Female Circumcision Controversy An Anthropological Perspective:

The Female Circumcision Controversy Ellen Gruenbaum, 2015-03-17 To the Western eye there is something jarringly incongruous even shocking about the image of a six year old girl being held down by loving relatives so that her genitals can be cut Yet two million girls experience this each year Most Westerners upon learning of the practice of female circumcision have responded with outrage those committed to improving the status of women have gone beyond outrage to action by creating various programs for eradicating the practice But few understand the real life complexities families face in deciding whether to follow the traditional practices or to take the risk of change In *The Female Circumcision Controversy* Ellen Gruenbaum points out that Western outrage and Western efforts to stop genital mutilation often provoke a strong backlash from people in the countries where the practice is common She looks at the validity of Western arguments against the practice In doing so she explores both outsider and insider perspectives on female circumcision concentrating particularly on the complex attitudes of the individuals and groups who practice it and on indigenous efforts to end it Gruenbaum finds that the criticisms of outsiders are frequently simplistic and fail to appreciate the diversity of cultural contexts the complex meanings and the conflicting responses to change Drawing on over five years of fieldwork in Sudan where the most severe forms of genital surgery are common Gruenbaum shows that the practices of female circumcision are deeply embedded in Sudanese cultural traditions in religious moral and aesthetic values and in ideas about class ethnicity and gender Her research illuminates both the resistance to and the acceptance of change She shows that change is occurring as the result of economic and social developments the influences of Islamic activists the work of Sudanese health educators and the efforts of educated African women That does not mean that there is no role for outsiders Gruenbaum asserts and she offers suggestions for those who wish to help facilitate change By presenting specific cultural contexts and human experiences with a deep knowledge of the tremendous variation of the practice and meaning of female circumcision Gruenbaum provides an insightful analysis of the process of changing this complex highly debated practice **Flesh and Blood** George C.

Denniston, Frederick Mansfield Hodges, Marilyn Fayre Milos, 2013-03-09 Who owns your sex organs Different cultures today and in different epochs have given a variety of answers to this question It may seem self evident that every individual owns and has sovereignty over his or her own body parts such as the head legs nose stomach pancreas and other body parts The sex organs however seem to be an exception Even though they are as much an integral part of the individual as a leg or a liver the sex organs are unique in that many cultures have established laws and taboos over the use and even the mere display of the sex organs Thus certain cultures have placed constraints over the individual's ownership of his or her sex organs and actively regulate and restrict the individual's access and use of those organs In other cultures the question of ownership of the sex organs is more decisively answered In any culture where circumcision to any degree of either the male or female is practiced permitted encouraged or even merely tolerated it is clear that the individual is not considered to own

his own sex organs In the United States today the medical establishment has created an is considered acceptable and desirable that anyone for environment where it any reason can authorize or execute the amputation of the foreskin from a male child s penis

Female Circumcision Author, Mary Nyangweso Wangila,2015-03-04 A Kenyan woman theologian examines arguments for and against the controversial practice of female circumcision Based on interviews with 50 Kenyan women representing Christianity Islam African Initiated Churches and traditional religion Wangila emphasizes the importance of understanding the gender relationships and cultural beliefs behind the practice and the important role played by religion Wangila calls for eradication of the practice to carefully designed educational efforts sensitive to religious and cultural beliefs

Child Abuse and Neglect in Uganda David Kaawa-Mafigiri,Eddy Joshua Walakira,2017-01-20 This book provides a unique perspective on addressing issues of various forms of violence against children from scholars within their own country Bringing together cross disciplinary expertise this volume addresses a vast range of topics related to child abuse and neglect in Uganda Exploring areas from the protection of street children to cultural proverbs related to child maltreatment this volume examines issues both specific to the Ugandan contexts as well as broadly experienced in child maltreatment work in non Euro American countries This book surveys the breadth of the child protection field covering issues of children s universal rights challenges of protection and ethical quandaries in researching and addressing maltreatment

Culture and Human Rights: The Wroclaw Commentaries Andreas J. Wiesand,Kalliopi Chainoglou,Anna Sledzinska-Simon,2016-11-07 The WROCLAW COMMENTARIES address legal questions as well as political consequences related to freedom of and access to the arts and old new media questions of religious and language rights the protection of minorities and other vulnerable groups safeguarding cultural diversity and heritage and further pertinent issues Specialists from all over Europe and the world summarise and comment on core messages of legal instruments the essence of case law as well as prevailing and important dissenting opinions in the literature with the aim of providing a user friendly tool for the daily needs of decision or law makers at different juridical administrative and political levels as well as others working in the field of culture and human rights

Multicentered Feminism MariaCaterina La Barbera,2009

A World Full of Women Martha C. Ward,Monica D. Edelstein,2015-10-14 Takes a cross cultural approach to the study of women A World Full of Women 6 e combines descriptive ethnography gender theory and international statistics to present a comprehensive picture of the lives of women Readers will better comprehend and contextualize women s issues and experiences in today s world This title explores the diversity of women s lives from class to culture with examples ranging from women s work to marriage patterns health issues violence against women and grassroots organizing

Women's Activism Francisca de Haan,2013 Women s Activism brings together twelve innovative contributions from feminist historians from around the world to look at how women have always found ways to challenge or fight inequalities and hierarchies as individuals in international women s organizations as political leaders and in global forums such as the United Nations The book is divided into three parts Part

one brings together four essays about organized women's activism across borders. The chapters in part two focus on the variety of women's activism and explore women's activism in different national and political contexts. And part three explores the changing relationships and inequalities among women. This book addresses women's internationalism and struggle for their rights in the international arena; it deals with racism and colonialism in Australia, India, and Europe; women's movements and political activism in South Africa, Eastern Bengal, Bangladesh, the United Kingdom, Japan, and France. Essential reading for anyone interested in women's history and the history of activism more generally.

Religion in Gender-Based Violence, Immigration, and Human Rights Mary Nyangweso, Jacob K. Olupona, 2019-07-23. This book builds on work that examines the interactions between immigration and gender-based violence to explore how both the justification and condemnation of violence in the name of religion further complicates our societal relationships. Violence has been described as a universal challenge that is rooted in the social formation process. As humans seek to exert power on the other, conflict occurs. Gender-based violence, immigration, and religious values have often intersected where patriarchy-based power is exerted on the other. An international panel of contributors take a multidisciplinary approach to investigating three central themes. Firstly, the intersection between religion, immigration, domestic violence, and human rights. Secondly, the possibility of collaboration between various social units for the protection of immigrants' human rights. Finally, the need to integrate faith-based initiatives and religious leaders into efforts to transform attitude formation and general social behavior. This is a wide-ranging and multi-layered examination of the role of religion in gender-based violence and immigration. As such, it will be of keen interest to academics working in religious studies, gender studies, politics, and ethics.

Power, Gender and Social Change in Africa Raj Bardouille, Margaret Grieco, 2009-03-26. Gender plays a hugely significant and too often under-considered role in predicting how accessible resources such as education, wage-based employment, physical and mental health care, adequate nutrition, and housing will be to an individual or community. According to a 2001 World Bank report titled *Engendering Development Through Gender Equality in Rights, Resources and Voice*, enormous disparities exist between men and women in terms of basic rights and the power to determine the future, both in Africa and around the globe. A better understanding of the links between gender, public policy, and development outcomes would allow for more effective policy formulation and implementation at many levels. This book, through its discussion of the challenges, achievements, and lessons learned in efforts to attain gender equality, sheds light on these important issues. The book contains chapters from an interdisciplinary group of scholars including sociologists, economists, political scientists, scholars of law, anthropologists, historians, and others. The work includes analysis of strategic gender initiatives, case studies, research, and policies, as well as conceptual and theoretical pieces. With its format of ideas, resources, and recorded experiences, as well as theoretical models and best practices, the book is an important contribution to academic and political discourse on the intricate links between gender, power, and social change in Africa and around the world.

Human Rights after 75 Years of the Universal Declaration of Human Rights

,2024-07-29 This book aims to contribute to the global observance of the 75th anniversary of the Universal Declaration of Human Rights UDHR 1948 It considers nature and development of international human rights law It considers how human rights interact with other regimes such as intellectual property foreign direct investment corporate social responsibility international environmental law humanitarian law refugee law economic law and criminal law The book then presents human rights of vulnerable populations and sets out contemporary challenges and issues relating to human rights such as globalisation the effects of COVID 19 religion nationality and the implementation of economic social and cultural rights

Gender Equity in Health Gita Sen, Pirooska Östlin, 2009-10-16 This volume brings together experts from a variety of disciplines such as medicine biology sociology epidemiology anthropology economics and political science who focus on three areas health disparities and inequity due to gender the specific problems women face in meeting the highest attainable standards of health and the policies and actions that can address them Highlighting the importance of intersecting social hierarchies e g gender class and ethnicity for understanding health inequities and their implications for health policy contributors detail and recommend policy approaches and agendas that incorporate but go beyond commonly acknowledged issues relating to women's health and gender equity in health

Reproductive Disruptions Marcia C. Inhorn, 2007-10-01 Nominated for the 2007 Book Prize by the Council on Anthropology and Reproduction AAA Reproductive disruptions such as infertility pregnancy loss adoption and childhood disability are among the most distressing experiences in people's lives Based on research by leading medical anthropologists from around the world this book examines such issues as local practices detrimental to safe pregnancy and birth conflicting reproductive goals between women and men miscommunications between pregnant women and their genetic counselors cultural anxieties over gamete donation and adoption the contested meanings of abortion cultural critiques of hormone replacement therapy and the globalization of new pharmaceutical and assisted reproductive technologies This breadth with its explicit move from the local to the global from the realm of everyday reproductive practice to international programs and policies illuminates most effectively the workings of power the tensions between women's and men's reproductive agency and various cultural and structural inequalities in reproductive health

The Judgment of Culture Lawrence Rosen, 2017-08-09 Legal systems do not operate in isolation but in complex cultural contexts This original and thought provoking volume considers how cultural assumptions are built into American legal decision making drawing on a series of case studies to demonstrate the range of ways courts express their understanding of human nature social relationships and the sense of orderliness that cultural schemes purport to offer Unpacking issues such as native heritage male circumcision and natural law Rosen provides fresh insight into socio legal studies drawing on his extensive experience as both an anthropologist and a law professional to provide a unique perspective on the important issue of law and cultural practice The Judgment of Culture will make informative reading for students and scholars of anthropology law and related subjects across the social sciences

Body, Migration, Re/constructive Surgeries

Gabriele Griffin, Malin Jordal, 2018-10-03 Bringing together an international range of case studies and interviews with individuals who have had genital reconstruction Body Migration Reconstructive Surgeries explores the socio cultural meanings of clitoral reconstruction following female genital cutting FGC hymen reconstruction trans and intersex bodily interventions and cosmetic surgery Drawing critical attention to how decisions around such surgeries are affected by social economic and regulatory contexts that change over time and across spaces it raises questions such as How are bodies genderized through surgical interventions How do such interventions express cultural context How do women who have experienced female genital cutting respond to opportunities for clitoral reconstruction How do female to male FtM trans people decide on how and where to undertake body modifications What roles do cultural expectations and official regulations play in how people decide to have their bodies modified Suggesting that conventional gender binaries are no longer adequate to understanding the quest for bodily interventions this insightful volume seeks to give a greater voice to those engaged in gender body modification It will appeal to students and postdoctoral researchers interested in fields such as Gender Studies Social Studies Sexuality Studies and Cultural Studies Women and New and Africana Religions Lillian Ashcraft-Eason, Darnise Martin, Oyeronke Olademo, 2009-10-27 This volume explores the lives of women around the world from the perspective of the New and Africana faiths they practice This probing and thought provoking series of essays brings together in one volume the multifaceted experiences of women in the New and Africana religions as practiced today With this work religion becomes a lens for examining the lives of women of diverse ethnicities and nationalities across the social spectrum In Women and New and Africana Religions readers hear from women from a number of religious spiritual persuasions around the world including Africa Asia the Caribbean South America and North America These voices form the core of remarkable explorations of family and environment social and spiritual empowerment sexuality and power and ways in which worldview informs roles in religion and society Each essay includes scene setting historical and social background information and fascinating insights from renowned scholars sharing their own research and firsthand experiences with their subjects *Gender, Religion and Diversity* Ursula King, Tina Beattie, 2005-12-01 Gender Religion and Diversity provides an introduction to some of the most challenging perspectives in the contemporary study of gender and religion In recent years women's and gender studies have transformed the international study of religion through the use of interdisciplinary and cross cultural methodologies which have opened up new and highly controversial issues challenging previous paradigms and creating fresh fields of study As this book shows gender studies in religion raises new and difficult questions about the gendered nature of religious phenomena the relationship between power and knowledge the authority of religious texts and institutions and the involvement and responsibility of the researcher undertaking such studies as a gendered subject This book is the outcome of an international collaboration between a wide range of researchers from different countries and fields of religious studies The range and diversity of their contributions is the very strength of this book for it shows how gendering

works in studying different religious materials whether foundational texts from the Bible or Koran philosophical ideas about truth essentialism history or symbolism the impact of French feminist thinkers such as Irigaray or Kristeva or again critical perspectives dealing with the impact of race gender and class on religion or by deconstructing religious data from a postcolonial critical standpoint or examining the impact of imperialism and orientalism on religion and gender

Women's Global Health and Human Rights Padmini Murthy, Clyde Lanford Smith, 2010-10-25 *Women's Global Health and Human Rights* serves as an overview of the challenges faced by women in different regions of the world Ideal as a tool for both professionals and students this book discusses the similarities and differences in health and human rights challenges that are faced by women globally Best practices and success stories are also included in this timely and important text Major Topics include X Globalization X Gender Based Terrorism and Violence X Cultural Practices X Health Problems X Progress and Challenges

Paternalism Beyond Borders Michael N. Barnett, 2017 This book asks how we understand the relationship between ethics and power in humanitarian action

Human Rights Cindy Holder, David Reidy, 2013-05-23 This volume addresses the philosophical and theoretical ramifications of human rights and challenges made to them

Female Circumcision Controversy An Anthropological Perspective Introduction

In the digital age, access to information has become easier than ever before. The ability to download Female Circumcision Controversy An Anthropological Perspective has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Female Circumcision Controversy An Anthropological Perspective has opened up a world of possibilities. Downloading Female Circumcision Controversy An Anthropological Perspective provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Female Circumcision Controversy An Anthropological Perspective has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Female Circumcision Controversy An Anthropological Perspective. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Female Circumcision Controversy An Anthropological Perspective. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Female Circumcision Controversy An Anthropological Perspective, users should also consider the potential security risks associated with online platforms.

Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Female Circumcision Controversy An Anthropological Perspective has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Female Circumcision Controversy An Anthropological Perspective Books

1. Where can I buy Female Circumcision Controversy An Anthropological Perspective books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Female Circumcision Controversy An Anthropological Perspective book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
