Perfect for fans of Janet Evanovich, Jennifer Crusie and Katie MacAlister, Elise Sax's wickedly funny Matchmaker series proves that the road to love comes with a few dead ends. Five months have passed since Gladie Burger came to Cannes, California, to join her eccentric Grandma Zelda in the family matchmaking business, and Gladie is quickly mastering the rules of attraction. Her latest fix-up is still going strong, and Gladie's bank account is back in the black until a rival matchmaker arrives in town and has both Gladie and Zelda seeing red. Not only is self-proclaimed psychic Luanda Laughing Eagle stealing Grandma Zelda's clients, but Zelda is convinced that Luanda's ESP is total BS. She tasks Gladie with exposing Luanda as a fraud, but Gladie's attention is diverted when murder comes calling. Spencer Bolton, the gorgeous chief of police, and Gladie's on-again-off-again flame wants her to stay out of the investigation and away from the deliciously chiseled detective who also aims to win Gladie's heart. But the one thing Gladie's learned is that in business, love, and murder, it's always personal. Praise for Elise Sax and Love Game: Elise Sax will win your heart. New York Times bestselling author Jill Shalvis: There's plenty for fans to enjoy in Sax's third Matchmaker installment, complete with energetic narration, zany humor, and a mystery that's as engaging as the details of Gladie's love life. There are some exciting twists and turns here from the explosive opening, literally, to the final surprise that will keep expectations high for future installments. RT Book Reviews: Filled with fun sexiness and characters who are not afraid to go after the things they want in life. It's not often I read something so full of irony and sarcasm, but that also has that special brand of humor that makes me chuckle while I'm reading. Unconventional Book Reviews: Elise Sax will make you laugh. Her larger-than-life characters jump off the page and make crazy seem like a fun place to hang out. Emotional Structure, Creating the Story Beneath the Plot Peter Dunne,2007 The leap from concept to final draft is great and the task is filled with hard work and horrors It is here that most writers struggle to get the plot right at the expense of the story s real power The result is a script that is logical in every way yet unmoving Emotional Structure by Emmy and Peabody Award winning producer writer and teacher Peter Dunne is for these times when the plot fits nicely into place like pieces in a puzzle yet an elemental terribly important something remains missing The missing piece won t be found by adding action you can t stir the soul with a car chase And the problem won t be helped by a change of location the only location that matters is deep in your protagonist The solution is to pay constant attention to the inseparable nature of plot development and emotional development When you create any scene whether it s a police pursuit on the interstate or a heart to heart in the kitchen the emotional reasoning behind the scene has to be evident When you develop the emotional current that sustains the action you create a scene with heart and soul and you and your viewers are going to feel the passion
