Hamilton, Deborah Schiffrin, 2015-04-28 The second edition of the highly successful Handbook of Discourse Analysis has been expanded and thoroughly updated to reflect the very latest research to have developed since the original publication including new theoretical paradigms and discourse analytic models in an authoritative two volume set Twenty new chapters highlight emerging trends and the latest areas of research Contributions reflect the range depth and richness of current research in the field Chapters are written by internationally recognized leaders in their respective fields constituting a Who's Who of Discourse Analysis A vital resource for scholars and students in discourse studies as well as for researchers in related fields who seek authoritative overviews of discourse analytic issues theories and methods

Interdisciplinary Studies in Pragmatics, Culture and Society Alessandro Capone, Jacob L. Mey, 2015-07-31 This volume is part of the series Pragmatics Philosophy and Psychology edited for Springer by Alessandro Capone It is intended for an audience of undergraduate and graduate students as well as postgraduate and advanced researchers This volume focuses on societal pragmatics One of the main concerns of societal pragmatics is the world of language users We are interested in the investigation of linguistic practices in the context of societal practices praxis to use a term used in the Wittgensteinian and other traditions It is clear that the world of users including their practices their culture and their social aims has to be taken into account and seriously investigated when we deal with the pragmatics of language It is not enough to discuss principles of language use solely in the guise of abstract theoretical tools Consequently the present volume focuses explicitly on the interplay of abstract theoretical principles and the necessities imposed by societal contexts often requiring a more flexible use of such theoretical tools The volume includes articles on pragmemes politeness and anti politeness dialogue joint utterances discourse markers pragmatics and the law institutional discourse critical discourse analysis pragmatics and culture cultural scripts argumentation theory connectives and argumentation language games and psychotherapy slurs the analysis of funerary rites as well as an authoritative chapter by Jacob L Mey on societal pragmatics *The Handbook of Language, Gender, and Sexuality* Susan Ehrlich, Miriam Meyerhoff, Janet Holmes, 2017-10-10 Significantly expanded and updated the second edition of The Handbook of Language Gender and Sexuality brings together a team of the leading specialists in the field to create a comprehensive overview of key historical themes and issues along with methodologies and cutting edge research topics Examines the dynamic ways that women and men develop and manage gendered identities through their talk presenting data and case studies from interactions in a range of social contexts and different communities Substantially updated for the second edition including a new introduction 24 newly commissioned chapters ten updated chapters and a comprehensive index Includes new chapters on research in non English speaking countries from Asia to South

America and cutting edge topics such as language gender and popular culture language and sexual identities and language gender and socio phonetics New sections focus on key themes and issues in the field such as methodological approaches to language and gender incorporating new chapters on conversation analysis critical discourse analysis corpus linguistics and variation theory Provides unrivalled geographic coverage and an essential resource for a wide range of disciplines from linguistics psychology sociology and anthropology to communication and gender studies An Interdisciplinary Bibliography on Language, Gender and Sexuality (2000-2011) Heiko Motschenbacher, 2012 This comprehensive state of the art bibliography documents the most recent research activity in the vibrant field of language gender and sexuality It provides experts in the field and students in tertiary education with access to language centred resources on gender and sexuality and is therefore an ideal research companion The main part of the bibliography lists 3 454 relevant publications monographs edited volumes journal articles and contributions to edited volumes that have been published within the period from 2000 to 2011 It unites work done in linguistics with that of neighbouring disciplines covering studies dealing with a broad range of languages and cultures around the globe Alphabetical listing and a keyword index facilitate finding relevant work by author and subject matter The e book version additionally enables users to search the entire document for specific terms Sections on earlier bibliographies and general reference works on language gender and sexuality complete the compilation Reading Bridal Magazines from a Critical Discursive Perspective E. Glapka, 2014-09-04 Bridal magazines have become increasingly popular in Western society proliferating the idea of a princess bride on her big day Yet little has been written on how the ever expanding wedding media and the popular wedding culture constructs gender and affects the ways women live and experience their weddings Offering a critique of contemporary wedding discourse this book marries together analyses of media texts and their reception to propose a new approach to media discourse The analysis richly illustrates how women are invited to embrace not only the stereotypical idea of bridal femininity but also a consumptive way of experiencing it Through examination of brides accounts of their big days the book observes the imprints of the popular gender imagery on their self portraits and self narratives and describes the women s diverse approaches to them Based on insights from gender and critical discourse studies sociology and audience research this exploration illuminates the ongoing debate on media and gender and its methodological approaches *Girls, Single-Sex Schools, and Postfeminist Fantasies* Stephanie McCall, 2019-11-28 Bringing together feminist theory girlhood studies and curriculum theory this book contributes an in depth critical analysis of curriculum in single gender schooling for girls in postfeminist landscapes of unlimited choices and resurgences of proper girlhood The arguments challenge the mainstream assumptions and promotions about the guarantees of female success via small school supports tailored curricula protection school choice and class advantage Single gender schools are not homogenous they have different histories student populations finances and organization Recognizing this diversity *Girls Single sex Schools and Postfeminist Fantasies* draws on rich data collected in two US secondary schools over a

two year period to identify and explore the ambiguities of success in single sex schools for girls Rich classroom observations and interviews with teachers and students reveal the resounding message delivered to girls that they can have it all by going to college By exploring students imaginings hopes and doubts around college the text illustrates how this catalyzes girls critiques of their futures and of the schooled storylines of female success While teachers might trumpet college career and limitless horizons girls seek to understand their social positions and try to make sense of family passions and future happiness This book will be of great interest to graduate and postgraduate students academics researchers libraries in secondary education girlhood studies sociology of education gender and sexuality in education single sex schooling and feminist theory

The Craft of Criticism Michael Kackman, Mary Celeste Kearney, 2025-08-19 With contributions from 35 leading media scholars this collection provides a comprehensive overview of the main methodologies of critical media studies Fully revised and updated throughout the chapters in this second edition address various methods of textual analysis as well as reception studies policy studies production studies and contextual multi method approaches like intertextuality and cultural geography Film and television are at the heart of the collection which also addresses digital technologies and new research tools in such areas as software studies gaming and social media Each chapter includes an intellectual history of a particular method or approach a discussion of why and how it was used to study a particular medium or media relevant examples of influential work in the area and an in depth review of a case study drawn from the author s own research Together the chapters in this collection give media scholars and critics a complete toolbox of essential critical media studies methodologies

Language, Gender and Feminism Sara Mills, Louise Mullany, 2011-05-09 Language Gender and Feminism introduces students to key theoretical perspectives methodology and analytical frameworks in the field of feminist linguistic analysis providing readers with a comprehensive survey of the current state of the field

2019 FIFA Women's World Cup Molly Yanity, Danielle Sarver Coombs, 2021-08-12 This book examines the most prolific international women s football tournament the FIFA Women s World Cup through media fandom and how mediated women s soccer can improve on a global scale Women s soccer has exploded in terms of media exposure television audiences and live spectatorship This book explores those macro level issues while also digging into micro level topics such as Megan Rapinoe s celebrations and political activism VAR reviews LGBTQ imagery and cultural obstacles for women s football in Central Eastern Europe and Nigeria Using an interdisciplinary approach scholars look at issues through the lenses of feminist theory cultural studies rhetorical criticism political economy performative sport fandom autoethnography and more Thus the book is important reading for students researchers and media practitioners with interests in women s soccer gender in sports media coverage of women s sport and sport fandom

Research Methods in Applied Linguistics Brian Paltridge, Aek Phakiti, 2015-08-27 Research Methods in Applied Linguistics is designed to be the essential one volume resource for students The book includes qualitative quantitative and mixed methods research techniques and approaches ethical considerations sample studies a

glossary of key terms resources for students As well as covering a range of methodological issues it looks at numerous areas in depth including language learning strategies motivation teacher beliefs language and identity pragmatics vocabulary and grammar Comprehensive and accessible this is the essential guide to research methods for undergraduate and postgraduate students in applied linguistics and language studies Gender, Language and the Periphery Julie Abbou, Fabienne H. Baider, 2016-12-15 This volume aims to demonstrate that the centre periphery tension allows for a theory of gender understood as a power relationship with implications for a political analysis of language structures language uses and linguistic resistances All of the 12 chapters included in this volume work on understudied languages such as Moldovan Lakota Cantonese Bajjika Croatian Hebrew Arabic Ciluba Cantonese Cypriot Greek Korean Malaysian Basque and Belarusian and they all explore from the margins different dimensions of social gender in grammar The diversity of languages is reflected in the range of theoretical frameworks linguistic anthropology systemic functional linguistics contrastive syntactical analysis to name a few used by the authors in order to apprehend the fluidity of gender ed language and identity to highlight the social constraints on daily discourse and to identify discourses that resist gender norms This book will be highly relevant for students and researchers working on the interface of gender with morpho syntax semantics pragmatics and discourse analysis **Journalism, Gender and Power** Cynthia Carter, Linda Steiner, Stuart Allan, 2019-02-12 Journalism Gender and Power revisits the key themes explored in the 1998 edited collection News Gender and Power It takes stock of progress made to date and also breaks ground in advancing critical understandings of how and why gender matters for journalism and current democratic cultures This new volume develops research insights into issues such as the influence of media ownership and control on sexism women s employment and macho news cultures the gendering of objectivity and impartiality tensions around the professional identities of journalists news coverage of violence against women the sexualization of women in the news the everyday experience of normative hierarchies and biases in newswork and the gendering of news audience expectations amongst other issues These issues prompt vital questions for feminist and gender centred explorations concerned with reimagining journalism in the public interest Contributors to this volume challenge familiar perspectives and in so doing extend current parameters of dialogue and debate in fresh directions relevant to the increasingly digitalized interactive intersections of journalism with gender and power around the globe Journalism Gender and Power will inspire readers to rethink conventional assumptions around gender in news reporting conceptual professional and strategic with an eye to forging alternative progressive ways forward Ms. Prime Minister Linda Trimble, 2018-01-18 Ms Prime Minister offers both solace and words of caution for women politicians After closely analyzing the media coverage of former Canadian Prime Minister Kim Campbell two former Prime Ministers of New Zealand Jenny Shipley and Helen Clark and Australia s 27th Prime Minister Julia Gillard Linda Trimble concludes that reporting both reinforces and contests unfair gender norms News about female leaders gives undue attention to their gender identities bodies and family lives Yet equivalent men are

also treated to evaluations of their gendered personas And as Trimble finds some media accounts expose sexism and authenticate women s performances of leadership Ms Prime Minister provides important insight into the news frameworks that work to deny or confer political legitimacy It concludes with advice designed to inform the gender strategies of women who aspire to political leadership roles and the reporting techniques of the journalists who cover them *The Bloomsbury Handbook of Discourse Analysis* Ken Hyland, Brian Paltridge, Lillian Wong, 2021-07-29 An essential reference to contemporary discourse studies this handbook offers a rigorous and systematic overview of the field covering the key methods research topics and new directions Fully updated and revised throughout to take account of developments over the last decade in particular the innovations in digital communication and new media this second edition features New coverage of the discourse of media multimedia social media politeness ageing and English as lingua franca Updated coverage across all chapters including conversation analysis spoken discourse news discourse intercultural communication computer mediated communication and identity An expanded glossary of key terms Identifying and describing the central concepts and theories associated with discourse and its main branches of study *The Bloomsbury Handbook of Discourse Analysis* makes a sustained and compelling argument concerning the nature and influence of discourse and is an essential resource for anyone interested in the field *How to Conduct Qualitative Research in Finance* Dan Kaczynski, Michelle Salmons, Tom Smith, 2024-07-05 Asserting that the qualitative research paradigm is entrenched in the social sciences as a discipline in its own right this book brings together finance and qualitative research to encourage researchers to expand their respective bodies of knowledge In doing so it promotes a synergy of insights through the mixing of perspectives Providing a comprehensive guide for finance researchers on how to produce impactful qualitative research this book is a vital resource for teaching as well as one s own research **Education in the Global City** Aaron Koh, Terence Chong, 2017-10-02 Education in the Global City examines education in Singapore through the critical lens of manufacturing The book brings together two disparate fields which inform each other education and the global city and the book s contributors analyse and critique the manufacturing of Singapore education and Singapore s global city formation The collection covers vocational education language policies Higher Education English education critical thinking sex education creativity and critical feminist scholarship Collectively the book pries open the ideology of the manufacturing education system and points out the tension between the nation and its ideologies and the global city aspirations It also asks how education contributes to and is shaped by the market realities of Singapore s global city ambitions which are at odds with the nationalistic local agenda and priorities of nation building In interrupting and speaking against the prevailing and narrow manufacturing of education for a teleological end in spite of Singapore s successful nation building this book is an important contribution to critical education scholarship This book was originally published as a special issue of Discourse Studies in the Cultural Politics of Education
