**How Ottawa Spends, 2013-2014** Christopher Stoney, G. Bruce Doern, 2013-09-01 The 2013 14 edition of How Ottawa Spends critically examines national politics priorities and policies with a close lens on Stephen Harper's Conservative party during the middle of their first term as a majority Contributors from across Canada examine the federal government and its not uncommon mid term problems but also its considerable agenda of long term plans both set in the midst of national economic fragility and a global fiscal and debt crisis Individual chapters examine several related political policy and spending realms including the Budget Action Plan the ten year Canada Health Transfer Plan the Canada Pension Plan and Old Age Security reforms The contributors also consider austerity related public sector downsizing and strategic spending reviews national energy and related environmental strategies and the growing Harper practice of one off federalism

*Active Citizenship and Disability* Andrew Power, Janet Lord, Allison DeFranco, 2013-01-14 This book provides an international comparative study of the implementation of disability rights law and policy focused on the emerging principles of self determination and personalisation It explores how these principles have been enshrined in the United Nations Convention on the Rights of Persons with Disabilities and how different jurisdictions have implemented them to enable meaningful engagement and participation by persons with disabilities in society The philosophy of active citizenship underpinning the Convention that all citizens should be able to actively participate in the community provides the core focal point of this book which grounds its analysis in exploring how this goal has been imagined and implemented across a range of countries The case studies examine how different jurisdictions have reformed disability law and policy and reconfigured how support is administered and funded

to ensure maximum choice and independence is accorded to people with disabilities

**Federalism and the Rights of Persons with Disabilities** Delia Ferri, Francesco Palermo, Giuseppe Martinico, 2023-07-13 This book shines a light on the still unexplored relationships between federalism and disability rights It investigates how the UN Convention on the Rights of Persons with Disabilities CRPD is implemented by different federal systems around the world It analyses the effects that the obligations undertaken under the CRPD have on federal governance and on the constitutional division of powers within 14 federal systems including those in Germany Canada Brazil India the UK and Italy The book also considers the trends and patterns of disability rights governance in federal systems and looks at the future developments of comparative disability federalism

**Working towards Equity** Dustin Galer, 2018-05-04 In Working towards Equity Dustin Galer argues that paid work significantly shaped the experience of disability during the late twentieth century Using a critical analysis of disability in archival records personal collections government publications and a series of interviews Galer demonstrates how demands for greater access among disabled people for paid employment stimulated the development of a new discourse of disability in Canada Family advocates helped people living in institutions move out into the community as rehabilitation professionals played an increasingly critical role in the lives of working age adults with disabilities Meanwhile civil rights activists crafted a new consumer led vision of social and economic integration Employment was and remains a central component in disabled peoples efforts to become productive autonomous and financially secure members of Canadian society Working towards Equity offers new in depth analysis on rights activism as it relates to employment sheltered workshops deinstitutionalization and labour markets in the contemporary context in Canada

**Exploring Disability Identity and Disability Rights through Narratives** Ravi Malhotra, Morgan Rowe, 2013-10-30 Building on David M Engel and Frank W Munger s work analyzing the narratives of people with physical and learning disabilities this book examines the life stories of twelve physically disabled Canadian adults through the prism of the social model of disablement Using a grounded theory approach and with extensive reporting of the thoughts of the participants in their own words the book uses narratives to explore whether an advocacy identity helps or hinders dealings with systemic barriers for disabled people in education employment and transportation The book underscores how both physical and attitudinal barriers by educators employers and service providers complicate the lives of disabled people The book places a particular focus on the importance of political economy and the changes to the labour market for understanding the marginalization and oppression of people with disabilities By melding socio legal approaches with insights from feminist critical race and queer legal theory Ravi Malhotra and Morgan Rowe ask if we need to reconsider the social model of disablement and proposes avenues for inclusive legal reform

*Law and Neurodiversity* Dana Lee Baker, Laurie A. Drapela, Whitney Littlefield, 2020-06-01 Law and Neurodiversity offers invaluable guidance on how autism research can inform and improve juvenile justice policies in Canada and the United States This perceptive work examines the history of institutionalization the evolution of disability rights and advances in juvenile

justice that incorporate considerations of neurological difference into court practice In Canada the diversion of delinquent autistic youth away from formal processing has fostered community based strategies for them under state authority in its place US policies rely more heavily on formal responses often employing detention in juvenile custody facilities These differing approaches profoundly affect how services such as education are delivered to youth with autism Building on a rigorous exploration of how assessment rehabilitation and community re entry differ between the two countries Law and Neurodiversity offers a much needed comparative analysis of autism and juvenile justice policies on both sides of the forty ninth parallel

Absent Citizens Michael J. Prince, 2009-04-22 Disability exists in the shadows of public awareness and at the periphery of policy making People with disabilities are in many respects missing from the theories and practices of social rights political participation employment and civic membership Absent Citizens brings to light these chronic deficiencies in Canadian society and emphasizes the effects that these omissions have on the lives of citizens with disabilities Drawing together elements from feminist studies political science public administration sociology and urban studies Michael J Prince examines mechanisms of exclusion and inclusion public attitudes on disability and policy making processes in the context of disability Absent Citizens also considers social activism and civic engagements by people with disabilities and disability community organizations highlighting presence rather than absence and advocating both inquiry and action to ameliorate the marginalization of an often overlooked segment of the Canadian population

Canadian Fiscal Arrangements Harvey Lazar, 2005-08-18 The key issues in fiscal federalism will be debated once again when the federal government the provinces and the territories return to the negotiating table Ottawa has appointed an expert panel on equalization and territorial formula financing and the provinces and territories have established an advisory panel on fiscal imbalance Both will report in the first half of 2006 after which the negotiating pace will accelerate In a timely collection contributors from the government and academia tackle these fiscal policy issues from a broad spectrum of perspectives

Overpromising and Underperforming? Peter Graefe, Julie Simmons, Linda A. White, 2013-01-08 Public reporting has been used experimentally in federal provincial relations since the mid 1990s as an accountability mechanism to promote policy effectiveness intergovernmental cooperation and democratic legitimacy Our understanding of how well it is

working however remains limited to very specific policy sectors even though this information is essential to policy makers in Canada and beyond Overpromising and Underperforming offers a deeper analysis of the use of new accountability mechanisms paying particular attention to areas in which federal spending power is used This is the first volume to specifically analyse the accountability features of Canadian intergovernmental agreements and to do so systematically across policy sectors Drawing on the experiences of other federal systems and multilevel governance structures the contributors investigate how public reporting has been used in various policy fields and the impact it has had on policy making and intergovernmental relations

*Social Fabric Or Patchwork Quilt* Jeff Keshen, Raymond Benjamin Blake, 2006-01-01 Both historical and contemporary features of Canadian social welfare are explored in this wide ranging and in depth collection Social Fabric or Patchwork Quilt explores the evolution of the Canadian social welfare state from a system based upon voluntarism and philanthropy to one in which the State s involvement has increased considerably It also shows how the roles of governments at all levels have changed in recent times Chapters describe the developing Canadian welfare state from Confederation to the present Beginning with an integrative framework in the general introduction the selected essays represent many perspectives chronological regional multidisciplinary and ideological An important feature of this collection is the consideration of providers and recipients Such wide ranging outlooks are possible given the diverse backgrounds of contributors which include historians sociologists social workers public policy experts and political scientists As well as historical and sociological studies topics include key programs discussed in detail the quality of services received by principal target groups new directions in research some contributions even revisit foundational older works and key government documents

Reconsidering the Institutions of Canadian Federalism J. Peter Meekison, Hamish Telford, Harvey Lazar, 2004 Beginning with an examination of the role of traditional institutions such as Parliament Cabinet the Supreme Court and political parties Canada State of the Federation 2002 affirms the long held belief that these bodies do not provide effective forums for interregional bargaining creating a void that has been filled at least in part by executive federalism Contributors conclude that the performance of traditional institutions taken as a whole has deteriorated over the last several decades placing more pressure on the processes of executive federalism

**Culture, Diversity and Mental Health - Enhancing Clinical Practice** Masood Zangeneh, Alean Al-Krenawi, 2019-10-22 This book discusses the importance of culture and diversity within society through multicultural cross cultural and intercultural encounters while applying psychological effectiveness to manage core competencies It carefully explains how influential the social environment is to an individual within a society It seeks to directly affect mental health practitioners treatment within practices in accordance to specific ethno cultural clients and it seeks to encourage students and practitioners to practice acceptance of diverse groups and multiracial communities Although understanding various cultural norms and accepting diversity is not always simple the book promotes a global understanding through identifying cultural benefits within a multiracial multi ethnic society while

evoking culturally competent techniques for mental health practitioners      Social Policy and Practice in Canada Alvin Finkel, 2012-05-09 Social Policy and Practice in Canada A History traces the history of social policy in Canada from the period of First Nations control to the present day exploring the various ways in which residents of the area known today as Canada have organized themselves to deal with or to ignore the needs of the ill the poor the elderly and the young This book is the first synthesis on social policy in Canada to provide a critical perspective on the evolution of social policy in the country While earlier work has treated each new social program as a major advance and reacted with shock to neoliberalism's attack on social programs Alvin Finkel demonstrates that right wing and left wing forces have always battled to shape social policy in Canada He argues that the notion of a welfare state consensus in the period after 1945 is misleading and that the social programs developed before the neoliberal counteroffensive were far less radical than they are sometimes depicted Social Policy and Practice in Canada A History begins by exploring the non state mechanisms employed by First Nations to insure the well being of their members It then deals with the role of the Church in New France and of voluntary organizations in British North America in helping the unfortunate After examining why voluntary organizations gradually gave way to state controlled programs the book assesses the evolution of social policy in Canada in a variety of areas including health care treatment of the elderly child care housing and poverty      **Disability and Social Change** Jeanette Robertson, 2020-07-10T00:00:00Z This edited collection uses a critical theory perspective and draws on expertise from a range of contemporary policy and practice areas Contributors include people with disabilities family members researchers academics and practitioners This book is an ideal text for students of social work human services child and youth care and disability studies Chapters include first person accounts from persons with disabilities perspectives of families and historical perspectives as well as a critical exploration of demographics human rights issues disability legislation and policy in Canada theoretical approaches to disability intersectionality and disability Aboriginal people and disability mental health disability principles of anti ableist practice advocacy and strategies for change This book offers as a fresh Canadian perspective on disability from a critical lens challenging and inspiring students and practitioners alike to think outside the box and to examine their own attitudes and values toward disability ensuring that they do not inadvertently impose ableist and oppressive practices on one of Canada's most marginalized populations      **Contesting Illness** Katherine Anne Teghtsoonian, Pamela Moss, 2008-01-01 Contesting Illness offers valuable insights into the assumptions practices and interactions that shape illness in the twenty first century
