Mothers as the Image of God Juliann Bullock,2022-12-12 Is God a man If God is our Heavenly Father does that require God to be male Does the Bible ever describe God as a mother as well as a father If human fathers can show us what God is like can we see God s image in our mothers too How do women uniquely reveal the nature of the One who created both male and female in the image of God Mothers as the Image of God explores answers to these important questions along with many others This book guides the reader on a series of biblical reflections designed to help both men and women experience the motherly love of God revealed in Scripture and to nourish women with the deep confidence that the most feminine aspects of their nature are a profound reflection of the very image of God an image that is exquisitely displayed through mothering whether that takes place biologically through adoption or by pouring into spiritual children

Spinning Blues Into Gold Nadine Cohodas,2001-09-28 Sun Records gave us rock and roll Motown Records gave us pop soul and Chess Records gave us the blues Chess was label for Muddy Waters Howlin Wolf Chuck Berry Etta James and Bo Diddley and in this critically acclaimed history we learn the full story of this legendary label The greatest artists who sang and played the blues made their mark with Leonard and Phil Chess whose Chicago based record company was synonymous with the sound that swept up from the South embraced the Windy City and spread out like wildfire into mid century America Spinning Blues into Gold is the impeccably researched story of the men behind the music and the remarkable company they created Chess Records and later Checkers Argo and Cadet Records was built by Polish immigrant Jews brothers who saw the blues as a unique business opportunity From their first ventures a liquor store and then a nightclub they promoted live entertainment And parlayed that into the first pressings sold out of car trunks on long junkets through the midsection of the country ultimately expanding their empire to include influential radio stations The

story of the Chess brothers is a very American story of commerce in the service of culture Long on chutzpah Leonard and Phil Chess went far beyond their childhoods as the sons of a scrap metal dealer They changed what America listened to the artists they promoted planted the seeds of rock n roll and are still influencing music today In this book Cohodas expertly captures the rich and volatile mix of race money and recorded music She also takes us deep into the world of independent record producers sometimes abrasive and always aggressive men striving to succeed Leonard and Phil Chess worked hand in glove with disenfranchised black artists the intermittent charges of exploitation balanced by the reality of a common purpose that eventually brought fame to many if not most of the parties concerned From beginning to end as we find in these pages the lives of the Chess brothers were socially financially and creatively entwined with those of the artists they believed in

Scorsese and Religion Christopher B. Barnett, Clark J. Elliston, 2019-09-16 Scorsese and Religion concerns the religious vision of the great American filmmaker Martin Scorsese Not only will this volume explore the foundation of Scorsese s interest in religion namely his relation to the Catholic Church but it will also highlight the religious breadth of Scorsese s corpus Ultimately this book demonstrates that Scorsese s cinematic re presentation of reality brings together various religious influences Catholicism existentialism Buddhism etc and topics such as violence morality nihilism and so on The overarching claim is that Scorsese who indeed once claimed that his whole life had been movies and religion cannot be properly understood without reflecting on the ways in which his religious interests are expressed in and through his art
