FEMINIST ETHICS & SOCIAL POLICY

Feminist Ethics And Social Policy Hypatia

Duncan Ivison

Feminist Ethics And Social Policy Hypatia:

Feminist Ethics and Social Policy Patricey DiQuinzio, Iris Marion Young, 1994 **Feminist Ethics and Social Policy** Rianne Mahon, Fiona Robinson, 2011-08-25 As national borders become more permeable women are increasingly travelling from poor to rich countries to take up jobs as care workers The struggle to maintain a healthy work care balance in Western nations is creating a care deficit in the developing world This volume links ethics to the social politics of care by examining the implications of the feminization of migrant labour and the shortcomings of social policy From Canada to Sweden and from Korea to Japan renowned and emerging scholars reveal that a truly feminist ethics of care must be grounded in the concrete lives of real people working in transnational webs of social relations **Feminist Ethics and Social Policy** Patrice DiQuinzio, Iris Marion Young, 1997-08-22 A collection of essays representing diverse approaches to feminist ethical analysis of social policy Subjects include the Family and Medical Leave Act combat exclusion and the role of women in the military unwed fathers rights mail order brides pornography breast implants and sex selective abortion Paper edition unseen 17 95 Annotation copyrighted by Book News Inc Portland OR *Feminist Perspectives on Ethics* Elizabeth Porter, 2014-06-11 *Feminist Perspectives on Ethics* is a unique guide to the development of feminist thought on ethics and moral agency Each chapter offers a survey of feminist debates on key areas the nature of feminist ethics intimate relationships professional ethics politics sexual politics abortion and reproductive choices Importantly the author draws on the range of ideological viewpoints that exist to demonstrate the rich diversity of feminism and also attempts to break down dualistic discordant or simplistic understandings of ethics **Feminist Ethics and Social and Political Philosophy: Theorizing the Non-Ideal** Lisa Tessman, 2009-07-30 *Feminist Ethics and Social and Political Philosophy Theorizing the Non Ideal* is a collection of feminist essays that self consciously develop non idealizing approaches to either ethics or social and political philosophy or both Characterizing feminist ethics and social and political philosophy as marked by a tendency to be non idealizing serves to thematize the volume while still allowing the essays to be diverse enough to constitute a representation of current work in the fields of feminist ethics and social and political philosophy Each of the essays either serves as an instance of work that is rooted in actual non ideal conditions and that as such is able to consider any of the many questions relevant to subordinated people or reflects theoretically on the significance of non idealizing as an approach to feminist ethics or social and political philosophy The volume will be of interest to feminist scholars from all disciplines to academics who are ethicists and political philosophers as well as to graduate students *Social Policy and the Ethic of Care* Olena Hankivsky, 2004 In this book Hankivsky considers the implications of this ethic for a range of Canadian social policy issues Through a series of case studies she demonstrates the extent to which a care orientation differs from a justice orientation and provides an alternative normative framework for interpreting understanding and evaluating social policy She reveals why Canadian social policy is lacking and how it could be made more effective and robust by the inclusion of an ethic

of care Jacket Philosophy and the Mixed Race Experience Tina Fernandes Botts,2016-01-21 Philosophy and the Mixed Race Experience is a collection of essays by philosophers about the mixed race experience Each essay is meant to represent one of three possible things 1 what the philosopher sees as the philosopher s best work 2 evidence of the possible impact of the philosopher s mixed race experience on the philosopher s work or 3 the philosopher s philosophical take on the mixed race experience The book has two primary goals 1 to collect together for the first time the work of professional academic philosophers who have had the mixed race experience and 2 to bring these essays together for the purpose of adding to the conversation on the question of the degree to which factual identity and philosophical work may be related The book also examines the possible relationship between the mixed race experience and certain philosophical positions **Research**

Handbook on Liberalism Duncan Ivison,2024-05-02 This timely Research Handbook reckons with the past present and future of liberalism at a time when anxieties are being expressed about its viability Duncan Ivison brings together a broad and international range of leading experts to explore the complexities of liberalism examining the extent to which it can address rising challenges from illiberalism to inequality **A-Z Guide to Modern Social and Political Theorists**

Professor Stuart Sim,Noel Parker,2014-06-03 The A Z Guide to Modern Social and Political Theories is a companion volume to the already published A Z Guide to Modern Literary and Cultural Theorists It ranges widely through the social sciences and related areas to identify thinkers who have had a major impact on the development of modern social and political theory and given clear accessible summaries of their work While the accent is on the later twentieth century several up and coming theorists are included to ensure a contemporary edge to the volume classic names in the field from the earlier twentieth century are not neglected and the collection also delves back into the nineteenth century for such founding figures of the social sciences as Marx and Comte The volume is therefore both up to date and mindful of the sources of modern debates

Philosophical Foundations of Human Rights Rowan Cruft,S. Matthew Liao,Massimo Renzo,2015-04-30 What makes something a human right What is the relationship between the moral foundations of human rights and human rights law What are the difficulties of appealing to human rights This book offers the first comprehensive survey of current thinking on the philosophical foundations of human rights Divided into four parts this book focuses firstly on the moral grounds of human rights for example in our dignity agency interests or needs Secondly it looks at the implications that different moral perspectives on human rights bear for human rights law and politics Thirdly it discusses specific and topical human rights including freedom of expression and religion security health and more controversial rights such as a human right to subsistence The final part discusses nuanced critical and reformative views on human rights from feminist Kantian and relativist perspectives among others The essays represent new and canonical research by leading scholars in the field Each section is structured as a set of essays and replies offering a comprehensive analysis of different positions within the debate in question The introduction from the editors will guide researchers and students navigating the diversity of views on the

philosophical foundations of human rights *A Transformatory Ethic of Inclusion* Jayne Clapton, 2009-01-01 Inclusion is a topical notion which underpins contemporary human service practices and policies within Western Judeo Christian societies. Inclusion is most often considered within socio historical and socio political contexts whereby technical and legislative responses are sought. However this book explores the question: How ethically defensible is the notion of inclusion in relation to people with intellectual disability? The book contends that inclusion is a multifaceted complex concept in a dualistic and dichotomous relationship with exclusion. It is argued that historical and contemporary conceptualisations of exclusion for people with intellectual disability have been constructed from various philosophical and theological matrices imbued with particular values about personhood. Furthermore it is proposed that the ethical significance of inclusion and exclusion in the context of intellectual disability is defined and perpetuated by expressions of a particular socio symbolic order underpinned by patriarchy and kyriarchy and subjected to two controlling ethics: an Ethic of Normalcy and an Ethic of Anomaly. Inclusion and exclusion are conceived as phenomena relating to how membership is defined, legitimated or repelled by concealed occluding boundaries acting within a patriarchal socio ethical fabric. The book argues that Ethical Inclusion is only possible through the rupture of these boundaries by a conceptual tool: A Transformatory Ethic of Inclusion. This conceptual instrument of rupture embraces the scholarship of feminist ethics and feminist theology. Such a rupture requires examining the ways traditional ethical frameworks themselves have conceptually diminished and devalued the authenticity of people with intellectual disability. A concept of integrality becomes imaginable. Conceptual analysis is framed using a crafting metaphor of a patchwork quilt which is infused with narrative and by which such an ethical exploration is undertaken and impaired traditional ethical theorising is confronted and transformed.

Feminist Thought Rosemarie Putnam Tong, 2013-07-09 A classic resource on feminist theory. *Feminist Thought* offers a clear, comprehensive and incisive introduction to the major traditions of feminist theory from liberal feminism, radical feminism and Marxist and socialist feminism to care focused feminism, psychoanalytic feminism and ecofeminism. The fifth edition has been thoroughly revised and now includes a new chapter on Third Wave and Third Space Feminism. Also added to this edition are significantly expanded discussions on women of color, feminisms, psychoanalytic and care feminisms as well as new examinations of queer theory, LGBTQ and trans feminism. Learning tools like end of chapter discussion questions and the bibliography make *Feminist Thought* an essential resource for students and thinkers who want to understand the theoretical origins and complexities of contemporary feminist debates.

Recognition, Responsibility, and Rights Robin N. Fiore, 2003 In the words of Catharine MacKinnon, a woman is not yet a name for a way of being human. In other words, women are still excluded as authors and agents from identifying what it is to be human and what therefore violates the dignity and integrity of humans. *Recognition, Responsibility, and Rights* is written in response to that failure. This collection of essays by prominent feminist thinkers advances the positive feminist project of remapping the moral landscape by developing theory that acknowledges the diversity of women. This book is the

first volume in a new series of edited collections showcasing the best new work in feminist theory that has emerged from the group Feminist Ethics and Social Theory FEAST FEAST advances the goal of a feminist ethico politics by creating an organization and a body of work in which feminist ethicists and feminist social theorists join forces to produce a politically effective feminist ethics In this first volume essayists address that goal by analyzing gender with respect to three key ethical concepts recognition responsibility and rights **The Bloomsbury Handbook of Care Ethics** Matilda Carter,2025-07-24 Emphasising the vulnerability and interdependence of humans care ethics has emerged in recent years as a powerful alternative to dominant modes of thinking in moral philosophy Bringing together the theoretical and applied dimensions of care ethics this pioneering volume provides an authoritative overview of what care ethics is and the contributions it can make to pressing contemporary problems Divided into two parts Part I of The Bloomsbury Handbook of Care Ethics traces the development of care ethics how it interacts with other central components of moral reasoning such as freedom and normative justification and the ongoing discussions among care ethicists about the direction scope and underlying mechanisms of the theory Part II then showcases the varied contributions care ethics can make to key areas of applied philosophy and to research in the social sciences from disability and care medical ethics and feminist ethics to timely issues such as maternity care and public administration With an international team of experts providing interdisciplinary approaches to care this is the place to start if you want to gain an in depth insight into the field of care ethics and its crucial role in addressing worldwide vulnerabilities **Care Ethics and Political Theory** Daniel Engster,Maurice Hamington,2015-08-20 Care Ethics and Political Theory brings together new chapters on the nature of care ethics and its implications for politics from some of the most important philosophers working in the field today Chapters take up long standing questions about the relationship between care and justice and develop guidelines for the development of a care based justice theory Care ethics is further applied to issues such as security privacy law and health care where little work has been previously done By bringing care ethics into conversation with non Western and subaltern cultures the contributing authors further show how care ethics can guide and learn from other traditions A final set of chapters uses care ethics to challenge dominant moral and political paradigms and offer an alternative foundation for future moral and political theory The book as a whole makes the case for care ethics as an equal or superior approach to morality and politics compared with liberalism luck egalitarianism libertarianism the capabilities approach communitarianism and other political theories The volume includes many of the leading care scholars in the world today engaging in both theoretical and applied discussions of this burgeoning field of study Ultimately Care Ethics and Political Theory endeavors to find realistic methods and ways of thinking to create a more caring world *Gendered Mobilizations and Intersectional Challenges* Jill Irvine,Sabine Lang,Celeste Montoya,2019-07-27 A long and ongoing challenge for social justice movements has been how to address difference Traditional strategies have often emphasized universalizing messages and common identities as means of facilitating collective action Feminist movements

gay liberation movements racial justice movements and even labour movements have all focused predominantly on respective singular dimensions of oppression Each has called on diverse groups of people to mobilize but without necessarily acknowledging or grappling with other relevant dimensions of identity and oppression While focusing on commonality can be an effective means of mobilization universalist messages can also obscure difference and can serve to exclude and marginalize groups in already precarious positions Scholars and activists particularly those located at the intersection of these movements have long advocated for more inclusive approaches that acknowledge the significance and complexity of different social locations with mixed success *Gendered Mobilizations and Intersectional Challenges* provides a much needed intersectional analysis of social movements in Europe and North America With an emphasis on gendered mobilization it looks at movements traditionally understood and or classified as singularly gendered as well as those organized around other dimensions of identity and oppression or at the intersection of multiple dimensions

Disability Politics and Care Christine Kelly,2016-01-15 *Disability Politics and Care* examines a provincial direct funding program to illuminate what happens when people with disabilities take control of their own care arrangements In addition to investigating responses from a wide range of stakeholders Christine Kelly reflects on the broader social and political implications of these types of programs She probes the divide that exists between rejections of care by disability activists on the one hand and attempts by feminists to value gendered forms of labour on the other Rather than trying to find common ground between these viewpoints Kelly explores how maintaining a tension between them could positively transform the understanding and practice of care Enlivened by the voices of disabled people attendants and informal supports this book uses one independent living program as a starting point for untangling much larger philosophical theoretical and material questions about self determination inter dependence governance and justice

Caring and the Law Jonathan Herring,2014-07-18 *Caring and the Law* considers the law s response to caring It explores how care is valued and recognised how it is regulated and restricted and how the values of caring are reflected in the law It does this by examining the law s interaction with caring in a wide range of fields including family medical welfare criminal and tort law At the heart of the book is the claim that the law has failed to recognise the importance of caring in many areas and in doing so has led to the costs and burdens of care falling on those who provide it primarily women It has also meant that the law has failed to protect those who receive care from the abuse that can take place in a caring context The book promotes an ethic of care as providing an ethical and conceptual framework for the law to respond to caring relationships

Theorizing Feminist Ethics of Care in Early Childhood Practice Rachel Langford,2019-06-13 This open access book responds to a growing academic interest in theorizing care and care work in the early childhood education and care ECEC sector The contributors theorize a new feminist ethics of care in everyday early childhood practice revealing its complexities and importance Drawing on feminist theories and philosophies the chapter authors show how the caring practices of early childhood educators involve values emotions decision making action and work

Using cutting edge theory authors address the social locations and the inclusion and exclusion of both care givers and care receivers With contributions from Belgium Canada New Zealand the UK and the USA the volume brings together early childhood studies sociology psychology philosophy and critical disability studies to offer diverse perspectives on feminist ethics of care in early childhood practice and its possibilities and dangers The ebook editions of this book are available open access under a CC BY NC ND 3 0 licence on bloomsburycollections com *The Core of Care Ethics* S. Collins,2015-02-17

The ethics of care has flourished in recent decades yet we remain without a succinct statement of its core theoretical commitment This study argues for a simple care ethical slogan dependency relationships generate responsibilities It uses this slogan to unify specify and justify the wide range of views found within the care ethical literature

Feminist Ethics And Social Policy Hypatia Introduction

In today's digital age, the availability of Feminist Ethics And Social Policy Hypatia books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Feminist Ethics And Social Policy Hypatia books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Feminist Ethics And Social Policy Hypatia books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Feminist Ethics And Social Policy Hypatia versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Feminist Ethics And Social Policy Hypatia books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Feminist Ethics And Social Policy Hypatia books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in

the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Feminist Ethics And Social Policy Hypatia books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Feminist Ethics And Social Policy Hypatia books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Feminist Ethics And Social Policy Hypatia books and manuals for download and embark on your journey of knowledge?

FAQs About Feminist Ethics And Social Policy Hypatia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Feminist Ethics And Social Policy Hypatia is one of the best book in our library for free trial. We provide copy of Feminist Ethics And Social Policy Hypatia in

digital format, so the resources that you find are reliable. There are also many Ebooks of related with Feminist Ethics And Social Policy Hypatia. Where to download Feminist Ethics And Social Policy Hypatia online for free? Are you looking for Feminist Ethics And Social Policy Hypatia PDF? This is definitely going to save you time and cash in something you should think about.
