STREAM America's largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations

Horsing Around Lawrence Clayton, Kenneth W. Davis, Mary Collins, 1998-11-15 The tradition of storytelling and folklore reaches deeply into the American notion of national identity and among the more prominent emblems of American culture stands the cowboy. Despite the attempts to modernize the cowboy of our frontier past today's mounted horsemen have learned how to adapt to a rapidly changing world while tenaciously holding on to their heritage. Tall tales and yarns make up a great amount of the folklore of this literary tradition yet woven throughout such stories stir an American mixture of humor, wisdom and philosophy. In *Horsing Around* Clayton Davis and Collins draw upon the vast amount of anecdotes portraying the lighter side of working on the range. The collected vignettes in *Horsing Around* will provide the collector of Texana greater accessibility to stories that are often told only at public performances.

Home Run Feud Clair Bee, 2002-01-01 Chip sees the morale of his baseball team threatened by the arrogant behavior of first baseman and heavy hitter Ben Green. *Texas*

James A. Michener, 2014-01-21 Spanning four and a half centuries James A Michener's monumental saga chronicles the epic history of Texas from its Spanish roots in the age of the conquistadors to its current reputation as one of America's most affluent, diverse and provocative states. Among his finely drawn cast of characters emotional and political alliances are made and broken as the loyalties established over the course of each turbulent age inevitably collapse under the weight of wealth and industry. With Michener as our guide Texas is a tale of patriotism and statesmanship, growth and development, violence and betrayal, a stunning achievement by a literary master.

BONUS This edition includes an excerpt from James A Michener's *Hawaii*. Praise for Texas Fascinating Time A book about oil and water, rangers and outlaws, frontier and settlement, money and power. James A Michener manages to make history vivid. *The Boston Globe* A sweeping panorama. Michener grapples earnestly with the Texas character in a way that Texas's own writers often don't. *The Washington Post Book World* Vast, sprawling and eclectic in population and geography, the state has just the sort of larger-than-life history that lends itself to Mr. Michener's taste for multigenerational epics. *The New York Times*
