Peck,2007 Publisher Description **Resources in Education** ,1998 [National Union Catalog](#) ,1979 **National union catalog, 1978** Library of Congress,1978 **The Gendered Society** Michael S. Kimmel,2017 The sixth edition of The Gendered Society explores current thinking about gender both inside academia and in our everyday lives Michael Kimmel challenges the claim that gender is limited to women s experiences his compelling and balanced study of gender includes both masculine and feminine perspectives Kimmel makes three bold and persuasive

statements about gender First he demonstrates that gender differences are often extremely exaggerated in fact he argues that men and women have much more in common than we think they do Kimmel also challenges the pop psychologists who suggest that gender difference is the cause of inequality between the sexes instead he reveals that the reverse is true gender inequality itself is the cause of the differences between men and women Finally he illustrates that gender is not merely an element of individual identity but a socially constructed institutional phenomenon
