James,1994-06-01 This is another in a series of books on the family By the author of The Christian Father s Present to His Children this is James book on raising a godly daughter He deals with early piety the elevation of women by the gospel the importance of personal religion how to be a good wife mother This is a book every parent should read to their daughters Here is a book that girls should read to know what to become boys should read to know what to look for There is a foreword by Mrs Edna Gerstner Female Piety John Angel James,2014-03 This Is A New Release Of The Original 1853 Edition

for her aid in assisting us to reach that blissful state or amid the torments of unutterable woe in another region we shall deplore the fatality of her influence This work was delivered originally in a course of monthly sermons to which I was led by a conviction that woman as regards her specific duties is too much neglected in the ministry of the church an omission which must be traced to a morbid delicacy unworthy of the pulpit Happily this reproach does not appertain to the press to which perhaps in the opinion of some this subject ought to be exclusively consigned But why Can any good and valid reason be assigned for shutting out from the house of God instructions to so important a class of the community Many people almost instinctively shrink from such addresses from a fear lest matters should be introduced at which modesty would blush and by which the finer sensibilities would be wounded There is a prudishness in such feelings which can be justified neither by reason nor revelation It may be as well to announce in the opening chapter that the whole course will be of a decidedly religious nature For all the general directions and excellences of female character I shall refer to the various works which on these topics have issued from the press My subject is religion my object is the soul my aim is salvation I view you my female friends as destined to another world and it is my business to aid and stimulate you by patient continuance in well doing to seek for glory honor and immortality and to obtain eternal life I look beyond the painted and gaudy scene of earth s fading vanities to the everlasting ages through which you must exist in torment or bliss and God helping me it shall not be my fault if you do not live in comfort die in peace and inherit salvation
