Female Sex Offenders What Therapists Law Enforcement And Child Protective Services Need To Know

Eric W. Hickey

Female Sex Offenders What Therapists Law Enforcement And Child Protective Services Need To Know:

Female Sex Offenders Julia Hislop, 2001 This book organizes existing knowledge on female sexual abusers explores their backgrounds methods of abuse and the impact on victims It begins with a fictional account of the development of a girl into an offender based on actual experiences described by female sex offenders to researchers and therapists Subsequent chapters discuss the incidence of female sexual offending and social reluctance to recognize it and the treatment options for offenders

The Oxford Handbook of Sex Offences and Sex Offenders Teela Sanders, 2017 The Oxford Handbook on Sex Offenses and Sex Offenders provides comprehensive even handed analysis of the myriad of topics related to sex offenses including pornography sex trafficking criminal justice responses and the role of social media in sex crimes Extending beyond the existing scholarly research on the topic this volume teases out the key debates controversies and challenges involved in addressing sex crimes

Female Sexual Offenders Theresa A. Gannon, Franca Cortoni, 2010-10-28 Featuring a collection of essays by leading experts *Female Sexual Offenders Theory Assessment and Treatment* is the first book to bring together current research clinical assessment and treatment techniques of female sexual offenders into one accessible volume Describes the most recent research data regarding female sexual offenders covering such issues as female perpetrated sexual abuse prevalence and juvenile offenders Includes an assessment of the risk of recidivism international treatment initiatives and a discussion on the use of the polygraph with female sexual offenders Features practitioner focused essays which evaluate current assessment strategies treatment needs effectiveness and processes for female sexual offenders

How to Work with Sex Offenders Rudy Flora, Michael L. Keohane, 2013-06-19 *How to Work with Sex Offenders* is a cutting edge state of the art book that provides mental health professionals best practice techniques on how to clinically evaluate interview and treat this challenging patient population Successful models of individual family and group models of psychotherapy are provided for the reader In addition this handbook walks the reader through the investigation arrest prosecution and court hearing process from start to finish Thoroughly revised this new edition builds on additional research data and new information adding advanced chapters on female offenders Internet offenders pornography sexual addiction rape and child and adolescent sexual misconduct This is a must read work for undergraduate and graduate students law enforcement officers prosecutors judges child protection service workers therapists and other professionals who work with sex offenders

The Wiley Handbook on What Works with Girls and Women in Conflict with the Law Shelley L. Brown, Loraine Gelsthorpe, 2022-03-14 *The Wiley Handbook on What Works with Girls and Women in Conflict with the Law* The most practical discussion of the rehabilitation of girls and women in conflict with the law in the correctional arena *What Works with Girls and Women in Conflict with the Law* is the leading examination of evidence based practice in the field of gender responsive corrections Adopting an international and intersectional approach the distinguished authors seek to collect the best available data and thinking on what works with girls and women and apply it to the real world problems

facing correctional systems today As part of its contextual and rich approach to the subject What Works with girls and women in conflict with the law covers a broad variety of topics ranging from theories of female involvement in crime security classification and risk assessment evidence based treatment and supervision approaches special populations such as Indigenous women to legal policy developments in the field of gender responsive corrections Perfect for students and practitioners in the field of psychology criminology social work criminal justice and corrections this is the only reference of its kind to focus on the practical applications of the latest theory **True Stories of CSI** Katherine Ramsland,2008-09-02 The bestselling forensic psychologist examines the true crimes that inspired the television smash hit C S I Katherine Ramsland follows the evidence and revisits some of the most absorbing episodes of the phenomenally popular C S I television franchise and explores the real life crimes that inspired them She also looks into the authenticity of the forensic investigations recreated for the dramatizations and the painstaking real life forensic process employed in every one of the actual cases from notorious mass murderer Richard Speck to the massacre of Buddhist monks in an Arizona Temple to a baffling case of apparent spontaneous combustion 2009 Writer's Market Listings Robert Brewer,2008-06-01 For 88 years Writer s Market has given fiction and nonfiction writers the information they need to sell their work from completely up to date listings to exclusive interviews with successful writers The 2009 edition provides all this and more with over 3 500 listings for book publishers magazines and literary agents in addition to a completely updated freelance rate chart In addition to the thousands of market listings you ll find up to date information on becoming a successful freelancer covering everything from writing query letters to launching a freelance business and more **From Teacher to Lover** Tara Star Johnson,2008 In the decade since Mary Kay Letourneau s infamous liaison with her sixth grade student was exposed the reporting of sexual misconduct cases among teachers has proliferated The amount of media attention to women teachers in particular has increased because the public is titillated and baffled by such cases of aberrant female sexuality This is a qualitative case study of two high school English teachers Hannah and Kim who each had a sexual relationship with a student Their cases are examined along with those of Letourneau and Heather Ingram two headline heavy teachers whose backgrounds and patterns of behavior within the relationships are similar to Hannah s and Kim s Without judging or sympathizing this book elucidates the process by which these women crossed the ethical and professional line from teacher to lover Teacher educators concerned about raising issues of gender sexuality and embodiment in their classes will find this a thorny but compelling text for generating dialogue about the taboo topic of bodies in education **Mental Disability, Violence, and Future Dangerousness** John Weston Parry,2013-09-26 When horrific acts of violence take place events such as massacres in Boston Newtown CT and Aurora CO people want answers Who would commit such a thoughtless act of violence What in their backgrounds could make them so inhumane cruel and evil Often people assume immediately that the perpetrator must have a mental disorder and in some cases that does prove to be the case But the assumption that most people with mental disorders

are violent prone to act out and a threat to others and themselves is clearly erroneous Mental Disability Violence and Future Dangerousness thoroughly documents and explains how and why persons with mental disabilities who are perceived to be a future danger to others the community or themselves have become the most stigmatized abused and mistreated group in America and what should be done to correct the resulting injustices Each year state and federal governments incarcerate deny treatment to and otherwise deprive hundreds of thousands of Americans with mental disabilities of their fundamental rights liberties and freedoms including on occasion their lives based on unreliable and misleading predictions that they are likely to be dangerous in the future Yet due to an exaggerated fear of violence in our society almost no one seems concerned about these injustices which exclusively affect Americans who have been impaired by mental disorders and the lack of treatment especially after they have been abused as children or injured in combat Instead we appear to be oblivious to these injustices or comfortable in allowing them to become worse Here John Weston Parry carefully delineates the mishandling of persons with mental disabilities by the criminal and civil justice systems and illustrates the ways in which we can identify and remedy those injustices

The End of the Sentence Pamela Windham Stewart, Jessica Collier, 2019-01-15 HMP Holloway was the largest women's prison in Europe historically holding numerous infamous female criminals and eliciting intrigue and fascination from the public *The End of the Sentence* Psychotherapy with Female Offenders documents the rich and varied psychotherapeutic work undertaken by dedicated specialists in this intense and often difficult environment where attempts to provide psychological security were often undermined by conflicting ideas of physical security Women commit crime most often in the context of poverty addiction and transgenerational violence or trauma familial cycles of offending and imprisonment which are often overlooked Using personal testimony and case studies and screened through the lens of psychoanalytic theory the book examines the enduring therapeutic and relational endeavour to find connection closure and to experience a good enough ending with prisoners when the possibility of a positive new beginning often seemed remote It also considers how the cultural and political discourse remains hostile towards women who are incarcerated and how this may have culminated in the closure of the only female prison in London Through insightful real life accounts this insightful book also emphasizes the importance of professionals finding ways of supporting one another to offer women who have entered the criminal justice system a way to leave it It will prove fascinating reading for forensic psychotherapists forensic psychologists and criminologists as well as anything interested in the criminal justice system

Sex-Offender Therapy Rudy Flora, 2014-05-22 Groundbreaking information for treating sex offenders Sexual abuse sexual addiction and sexual offending have become a significant clinical problem Successfully treating these disorders is the first step toward preventing future victims Sex Offender Therapy is a practical workbook for clinicians who deal with sexually aggressive adults adolescents and children This invaluable professional resource focuses on how to treat patients male and female impaired by sexual addiction sexual disorders sex offending and other sexual misconduct behaviors Designed as an accessible step by

Perceptions of Female Offenders Brenda Russell, 2012-12-09 Female offenders are often perceived as victims who commit crimes as a self defense mechanism or as criminal deviants whose actions strayed from typical womanly behavior Such cultural norms for violence exist in our gendered society and there has been scholarly debate about how male and female offenders are perceived and how this perception leads to differential treatment in the criminal justice system This debate is primarily based upon theories associated with stereotypes and social norms and how these prescriptive norms can influence both public and criminal justice response Scholars in psychology sociology and criminology have found that female offenders are perceived differently than male offenders and this ultimately leads to differential treatment in the criminal justice system This interdisciplinary book provides an evidence based approach of how female

offenders are perceived in society and how this translates to differential treatment within the criminal justice system and explores the ramifications of such differences. Quite often perceptions of female offenders are at odds with research findings. This book will provide a comprehensive evidence based review of the research that is valuable to laypersons, researchers, practitioners, advocates, treatment providers, lawyers, judges, and anyone interested in equality in the criminal justice system.

Child Abuse, Gender and Society Jackie Turton, 2007-11-21. Traditionally, child sexual abuse has been perceived as a male crime; however, recent research suggests that a significant minority of offenders are female. While recognizing the importance of male perpetrators, this groundbreaking book places the behavior of these offending women into social context, challenging conventional perceptions of female offenders, femininity, and mothering. Including case studies and responses from professionals in the field, this key text highlights the problems inherent in protecting children and identifies ways in which we can develop a clearer understanding of the social processes involved through an analysis of the denial and minimisation used by female perpetrators. It offers a critical understanding of the notions of harm, the rights of the child, and professional practice while defining some of the limitations and possibilities of a feminist analysis of child sexual abuse by women. *The Wiley Handbook on the Theories, Assessment and Treatment of Sexual Offending* Douglas P. Boer, 2016-11-14. The Wiley Handbook on the Theories, Assessment and Treatment of Sexual Offending is a three volume collection of up to date readings contributed by international experts relating to the assessment, intervention, and theoretical foundations of sexual offending. Includes in depth and up to date assessment and treatment approaches for adult male, female, juvenile, and cognitively impaired offenders. Features contributions by leading experts in each specialized field from around the world including Bill Marshall, Bill Lindsay, and Tony Ward. Offers cutting edge theories of sexual offending including the latest multifactorial and single factor theories.
