Feminist Groupwork Self Identity And Change Gender Psychology:

Feminist Groupwork Sandra Butler, Claire Wintram, 1991-07-05 Feminist Groupwork explores the purposes practice and effectiveness of groupwork with women drawing upon the authors own involvement in setting up and running community based women s groups The book offers clear accounts of the structured content of group sessions and the definitions and measurements of change developed by participants It makes a convincing case for adopting a feminist approach with women who are isolated in their own communities and who bear the brunt of socio political disadvantage Central to the book is the focus on women s understandings of themselves and their experiences and how groupwork can lead to potentially liberating interpretations with profound consequences for participants lives Women are encouraged to recognize their resilience survival skills and strengths Feminist Groupwork was awarded a 1992 Distinguished Publication Award by the Association for Women in Psychology USA

Gender and Groupwork Marcia B. Cohen, Audrey Mullender, 2003 Based on practice experience in both the UK and the USA Gender and Groupwork brings together the best of groupwork knowledge skills and values in a true transatlantic partnership

British Book News British Council, 1990 Includes no 53a British wartime books for young people

British Book News , 1990

Handbook of Psychology and Sexual Orientation Charlotte Patterson, Anthony R. D'Augelli, Ph.D., 2013 The first authoritative summary of its kind in this area the Handbook of Psychology and Sexual Orientation is the primary resource for the many researchers including a new generation of investigators who are continuing to advance understanding in this field The volume editors along with other leading experts contribute an extraordinary review of contemporary psychological research and theory on sexual orientation in their specific fields of work

Social Justice in Group Work Anneliese A. Singh, Carmen F. Salazar, 2013-10-18 This book spotlights the unique contribution of the Journal for Specialists in Group Work to the social justice literature and of group work to a social justice agenda Although the term social justice may be relatively new in the counseling and psychology literature the underlying values attention to inequities advocacy and empowerment strategies for members of marginalized and oppressed populations are not new in group work Group leaders have been attending to these concerns all along and group work itself is an ideal venue for the realization of social justice concerns However until now there has been a limited amount of scholarship on group work with a stated focus on social justice This groundbreaking book emphasizes action through a practical approach featuring research and case studies of social justice group work in community and school settings Chapters highlight how group workers infuse social justice consciousness into their work address social justice issues and implement social justice practice Authors review the history practice and future opportunities for social justice advocacy within group modalities They also address guidelines for the training and supervision of practitioners engaging in social justice group work This book was published as a special issue of the Journal for Specialists in Group Work

The Social Psychology of Collective Action Caroline Kelly, Sara Breinlinger, 1996 This text provides an analysis of collective behaviour

a central topic in social psychology It considers why individuals do or don't get involved in collective action **Reflective Practice of Counseling and Psychotherapy in a Diverse Society** Jason D. Brown, 2019-10-29 This book is a guide to critical reflective practice that highlights cultural differences and their impact on the therapeutic relationship It is designed for therapists in training as well as more experienced practitioners The book addresses important topics such as power and privilege in relation to class and race gender and sex disability and age Readers are encouraged to respond to questions about their values and beliefs worldviews and ideologies and assumptions about theories of change as well as their own health and healing process **Women's Experience of Feminist Therapy and Counselling** Eileen McLeod, 1994

Initiatives beyond therapy and counselling tackling a range of social inequalities are also essential to realizing women's emotional wellbeing Counsellors' views and experience are also analysed to clarify the nature of their theories and methods the impact of practice on them as workers and the significance of attempts to create non-hierarchical forms of organization

Handbook of Counseling Psychology Steven D. Brown, Robert W. Lent, 2000-02 Following on the success of the previous editions this updated and expanded Third Edition of the Handbook of Counseling Psychology provides a cross-disciplinary survey of the entire field and offers analysis of important areas of counseling psychology activity The book elaborates on future directions for research highlighting suggestions that may advance knowledge and stimulate further inquiry And specific advice is presented from the literature in counseling psychology and related disciplines to help improve one's counseling practice *Constructing Narratives of Continuity and Change* Hazel Reid, Linden West, 2014-08-27 In this volume academics and researchers across disciplines including education psychology and health studies come together to discuss personal political and professional narratives of struggle resilience and hope Contributors draw from a rich body of autobiographical research to examine the role of narrative and how it can be constructed to compose a life story considering the roles of significant others inspirational educational and fictional characters and those in myth and legend The book discusses how personal narrative often neglected in social and psychological enquiry can be a valuable resource across a range of settings Reference is made to the evolving role of narrative in education and health care medicine and psychotherapy This includes how particular narratives are hardwired into culture in ways that stifle personal and social understanding Rather than providing a how-to guide the book illustrates the range and power of narrative including poetry to reawaken senses of self and agency in extremis Each chapter draws on specific research describing the context explaining the methodology and illuminating important findings Discussing implications for research and practice this book will be key reading for postgraduate and doctoral students in autobiographical and narrative studies and across a range of disciplines including education health and social care politics counselling and psychotherapy It will be of interest to academics teaching research methods and those developing biographical and autobiographical narrative research *Intercultural Mediation Counselling and Psychotherapy in Europe* Agostino Portera, Roy Moodley, Marta Milani, 2020-02-18 This collection of essays

highlights theories and several of the excellent practices that are currently taking place in many European countries which integrate intercultural multicultural and transcultural approaches as part of its education health and mental health services The book details numerous projects that are currently engaging in cutting edge research related to interventions with culturally diverse clients It serves to share information theories and knowledge so that insights gleaned from one country can be shared across all European states as well as countries across the globe The volume addresses the question of ethnic cultural religious gender and power diversity its points of tensions and psychopathology and its place of resilience and wellbeing

Sociological Abstracts Leo P. Chall, 2003 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers

Modern Applications to Group Work Kevin A. Fall, Justin E. Levitov, 2001 The effectiveness of group counselling as a treatment modality has been well established And while additional theoretical work will always be needed perhaps the greater challenge for contemporary group practitioners lies in crafting theoretically sound applications of group theory so that group methods can be used more effectively to benefit clients struggling with various psychological and developmental problems This book responds to this need by offering fourteen chapters of creative useful examples of how group methods can be successfully applied to a wide range of problems and populations Each chapter written by innovators from the fields of counselling social work psychology and psychiatry focuses on specific mental health problems of issues that will interest a wide population A careful analysis of each psychological or development problem greets the reader followed by a discussion of the theoretical basis for the interventions Each chapter utilises practical recommendations outlines of procedures and liberal use of case examples to illuminate important process points Each broad category Adults Children and Adolescents and Training and Theory includes interesting chapter topics such as Group counselling with late deafened adults Marital restoration groups Therapist s uses of self in group psychotherapy and Group play therapy with abused children The elegant combination of theory and practice offers the reader a range of easily implemented methods and techniques applied to each specified problem

Modern Applications to Group Work is a valuable companion text for any group oriented course Undergraduate and graduate courses in group can use the text to illustrate the application of general group principles to specific psychological concerns *Modern Applications to Group Work* may be used as the primary text for advanced courses in group counselling psychology and social work programs Practitioners will be attracted to the book due to the comprehensive scope and the strong theoretical basis of each chapter that is followed by pragmatic treatment strategies

The SAGE Encyclopedia of Criminal Psychology Robert D. Morgan, 2019-04-25 The SAGE Encyclopedia of Criminal Psychology will be a modern interdisciplinary resource aimed at students and professionals interested in the intersection of psychology e.g. social forensic clinical criminal justice sociology and criminology The

interdisciplinary study of human behavior in legal contexts includes numerous topics on criminal behavior criminal justice policies and legal process crime detection and prevention eyewitness identification prison life offender assessment and rehabilitation risk assessment and management offender mental health community reintegration and juvenile offending The study of these topics has been increasing continually since the late 1800s with people trained in many legal professions such as policing social work law academia mental health and corrections This will be a comprehensive work that will provide the most current empirical information on those topics of greatest concern to students who desire to work in these fields This encyclopedia is a unique reference work that looks at criminal behavior primarily through a scientific lens With over 500 entries the book brings together top empirically driven researchers and clinicians across multiple fields psychology criminology social work and sociology to explore the field

Choice Reviews in Women's Studies, 1990-96 Association of College and Research Libraries, 1997 This is a collection of reviews that appeared in CHOICE magazine of over 2 000 women's studies titles Arranged alphabetically by subject matter using the editor's classifications each entry reprints the text of the original review gives bibliographic data and indicates readership level

Handbook of Identity Theory and Research Seth J. Schwartz, Koen Luyckx, Vivian L. Vignoles, 2011-06-22 Identity is one of the most extensively studied constructs in the social sciences Yet despite the wealth of findings across many disciplines identity researchers remain divided over such enduring fundamental questions as What exactly is identity and how do identity processes function Do people have a single identity or multiple identities Is identity individually or collectively oriented Personally or socially constructed Stable or constantly in flux The Handbook of Identity Theory and Research offers the rare opportunity to address the questions and reconcile these seeming contradictions bringing unity and clarity to a diverse and fragmented literature This exhaustive reference work emphasizes the depth and complexity of identity processes and domains and presents perspectives from many different theoretical schools and empirical approaches Contributing authors provide perspectives from psychology e.g. narrative social identity theory neo Eriksonian and from other disciplines e.g. sociology political science ethnic studies and the editors highlight the links between chapters that provide complementary insights on related subjects In addition to covering identity processes and categories that are well known to the field the Handbook tackles many emerging issues including Identity development among adopted persons Identity processes in interpersonal relationships Effects of globalization on cultural identity Transgender experience and identity Consumer identity and shopping behavior Social identity processes in xenophobia and genocide The Handbook of Identity Theory and Research lends itself to a wealth of uses by scholars clinicians and graduate students across many disciplines including social developmental and child school psychology human development and family studies sociology cultural anthropology gender ethnic and communication studies education and counseling

Handbook of Social Work with Groups, Second Edition Charles D. Garvin, Lorraine M. Gutierrez, Maeda J. Galinsky, 2017-06-27 Revised edition of Handbook of social work with groups 2006 *Photovoice*

Handbook for Social Workers Michele Jarldorn, 2018-07-16 This book provides inspiration for social workers to explore the possibilities of using Photovoice to engage with communities Built on strong theoretical foundations and grounded in ethical principles Jarldorn assesses Photovoice as an arts based approach that provides a valuable mechanism for social workers to engage people in participatory action research with the potential to influence policy and public opinion Positioning Photovoice as a method aligned with feminist and radical social work perspectives the author draws upon her research project which used Photovoice with former prisoners to demonstrate the transformative potential of participatory methods Photovoice Handbook for Social Workers is intended to be a useful hands on resource combining the importance of theory and the practicalities of doing action research **Register of Educational Research in the United Kingdom** National Foundation For Educational Research, 2005-11-30 First published in 1998 Routledge is an imprint of Taylor Francis an informa company
