Leviticus Martin Sicker, 2013-10-28 The theme that unifies the diverse contents of this biblical work is that of holiness as the text asserts Ye shall be holy for I the Lord your God am holy Lev 19 2 The burden of the work is set forth guidelines as to how the children of Israel were to attain that goal One of the great practical issues dealt with in Leviticus is the problem of connecting with the one and only God through the practice of a form of worship that is superficially similar to but at the same time radically different from the modes of worship practiced by the other peoples of the ancient world which almost universally included sacrificial rites Because it was extremely difficult for one to relate to a deity that could not be depicted graphically sacrificial rites were also prescribed for the children of Israel as a concession to human weakness but were designed in a manner to leave little if any room for human inventiveness which if left unchecked would likely result in idolatrous practices Accordingly the ancient rites were infused with layers of detailed instructions and obscure symbolisms that make the text difficult to comprehend while raising important ethical considerations that are an essential aspect of the biblical concept of holiness This study explores some of the profound ideas that lie buried beneath the surface of this extremely complex biblical text

Staging and Stagers in Modern Jewish Palestine Ya'akov Shavit, Shoshana Sitton, 2004 By analyzing key aspects of Hebrew culture this book adds new dimension to the anthropological sociological and historical studies dealing with folklore rituals and festivals This fascinating case study describes the work of the people responsible for creating festive lore and its system of ceremonies and festivities an inseparable part of every culture In the case of the new modern Hebrew culture of Eretz Israel modern Jewish Palestine a society of immigrants that left behind most of their traditional folkways the creation of festival lore was a conscious and organized process guided by a national ideology and aesthetic values This creative effort in a secular national society served as an alternative to the traditional religious system adapted the ceremonies and festivals to a new historical reality and created a new festival cycle that would give expression and joy to the values and symbols of the new Jewish society Staging and Stagers in Modern Jewish Palestine claims that the system of ceremonies and festivals in general and each separate ceremony and festival were staged according to the staging instructions written by a defined group of cultural activists The book examines three main stages the educational network rural society particularly the cooperative sector and urban society most notably Tel Aviv and looks at the stagers themselves who were schoolteachers writers artists and cultural activists Though cultural systems of festivals and ceremonies are often researched and described scholarly literature rarely identifies their creators or studies in detail the manner in which these systems are created Staging and Stagers in Modern Jewish Palestine sheds important light on the stagers of modern Jewish Palestine and also on the processes and mechanisms that created the performative lore in other cultures in ancient as well as modern times

Acts Gerald L. Stevens, 2016-04-05 This analysis of Luke's post ascension story of Jesus challenges orthodoxies in the interpretation of Acts and Paul Carefully constructed narrative arguments from within the story in Acts use the themes of Pentecost the Hellenists and the character development of Saul Paul to reveal Luke's insight that the

future of the Jesus story is in the Hellenist movement realizing the promise of Pentecost in Israel These Hellenists are at odds with the Jerusalem church on the implications of the outpoured Spirit of Pentecost Further the Saul Paul of Acts is not what most readers presume from Paul s letters For Luke Paul finds his narrative significance in Acts only within the Hellenist movement and Pentecost fulfillment Paul himself becomes Luke s premier example of the God active God resisted theme of the speech of Stephen that drives the plot of Acts This plot mechanism provides illuminating exegesis of Paul s insistence on going to Jerusalem from Ephesus with its dramatic conclusion in the shipwreck of Paul Stevens concludes by integrating the ending of Acts into Luke s three major themes and overall narrative strategy an impressive compelling and thoroughly fresh reading of Acts *The Publishers Weekly* ,1923 **Acts, Second Edition** Gerald L. Stevens,2019-08-05 This second edition of Stevens s presentation of Acts adds an extensive study of church traditions on Paul s death and burial Uncovering of the sarcophagus in the Church of Saint Paul Outside the Walls yielded carbon 14 dated first or second century bones In his characteristically creative way Stevens offers an insightful proposal on why church traditions on Paul post Acts are so ambiguous and probably always will be even with this new find Stevens s close study of the Acts narrative analyzes Luke s post ascension story of Jesus and challenges orthodoxies in the interpretation of Acts and Paul Luke was the first to envision the future of the Jesus story in the Hellenist movement as this movement realizes the promise of Pentecost in Israel preeminently epitomized in the mission of Paul who is Luke s premier example of the God active God resisted theme of the speech of Stephen that drives the plot of Acts and illuminates exegesis of Paul s insistence on going to Jerusalem with its dramatic conclusion in the shipwreck of Paul Luke ends Acts in Rome as intended an impressive compelling and thoroughly fresh reading of Acts **The Judas Legacy** Sandra M. Rushing,2007-10 ABOUT THE BOOK Controversial and provocative The Judas Legacy examines the shadow that hides in all of us as well as in society and organized religion Writing from inside the church with a keen and penetrating voice author Sandra Rushing illuminates societys collective shadow from a Jungian perspective and reveals the truth that lies beneath the superficial as well as exposes the hypocrisy and self righteousness that are so prevalent in American religious and political leadership From the biblical Judas to contemporary scapegoats Rushing examines the influence of the shadow and describes how leaders throughout history have used a rhetoric of fear to rationalize their own policies This is a powerful incisive study of the dark side of truth ABOUT THE AUTHOR After spending several decades in the oil and transportation industries Sandra Rushing became a second career interim ministry specialist in the Presbyterian Church USA PCUSA She has worked in eight different regions of the PCUSA and on the executive staff in two of those regions She holds a dual degree Summa Cum Laude Phi Beta Kappa in sociology and political science and has studied the theory of C G Jung extensively Her book The Magdalene Legacy was used as a resource for a documentary on the life of Christ Filmed in Israel by a British film company this film The Living Christ was aired for American audiences on The Learning Channel She is also the author of a book of poetry Essence of Autumn a memoir Dancing with a Kitchen Chair and a

liturgical resource book *Sacred Bread and Holy Wine Communion and Liturgical Poetry* *The Eucharistic Celebration* Adolf Adam, 1994 The Constitution on the Sacred Liturgy says The Church earnestly desires that Christ's faithful when present at this mystery of faith should not be there as strangers or silent spectators On the contrary through a good understanding of the rites and prayers they should take part in the sacred action conscious of what they are doing with devotion and full collaboration What is needed and what the author offers here is that good understanding of the meaning and value of the Mass After examining its historical development Professor Adam explains each part of the Mass as it is currently celebrated He uses understandable terminology and a form of presentation designed to increase appreciation of the Mass among the faithful and to provide the knowledge and impetus to achieve this in family and group discussions in catechetical instruction and in preaching

[A Targumist Interprets the Torah: Contradictions and Coherence in Targum Pseudo-Jonathan](#) Iosif J Zhakevich, 2022-01-17 This book conducts a focused study of contradictions and coherence in Targum Pseudo-Jonathan The first section of this study examines the apparent disruption of congruity with regard to the vertical dimension of the Targum that is between the Torah the Hebrew Vorlage and the Targum the Aramaic translation The second section addresses the apparent disruption of congruity with regard to the horizontal dimension of the Targum that is within the boundaries of the TgPsJ corpus Ultimately this work suggests that the contradictions are given to resolution once the greater context of biblical and Jewish tradition is taken into consideration
