## **Feminism In Modern Japan Citizenship Embodiment And Sexuality:**

**Feminism in Modern Japan** Vera Mackie, 2003-02-26 *Feminism in Modern Japan* is an original and path breaking book which traces the history of feminist thought and women's activism in Japan from the late nineteenth century to the present. The author offers a fascinating account of those who struck out against convention in the dissemination of ideas which challenged accepted notions of thinking about women, men and society generally. Feminist activism took diverse forms as women questioned their roles as subjects of the Emperor or explored the limits of citizenship under the more liberal post war constitution. The story is brought to life through translated extracts of the writings of Japanese feminists. This cogent, carefully documented analysis will be welcomed by students from a range of disciplines including those working on gender studies and feminist history where nothing comparable is currently available.

**Feminism in Modern Japan** Vera Mackie, 2003-02-26 Tracing the history of feminism in Japan from the end of the nineteenth century to the present, Vera Mackie offers a fascinating account of those who rebelled against convention in the dissemination of ideas which challenged accepted ways of thinking about women, men and society. This carefully documented analysis is for students of feminism and related areas where nothing comparable is currently available.

*A Companion to Japanese History* William M. Tsutsui, 2009-07-20 *A Companion to Japanese History* provides an authoritative overview of current debates and approaches within the study of Japan's history. Composed of 30 chapters written by an international group of scholars, it combines traditional perspectives with the most recent scholarly concerns. Supplements a chronological survey with targeted thematic analyses. Presents stimulating interventions into individual controversies.

**The SAGE Handbook of Modern Japanese Studies** James D Babb, 2014-12-15 A welcome addition to any reading list for those interested in contemporary Japanese society. Roger Goodman, Nissan Professor of Modern Japanese Society, University of Oxford. I know no better book for an accessible and up to date introduction to this complex subject than *The SAGE Handbook of Modern Japan Studies*. Hiroko Takeda, Associate Professor, Organization for Global Japanese Studies, University of Tokyo. Pioneering and nuanced in analysis yet highly accessible and engaging in style. Yoshio Sugimoto, Emeritus Professor, La Trobe University. *The SAGE Handbook of Modern Japanese Studies* includes outstanding contributions from a diverse group of leading academics from across the globe. This volume is designed to serve as a major interdisciplinary reference work and a seminal text, both rigorous and accessible to assist students and scholars in understanding one of the major nations of the world. James D Babb is a Senior Lecturer in the School of Geography, Politics and Sociology at Newcastle University.

*Intimacy and Reproduction in Contemporary Japan* Genaro Castro-Vazquez, 2016-07-01 This book presents an ethnographic investigation of intimate and reproductive behaviour in current Japanese society, grounded in the viewpoints of a group of Japanese mothers. It adopts a new approach in studying the decreasing fertility rates which are contributing to the ageing population in modern Japan. Based on the accounts of 57 married Japanese women, it employs symbolic interactionism as a framework to examine the various factors affecting decision

making on childbirth The influence of Assisted Reproductive Technologies ARTs abortion and contraception in the daily interactions and experiences of the mothers are analysed to offer a new perspective on the Japanese demographic conundrum With strong contextual information as the foundation the book contributes fresh insight into how Japanese women perceive the idea of childbirth in a modernized society and also assists our understanding of the factors causing Japan s ageing population Further it places the mothers experiences within current global debates to highlight the salience of the Japanese case As the first book to provide an in depth examination of the social process underpinning the decision to become a mother in Japan it will appeal to students and scholars of Japanese culture and society Gender Studies and Sociology

**Japanese Women and Sport** Robin Kietlinski, 2011-12-01 This book is available as open access through the Bloomsbury Open Access programme and is available on [www.bloomsburycollections.com](http://www.bloomsburycollections.com) In Japanese Women and Sport Robin Kietlinski sets out to problematize the hegemonic image of the delicate Japanese woman highlighting an overlooked area in the history of modern Japan Previous studies of gender in the Japanese context do not explore the history of female participation in sport and recent academic studies of women and sport tend to focus on Western countries Kietlinski locates the discussion of Japanese women in sport within a larger East Asian context and considers the socio economic position and history of modern Japan Reaching from the early 20th century to the present day Kietlinski traces the progression of Japanese women s participation in sport from the first female school for physical education and the foundations of competitive sport through to their growing presence in the Olympics and international sport

**Connecting Women's Histories** Barbara Bush, June Purvis, 2018-10-19 Reflecting upon the diverse aspects of the entangled histories of women across the world mainly but not exclusively during the twentieth century this book explores the range of ways in which women s history international history transnational history and imperial and global histories are interwoven Contributors cover a diverse range of topics including the work of British women s activist networks in defence of and opposition to empire the Society for the Overseas Settlement of British Women suffrage networks in Britain and South Africa white Zimbabwean women and belonging in the diaspora migrant female workers as traditional agents in Tasmania Indian coolie women s lives in British Malaya Irish female medical missionary work emigration to North America from Irish women s convict prisons the Women s Party of Great Britain 1917 1919 the national and international in the making of the Finnish feminist Alexandra Gripenberg and the relationship between the World Congress of Mothers and the Japan Mothers Congress This book was originally published as a special issue of the Women s History Review

[Routledge Handbook of Sexuality Studies in East Asia](#) Mark McLelland, Vera Mackie, 2014-09-15 This collection brings together cutting edge work by established and emerging scholars focusing on key societies in the East Asian region China Taiwan Hong Kong Japan North and South Korea Mongolia and Vietnam This scope enables the collection to reflect on the nature of the transformations in constructions of sexuality in highly developed developing and emerging societies and economies Both Japan and China have

established traditions of sexuality studies reflecting longstanding indigenous understandings of sex as well as more recent developments which interface with Euro American medical and psychological understandings Authors reflect upon the complex colonial and economic interactions and cultural flows which have affected the East Asian region over the last two centuries They trace local flows of ideas instead of defaulting to Euro American paradigms for sexuality studies Through looking at regional and global exchanges of ideas about sexuality this volume adds considerably to our understanding of the East Asian region and contributes to wider discussions of social transformation modernisation and globalisation It will be essential reading in undergraduate and graduate programs in sexuality studies gender studies women s studies and masculinity studies as well as in anthropology sociology history cultural studies area studies and health sciences

*Engendering Transnational Transgressions* Eileen Boris,Sandra Trudgen Dawson,Barbara Molony,2020-11-23

*Engendering Transnational Transgressions* reclaims the transgressive side of feminist history challenging hegemonic norms and the power of patriarchies Through the lenses of intersectionality gender analysis and transnational feminist theory it addresses the political in public and intimate spaces The book begins by highlighting the transgressive nature of feminist historiography It then divides into two parts Part I Intimate Transgressions Marriage and Sexuality examines marriage and divorce as viewed through a transnational lens and Part II Global Transgressions Networking for Justice and Peace considers political and social violence as well as struggles for relief redemption and change by transnational networks of women Chapters are archivally grounded and take a critical approach that underscores the local in the global and the significance of intersectional factors within the intimate They bring into conversation literatures too often separated history of feminisms and anti war anti imperial anti fascist and related movements on the one hand and studies of gender crossings marriage reconstitution and affect and subjectivities on the other In so doing the book encourages the reader to rethink standard interpretations of rights equality and recognition This is the ideal volume for students and scholars of Women s and Gender History and Women s and Gender Studies as well as International Transnational and Global History History of Social Movements and related specialized topics Writing Pregnancy in Low-Fertility Japan Amanda C. Seaman,2016-12-31

*Writing Pregnancy in Low Fertility Japan* is a wide ranging account of how women writers have made sense and nonsense of pregnancy in postwar Japan While earlier authors such as Yosano Akiko had addressed the pain and emotional complexities of childbearing in their poetry and prose the topic quickly moved into the literary shadows when motherhood became enshrined as a duty to state and sovereign in the 1930s and 40s This reproductive imperative endured after World War II spurred by a need to create a new generation of citizens and consumers for a new peacetime nation It was only in the 1960s in the context of a flowering of feminist thought and activism that more critical and nuanced appraisals of pregnancy and motherhood began to appear In her fascinating study Amanda C Seaman analyzes the literary manifestations of this new critical approach in the process introducing readers to a body of work notable for the wide range of genres employed by its

authors including horror and fantasy short stories novels memoir and manga the many political personal and social concerns informing it and the diverse creative approaches contained therein This pregnancy literature Seaman argues serves as an important yet rarely considered forum for exploring and debating not only the particular experiences of the pregnant mother to be but the broader concerns of Japanese women about their bodies their families their life choices and the meaning of motherhood for individuals and for Japanese society It will be of interest to scholars of modern Japanese literature and women s history as well as those concerned with gender studies feminism and popular culture in Japan and beyond

**The Japanese Comfort Women and Sexual Slavery during the China and Pacific Wars** Caroline Norma, 2015-12-17 The Japanese military was responsible for the sexual enslavement of thousands of women and girls in Asia and the Pacific during the China and Pacific wars under the guise of providing comfort for battle weary troops Campaigns for justice and reparations for comfort women since the early 1990s have highlighted the magnitude of the human rights crimes committed against Korean Chinese and other Asian women by Japanese soldiers after they invaded the Chinese mainland in 1937 These campaigns however say little about the origins of the system or its initial victims The Japanese Comfort Women and Sexual Slavery during the China and Pacific Wars explores the origins of the Japanese military s system of sexual slavery and illustrates how Japanese women were its initial victims

A Place in Public Marnie S. Anderson, 2010 Anderson argues that shifts in the gender system during the early Meiji period had mixed consequences for Japanese women Women gained access to the chance to represent themselves and play a limited political role but were permitted political participation only as an expression of citizenship through the household

**Intersectionality, Transnationalism, and the History of Education** Deirdre Raftery, Stephanie Spencer, 2024-10-26 This volume brings together a diverse range of contributors to explore the significance of intersectionality and transnationalism with reference to the history of education The chapters cover a range of educational spaces and places and demonstrate the possibilities that theoretical approaches can offer to scholars at all levels of their academic career The chapters focus specifically on women s activism in order to maintain a coherent framework of research that is brought together in an introduction and concluding thoughts The significance of gender as relational and a symbol of power ensures that men and masculinities are not overlooked but recognized as integral to understanding gender dynamics as they affected women s education and the ways in which that education took place

**Japanese Women: Emerging from Subservience, 1868-1945**, 2021-10-01 For the first time many of the world s leading scholars in the field of Japanese women s history met in Edinburgh in 2003 and presented papers addressing the themes of Pioneering Women in Japan and General Issues in Japanese Women s History This volume containing most of the papers which have been specially edited and revised for publication together with an in depth contextual Introduction by Dr Hiroko Tomida and Dr Gordon Daniels is the outcome By definition therefore the volume contains some of the most recent findings in this field in Japan Australia the United States and the UK and introduces new approaches to studying Japanese women s history In addition it

contains a special contribution on Ichikawa Fusae by Professor Barbara Molony

**An Introduction to Japanese Society** Yoshio Sugimoto, 2020-11-12 An Introduction to Japanese Society provides a highly readable introduction to Japanese society by internationally renowned scholar Yoshio Sugimoto Taking a sociological approach the text examines the multifaceted nature of contemporary Japanese society with chapters covering class geographical and generational variation work education gender ethnicity religion popular culture and the establishment This edition begins with a new historical introduction placing the sociological analysis of contemporary Japan in context and includes a new chapter on religion and belief systems Comprehensively revised to include current research and statistics the text covers changes to the labor market evolving conceptions of family and gender demographic shifts in an aging society and the emergence of new social movements Each chapter now contains illustrative case examples research questions recommended further readings and useful online resources Written in a lively and engaging style An Introduction to Japanese Society remains essential reading for all students of Japanese society

**Japan** Frank Baldwin, Anne Allison, 2015-12-15 A joint publication of the Social Science Research Council and New York University Press

**Coeds Ruining the Nation** Julia Bullock, 2019-08-28 In the late 1800s Japan introduced a new sex segregated educational system Boys would be prepared to enter a rapidly modernizing public sphere while girls trained to become good wives and wise mothers who would contribute to the nation by supporting their husbands and nurturing the next generation of imperial subjects When this system was replaced by a coeducational model during the American Occupation following World War II adults raised with gender specific standards were afraid coeducation would cause moral problems even societal collapse By contrast young people generally greeted coeducation with greater composure This is the first book in English to explore the arguments for and against coeducation as presented in newspaper and magazine articles cartoons student authored school newsletters and roundtable discussions published in the Japanese press as these reforms were being implemented It complicates the notion of the postwar years as a moment of rupture highlighting prewar experiments with coeducation that belied objections that the practice was a foreign imposition and therefore unnatural for Japanese culture It also illustrates a remarkable degree of continuity between prewar and postwar models of femininity arguing that Occupation era guarantees of equal educational opportunity were ultimately repurposed toward a gendered division of labor that underwrote the postwar project of economic recovery Finally it excavates discourses of gender and sexuality underlying the moral panic surrounding coeducation to demonstrate that claims of rampant sexual deviance and other concerns were employed as disciplinary mechanisms to reinforce an ideology of harmonious gender complementarity and to dissuade women from pursuing conventionally masculine prerogatives

**Systemic Silencing** Katharine E. McGregor, 2023-08-29 The system of prostitution imposed and enforced by the Japanese military during its wartime occupation of several countries in East and Southeast Asia is today well known and uniformly condemned Transnational activist movements have sought to recognize and redress survivors of this World War II

era system euphemistically known as comfort women for decades with a major wave beginning in the 1990s However Indonesian survivors and even the system s history in Indonesia to begin with have largely been sidelined even within the country itself Here Katharine E McGregor not only untangles the history of the system during the war but also unpacks the context surrounding the slow and faltering efforts to address it With careful attention to the historical social and political conditions surrounding sexual violence in Indonesia supported by exhaustive research and archival diligence she uncovers a critical piece of Indonesian history and the ongoing efforts to bring it to the public eye Critically she establishes that the transnational part of activism surrounding victims of the system is both necessary and fraught a complexity of geopolitics and international relationships on one hand and a question of personal networks linguistic differences and cultural challenges on the other

**A History of Japan** Conrad Totman, 2014-09-11 This is an updated edition of Conrad Totman s authoritative history of Japan from c 8000 BC to the present day The first edition was widely praised for combining sophistication and accessibility Covers a wide range of subjects including geology climate agriculture government and politics culture literature media foreign relations imperialism and industrialism Updated to include an epilogue on Japan today and tomorrow Now includes more on women in history and more on international relations Bibliographical listings have been updated and enlarged Part of The Blackwell History of the World Series The goal of this ambitious series is to provide an accessible source of knowledge about the entire human past for every curious person in every part of the world It will comprise some two dozen volumes of which some provide synoptic views of the history of particular regions while others consider the world as a whole during a particular period of time The volumes are narrative in form giving balanced attention to social and cultural history in the broadest sense as well as to institutional development and political change Each provides a systematic account of a very large subject but they are also both imaginative and interpretative The Series is intended to be accessible to the widest possible readership and the accessibility of its volumes is matched by the style of presentation and production

**Our Unions, Our Selves** Anne Zacharias-Walsh, 2016-08-03 In *Our Unions, Our Selves* Anne Zacharias Walsh provides an in depth look at the rise of women only unions in Japan an organizational analysis of the challenges these new unions face in practice and a firsthand account of the ambitious occasionally contentious and ultimately successful international solidarity project that helped to spark a new feminist labor movement In the early 1990s as part of a larger wave of union reform efforts in Japan women began creating their own women only labor unions to confront long standing gender inequality in the workplace and in traditional enterprise unions These new unions soon discovered that the demand for individual assistance and help at the bargaining table dramatically exceeded the rate at which the unions could recruit and train members to meet that demand Within just a few years women only unions were proving to be both the most effective option women had for addressing problems on the job and in serious danger of dying out because of their inability to grow their organizational capacity Zacharias Walsh met up with Japanese women s unions at a critical moment in their struggle to survive Recognizing

the benefits of a cross national dialogue they teamed up to host a multiyear international exchange project that brought together U S and Japanese activists and scholars to investigate the links between organizational structure and the day to day problems nontraditional unions face and to develop Japan specific participatory labor education as a way to organize and empower new generations of members They also gained valuable insights into the fine art of building and maintaining the kinds of collaborative cross border relationships that are essential to today s social justice movements from global efforts to save the environment to the Fight for 15 and Black Lives Matter

This is likewise one of the factors by obtaining the soft documents of this **Feminism In Modern Japan Citizenship Embodiment And Sexuality** by online. You might not require more era to spend to go to the books introduction as without difficulty as search for them. In some cases, you likewise realize not discover the pronouncement Feminism In Modern Japan Citizenship Embodiment And Sexuality that you are looking for. It will no question squander the time.

However below, following you visit this web page, it will be hence certainly easy to get as capably as download guide Feminism In Modern Japan Citizenship Embodiment And Sexuality

### **Feminism In Modern Japan Citizenship Embodiment And Sexuality Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Feminism In Modern Japan Citizenship Embodiment And Sexuality PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to

locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Feminism In Modern Japan Citizenship Embodiment And Sexuality PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Feminism In Modern Japan Citizenship Embodiment And Sexuality free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Feminism In Modern Japan Citizenship Embodiment And Sexuality Books**

**What is a Feminism In Modern Japan Citizenship Embodiment And Sexuality PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Feminism In Modern Japan Citizenship Embodiment And Sexuality PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Feminism In Modern Japan Citizenship Embodiment And Sexuality PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Feminism In Modern Japan Citizenship Embodiment**

**And Sexuality PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Feminism In Modern Japan Citizenship Embodiment And Sexuality PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
