on how contemporary feminism has shaped their thinking and their field as they interrogate its uses limits and reinventions Organized as a set of questions over definition everyday life critical intervention and political activism the Handbook takes on a broad set of issues and points of view to consider what feminism is today and what current forces shape its future development It also includes an extended conversation among major feminist thinkers about the future of feminist scholarship and activism The scholars gathered here address a wide variety of topics and contexts activism from post Soviet collectives to the Arab spring to the MeToo movement sexual harassment feminist art film and digital culture education technology policy sexual practices and gender identity Indispensable for scholars undergraduate and postgraduate students in women gender and sexuality the collection offers a multidimensional picture of the diversity and utility of feminist thought in an age of multiple uncertainties

Feminism and "race" Kum-Kum Bhavnani,2001 The past two decades have seen the incursion of feminist thought into many academic areas Within the academy feminist approaches have gained some legitimacy and yet simultaneous with these disciplinary advances there have been charges of racism directed at feminist scholarship and practice These charges have resulted in feminist work continuously reshaping itself This volume represents the strength as well as diversity of writings which discuss race and feminism showing how these two areas usually considered to be distinct and therefore discrete from each other have developed Feminism and Race includes articles spanning a number of disciplinary areas such as history literary analysis sociology and psychology and provides a history of how second wave feminisms have negotiated race as well as suggesting what future directions these debates may take *Encyclopedia of Information Communication Technologies and Adult Education Integration* Wang, Victor X.,2010-08-31 The book provides comprehensive coverage and definitions of

the most important issues concepts trends and theories in adult education adult ESL English as a Second Language and information communication technologies offering an in depth description of key terms and theories concepts related to different areas issues and trends in adult education worldwide Provided by publisher **PCOS Discourses, Symbolic** Impacts, and Feminist Rhetorical Disruptions of Institutional Hegemonies Marissa C. McKinley, 2023-09-05 PCOS Discourses Symbolic Impacts and Feminist Rhetorical Disruptions of Institutional Hegemonies examines the power of hegemonic institutions and their impact on bodies focusing on how women with Polycystic Ovarian Syndrome PCOS employ rhetorical strategies to resist and disrupt mass media and clinical discourses that seek to define them and their experiences This monograph argues that through the enactment of bio power Foucault digital and mass media have denied women with PCOS opportunities for autonomous subject formation and in turn allowances for constructing their ontologies and epistemologies However by networking in participatory new media McKinley posits women with PCOS can reclaim their agency To support this argument McKinley rhetorically examines three PCOS artifacts a television episode an online popular culture forum and an online health forum This monograph bridges the personal and the academic and adds to and extends the work being done in the Rhetoric of Health and Medicine RHM on PCOS through the adoption of a unique theoretical lens e q Lisa Melon on s performative phenomenology and methodology e g Norman K Denzin s Feminist Communitarian Model and contributes to conversations surrounding femaleness femininity women s health challenges and advocacy as located in RHM scholarship and related fields Feminist Community Engagement S. Iverson, J. James, 2014-12-04 Contributors to this volume demonstrate how a feminist approach is strategically necessary for the community engagement movement in higher education to achieve its goals and illustrate the transformative potential of merging feminist theory with social action Feminist Challenges in the Information Age Christiane Floyd, Govind Kelkar, Silvie Klein-Franke, Cheris Kramarae, Cirilia

Limpangog,2013-06-29 Das englischsprachige Buch stellt Ergebnisse der Internationalen Frauenuniversit t Projektbereich Information vor The book analyses the interdependence of knowledge culture and information from a feminist perspective in a world of globalisation Human Rights and Information Communication Technologies: Trends and Consequences of Use Lannon, John,2012-07-31 Intergovernmental agencies governments and non governmental organizations are now using Information and Communications Technologies ICTs to collect organize and disseminate information on peoples rights the promotion of human rights and the protection of individuals and communities at risk Human Rights and Information Communication Technologies Trends and Consequences of Use will provide a comprehensive examination of the use and application of information and communication technologies in the world of human rights This will contribute significantly to understandings of the impact of ICTs on the promotion and protection of human rights in societies around the world This book will provide a valuable tool and insight for academics from a range of fields including information management information systems communications information technology international relations human rights politics law

and sociology It will also be useful to international non governmental organizations non governmental organizations and The SAGE Encyclopedia of Communication Research Methods Mike governments for policy and practice Allen, 2017-04-11 Communication research is evolving and changing in a world of online journals open access and new ways of obtaining data and conducting experiments via the Internet Although there are generic encyclopedias describing basic social science research methodologies in general until now there has been no comprehensive A to Z reference work exploring methods specific to communication and media studies Our entries authored by key figures in the field focus on special considerations when applied specifically to communication research accompanied by engaging examples from the literature of communication journalism and media studies Entries cover every step of the research process from the creative development of research topics and questions to literature reviews selection of best methods whether quantitative qualitative or mixed for analyzing research results and publishing research findings whether in traditional media or via new media outlets In addition to expected entries covering the basics of theories and methods traditionally used in communication research other entries discuss important trends influencing the future of that research including contemporary practical issues students will face in communication professions the influences of globalization on research use of new recording technologies in fieldwork and the challenges and opportunities related to studying online multi media environments Email texting cellphone video and blogging are shown not only as topics of research but also as means of collecting and analyzing data Still other entries delve into considerations of accountability copyright confidentiality data ownership and security privacy and other aspects of conducting an ethical research program Features 652 signed entries are contained in an authoritative work spanning four volumes available in choice of electronic or print formats Although organized A to Z front matter includes a Reader's Guide grouping entries thematically to help students interested in a specific aspect of communication research to more easily locate directly related entries Back matter includes a Chronology of the development of the field of communication research a Resource Guide to classic books journals and associations a Glossary introducing the terminology of the field and a detailed Index Entries conclude with References Further Readings and Cross References to related entries to guide students further in their research journeys The Index Reader's Guide themes and Cross References combine to provide robust search and browse in the e version The Palgrave Handbook of Feminism and Sport, Leisure and Physical Education Louise Mansfield, Jayne Caudwell, Belinda Wheaton, Beccy Watson, 2017-11-06 This handbook provides an original comprehensive and unparalleled overview of feminist scholarship in sport leisure and physical education It captures the complexities of past current and future developments in feminism while highlighting its theoretical methodological and empirical applications It also critically engages with policy and practice issues for women and girls taking part in sport and leisure pursuits and in physical education provision The Palgrave Handbook of Feminism and Sport Leisure and Physical Education is international in scope and includes the work of established and emerging feminist scholars

It will be of interest to students and scholars across a range of disciplines including sociology gender studies sport sciences and sports business and management Feminist Community Research Gillian Creese, Wendy Frisby, 2011-10-20 Feminist community research is a collaborative policy oriented methodology that holds the promise of empowering the disadvantaged and building a more just society But in the absence of critical analysis and the responsible use of power this approach can lead to naive or even harmful practices Grounded as they are in fieldwork these interdisciplinary case studies acknowledge the real methodological and ethical issues that researchers can encounter as they negotiate contested research relationships The authors discuss the strategies successful and unsuccessful that they have employed to overcome these challenges The authors collective experiences working with diverse groups from immigrant and Aboriginal women in Vancouver to poverty reduction practitioners in Vietnam reveal that truly equitable research projects require that we question core concepts and address crucial issues such as the promises and limits of reflexivity the politics of place time and resources ethical dilemmas and emotional responses and the way issues of social justice policy and social change are Postmodern, Feminist and Postcolonial Currents in Contemporary Japanese Culture embedded in research Fuminobu Murakami, 2006-02-01 Using the Euro American theoretical framework of postmodernism feminism and post colonialism this book analyses the fictional and critical work of four contemporary Japanese writers Murakami Haruki Yoshimoto Banana Yoshimoto Takaaki and Karatani Kojin In addition the author reconsiders this Euro American theory by looking back on it from the perspective of Japanese literary work Presenting outstanding analysis of Japanese intellectuals and writers who have received little attention in the West the book also includes an extensive and comprehensive bibliography making it essential reading for those studying Japanese literature Japanese studies and Japanese thinkers

Critical Media Studies Brian L. Ott,Robert L. Mack,2025-09-10 Master the critical tools for understanding media in today s fast evolving digital landscape Critical Media Studies An Introduction for the Digital Age provides students with a powerful framework for analyzing the impact of media on knowledge attitudes and behaviors In a world increasingly shaped by digital technologies and personalized information feeds this leading textbook supplies the theoretical tools and knowledge to understand how media influence individuals and society With an interdisciplinary approach Brian L Ott and Robert L Mack explore media s role as a powerful socializing force addressing the key areas of media technologies industries messages and audiences Each section delves into distinct critical perspectives such as Marxist feminist and queer analysis alongside exclusive chapters on pragmatic and erotic approaches The fourth edition includes significant updates including a detailed examination of the ecological impact of digital media and unique engagement with Byung Chul Han s philosophy Throughout this edition revised chapters incorporate contemporary examples cutting edge pedagogical features timely discussion of global trends and much more Ideal for both undergraduate and graduate students Critical Media Studies is perfect for courses in Media Studies Communication and Digital Media programs Whether in introductory or advanced classes students

will find the text invaluable for fostering critical thinking media literacy and informed citizenship Covering both introductory and advanced topics it is also a valuable reference for scholars media professionals and those in communication related fields

Working with Affect in Feminist Readings Marianne Liljeström, Susanna Paasonen, 2010-03-08 Affect has become something of a buzzword in cultural and feminist theory during the past decade References to affect emotions and intensities abound their implications in terms of research practices have often remained less manifest Working with Affect in Feminist Readings Disturbing Differences explores the place and function of affect in feminist knowledge production in general and in textual methodology in particular With an international group of contributors from studies of history media philosophy culture ethnology art literature and religion the volume investigates affect as the dynamics of reading as carnal encounters and as possibilities for the production of knowledge Working with Affect in Feminist Readings asks what exactly are we doing when working with affect and what kinds of ethical epistemological and ontological issues this involves Not limiting itself to descriptive accounts the volume takes part in establishing new ways of understanding feminist methodology

As recognized, adventure as capably as experience practically lesson, amusement, as with ease as contract can be gotten by just checking out a books **Feminism Community And Communication** as well as it is not directly done, you could endure even more vis--vis this life, nearly the world.
