

# Psychoanalytic Feminism

---

- Nancy Chodorow, Juliet Mitchell, Jane Gallop, Kaja Silverman, Toril Moi
- Argues that the Freudian tradition, especially in its most recent formations, provides the best framework for understanding how language shapes subjectivity and gender definitions. Draws on moments in Freud's work where he analyzes traditional heterosexuality and gender roles as arbitrary rather than "natural."

## **Feminism And Psychoanalytic Theory:**

*Feminism and Psychoanalytic Theory* Nancy J. Chodorow, 1989-01-01      *Feminism and Psychoanalytic Theory* Nancy Chodorow, 1989-01-01 Essays discuss the relations among gender self and society the significance of women's mothering for gender personality and gender relations and how the psychodynamics of gender create and sustain individualism

**Femininities, Masculinities, Sexualities** Nancy J. Chodorow, 2014-04-23 The author of *The Reproduction of Mothering* examines the problems with how psychoanalysis views sexuality and gender Nancy J Chodorow takes her fellow psychoanalysts to task for their monolithic and pathologizing accounts of deviant gender and sexuality Drawing from her own clinical experience the work of Freud and a close reading of psychoanalytic texts Chodorow argues that psychoanalysis has yet to disentangle male dominance from heterosexuality Further she demonstrates the paucity of psychoanalytic understanding of heterosexuality and the problematic polarizing of normal and abnormal sexualities By returning to Freud and interpreting psychoanalysis through clinical eyes Chodorow contends that psychoanalysis must consider individual specificity and personal cultural and social factors Such a methodology entails a plurality of femininities and masculinities and enables us to understand a variety of sexualities Praise for *Femininities Masculinities Sexualities* Raises challenging questions but makes no easy answers *Psychoanalytic Quarterly* Chodorow's convincing analysis leads us to wonder whether it is any longer useful to think in terms of a normative boy and girl man and woman father and mother and heterosexual and homosexual Sally Moskowitz Chodorow helps us through the dense riches of Freud's writing signposting his scattered but significant moments of empathy with women's subjective experience even as she takes apart his objectified masculine images *The Women's Review of Books* A provocative reminder that these are complex issues and that humans with their capacity for individual variation are complicated subjects *Kirkus Reviews*      *Lesbians, Feminism, and Psychoanalysis* Judith Glassgold, Suzanne Iasenza, 2014-01-09 Get a feminist perspective on important changes in psychoanalysis *Lesbians Feminism and Psychoanalysis The Second Wave* examines recent changes in psychoanalysis that have opened the door for new perspectives on same sex desire Authors from a variety of disciplines and theoretical orientations combine feminism with psychoanalytic and postmodern theories to celebrate diversity in gender and sexual experience This collection of lesbian affirmative writings addresses transference and countertransference gender subjectivities privilege and racism therapist homophobia and violence in lesbian relationships In the past decade psychoanalysis has undergone changes in clinical theory that have led to views on human sexuality that are less focused on what is normal and therapy practices that resist attempts to fit individuals into prescribed developmental models *Lesbians Feminism and Psychoanalysis* presents a variety of backgrounds psychiatry psychology and social work analytic training formal institute training study groups supervision and theoretical perspectives self psychology object relations relational psychoanalysis feminist theory queer theory postmodernism Lacanian theory unified by the healing power of psychoanalytically informed theory and practice The book is

divided into three sections Community Personal and Political Ongoing Clinical Issues and New Thinking on Sexuality and Gender addressing lesbian tomboy development the queering of relational psychoanalysis how attachment theory and intersubjectivity can contribute to newer gender theory and including interviews with lesbian psychoanalytic foremothers Joanne Spina Lee Crespi and Judy Levitz Dr Darla Bjork s account of her journey to becoming an openly lesbian therapist contrasting views on transference and countertransference from gay and lesbian therapists and much more Lesbians Feminism and Psychoanalysis The Second Wave is an essential practical resource for clinicians and a vital classroom tool for academics working in psychology social work psychoanalysis gender and women s studies queer studies and lesbian and gay studies *Between Feminism and Psychoanalysis* Teresa Brennan,2002-03-11 In this landmark collection of original essays outstanding feminist critics in Britain France and the United States present new perspectives on feminism and psychoanalysis opening out deadlocked debates The discussion ranges widely with contributions from feminists identified with different often opposed views on psychoanalytic criticism The contributors reassess the history of Lacanian psychoanalysis and feminism and explore the significance of its institutional context They write against the received views on French feminism and essentialism A remarkable restatement of current positions within psychoanalysis and feminism the volume as a whole will change the terms of existing debates and make its arguments and concerns more generally accessible

*The Reproduction of Mothering* Nancy J. Chodorow,2023-04-28 When this best seller was published it put the mother daughter relationship and female psychology on the map The Reproduction of Mothering was chosen by Contemporary Sociology as one of the ten most influential books of the past twenty five years With a new preface by the author this updated edition is testament to the formative effect that Nancy Chodorow s work continues to exert on psychoanalysis social science and the humanities This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 2000 When this best seller was published it put the mother daughter relationship and female psychology on the map The Reproduction of Mothering was chosen by Contemporary Sociology as one of the ten most influential books of the past twenty five FEMINISM AND ITS DISCONTENTS Mari Jo BUHLE,2000-11-01 With Sigmund Freud notoriously flummoxed about what women want any encounter between psychoanalysis and feminism would seem to promise a standoff But in this lively often surprising history Mari Jo Buhle reveals that the twentieth century s two great theories of liberation actually had a great deal to tell each other Starting with Freud s 1909 speech to an audience that included the feminist and radical Emma Goldman Buhle recounts all the twists and turns this exchange took in the United States up to the recent American vogue of Jacques Lacan While chronicling the contributions of feminism to the development of psychoanalysis she also makes an intriguing case for the benefits

psychoanalysis brought to feminism From the first American psychoanalysis became the property of freewheeling intellectuals and popularists as well as trained analysts Thus the cultural terrain that Buhle investigates is populated by literary critics artists and filmmakers historians anthropologists and sociologists and the resulting psychoanalysis is not so much a strictly therapeutic theory as an immensely popular form of public discourse She charts the history of feminism from the first wave in the 1910s to the second in the 1960s and into a variety of recent expressions Where these paths meet we see how the ideas of Freud and his followers helped further the real life goals of a feminism that was a widespread social movement and not just an academic phenomenon The marriage between psychoanalysis and feminism was not pure bliss however and Buhle documents the trying moments most notably the Momism of the 1940s and 1950s a remarkable instance of men blaming their own failures of virility on women An ambitious and highly engaging history of ideas *Feminism and Its Discontents* brings together far flung intellectual tendencies rarely seen in intimate relation to each other and shows us a new way of seeing both Table of Contents Introduction Feminism Freudianism and Female Subjectivity Dissent in Freud's Ranks Culture and Feminine Personality Momism and the Flight from Manhood Ladies in the Dark Feminists versus Freud Feminine Self in Relation The Crisis in Patriarchal Authority In the Age of the Vanishing Subject Notes Acknowledgments Index Reviews of this book Where some feminists have been hostile to psychoanalysis and some psychoanalysts have been hostile to feminism Buhle a MacArthur Fellow and professor at Brown University finds them linked in their quest to understand selfhood gender identity family structures and sexual expression *Feminism and Its Discontents* is an excellent guide to the history of these ideas The struggles of feminism and psychoanalysis may be cyclical but they are far from over and far from dull Elaine Showalter Washington Post Book World Reviews of this book Buhle's project is to uncover the continual conversation that feminism and psychoanalysis have had with one another to show how they are mutually constitutive By charting the exchanges between psychoanalysis and feminism *Feminism and Its Discontents* corrects the common impression that feminist criticisms fell on deaf if not disdainful ears Buhle takes pains to detail how feminists and their opponents inside and outside psychoanalysis have set the terms for key debates Buhle is an animated and engaged storyteller The story she tells covering nearly a century of the vicissitudes of psychoanalysis and feminism is full of twists and turns well chosen anecdotes and occasional double crosses The cast of characters is inspiring exasperating remarkable mercurial colorful and sometimes slightly loony Buhle draws them with sympathy and a keen eye for the evocative detail Buhle writes with zest touches of humor and energy Her style is witty and readable It is no mean feat to avoid ponderous and technical language when writing about psychoanalysis but she manages it All told psychoanalysis and feminism sometimes in tandem and sometimes at arm's length have made vital contributions to the question of female selfhood The odd couple of our century they share a large part of the responsibility for our particular form of self consciousness and for the meaning of individuality in modern society Mari Jo Buhle deftly illuminates how together they advanced the ambiguous and radical

project of modern selfhood

Jeanne Marecek Women's Review of Books Reviews of this book Feminism and Its Discontents sets out to unravel the wondrously complex love hate relationships between and within feminism and psychoanalysis which it sees as the two most important movements of modernity The twists and tensions in that relationship highlight the continuous arguments around sexual difference and their entanglement in the messy conflicts in women's lives between motherhood and careers self realization and gender justice Buhle leads her readers through the repeated battles over feminism Freudianism and female subjectivity with exceptional clarity and care Her book will serve as a reliable introduction for those who have scant knowledge of the historical ties binding feminism to psychoanalysis and is also useful for those who wish to remind themselves of what they thought they already knew but may well have forgotten Lynn Segal Radical Philosophy Reviews of this book Feminism and Its Discontents adds a novel and welcome twist to the Freud conversation the proposition that feminism was so central to Freud's Americanization that the quest for gender equality can be credited with turning psychoanalysis into what we imagine it always was an enterprise centered on femininity and female sexuality Buhle's assertions are as enticing as they are controversial The book is as relevant for students of feminist politics as for scholars interested in the history of psychoanalysis itself Ellen Herman Journal of American History Reviews of this book An exhaustively researched and accessibly written account of the intersections and collisions between psychoanalysis and feminism Buhle chronicles the gyrations of history and assesses how social theory influences culture and vice versa The result is far reaching and she is at her best when reflecting on how the mainstream accommodates and interprets the scholarly Overall the text promises a lively overview of the mutual benefits derived from a critical coalition between psychoanalysis and feminism Highly recommended for all libraries Eleanor J Bader Library Journal Reviews of this book Buhle bases her intriguing and expansive historical study on the premise that feminism and psychoanalytic theory each in its own way concerned with understanding the self developed in continuous dialogue with each other The author's captivating energetic writing style reflects the often spirited surprisingly tenacious relationship of these two theories from their emergence as unlikely bedpartners of Modernism through the shifting intellectual patterns of this century and the insidious mother blaming of the 50s to the contemporary postmodern paradigm of subjectivity and selfhood Combining thorough research and incisive analysis Buhle examines the ongoing discourse among Freudian new Freudian and feminist theorists throughout the century as well as the endless fascination of popular culture with the questions of biology versus culture difference versus equality A vital addition to both women's studies and psychology collections Grace Fill Booklist Reviews of this book Feminism and Its Discontents covers a dazzling spectrum of thinkers and polemicists ranging from Charlotte Perkins Gilman to Barbara Ehrenreich with admirable clarity and succinctness Buhle's reach in terms of American and French classical neo and post Freudian writing by men and women on women's psychosexual development is equally impressive Few scholars would attempt a comprehensive intellectual history on such a charged topic Buhle has done so in

this informative scholarly feat Kirkus Reviews Reviews of this book Buhle has bridged the void between feminism and psychoanalysis with a historian's thorough and penetrating interpretation of theories and thoughts implicit in 20th century liberation movements The introduction is clearly developed and carefully documented Each chapter is skillfully organized with extensive references and notes to motivate the astute scholar There is no question that Buhle has adeptly used a multidisciplinary approach to present ideas and thoughts that give contemporary feminists and post Freudians another opportunity for dialogue on the terms difference and equality G M Greenberg Choice Feminism and psychoanalysis have each been defining moments of this now fading century and in their tangled relations lie some of its main preoccupations It takes a historian's eye to unravel this story and one with the breadth sympathy insight and wit of Mari Jo Buhle to do it justice Feminism And Its Discontents will undoubtedly stand as the definitive study of the encounter between these two great movements Joel Kovel Bard College author of Red Hun **The Reproduction of Mothering** Nancy Chodorow, 1999-11-02 This text had a major impact on both feminists and psychoanalysts when it was first published and it continues to shape the thinking of analysts and feminists today In Dora's Case Charles Bernheimer, 1990 The Women's Review of Books

From Klein to Kristeva Janice Doane, Devon Hodges, 2025-10-01 Recent feminist and psychoanalytic accounts of mothering have been profoundly shaped by the work of Melanie Klein D W Winnicott Nancy Chodorow and Julia Kristeva Although their work spans many decades these writers share the goal of understanding object relations that is the child's relation to internalized objects most often the mother as the child's first caretaker Doane and Hodges chart the development of mother centered psychoanalysis and its influence on feminist thought in a number of fields and show how the effort to elevate the importance of the mother has become implicated in the current effort to restrict possibilities for women to opportunities associated with hearth and home The authors argue that discussions of the maternal role always exist within an ideological framework in which they are purveyed to particular groups at particular times In our own historical moment ideas of maternal propriety have been vigorously argued as in custody battles where experts debate whether or not individual women are good enough mothers From Klein to Kristeva traces the ways in which object relations accounts of mothering have worked to encourage the view that good enough mothers find their whole self at home What does this view of mothering mean for working women How does it help promote arguments that fetal rights are more important than a mother's own desires By recovering the historical context of object relations theory and closely attending to the language of important theorists Doane and Hodges make visible the extraordinary influence of object relations on the discourses in many fields and demonstrate the power of psychological theory to shape both popular and academic discussions of maternal propriety

*Lesbians, Feminism, and Psychoanalysis* Judith M. Glassgold, Suzanne Iasenza, 2004 Get a feminist perspective on important changes in psychoanalysis Lesbians Feminism and Psychoanalysis The Second Wave examines recent changes in psychoanalysis that have opened the door for new perspectives on same sex desire Authors from a variety of disciplines and

theoretical orientations combine feminism with psychoanalytic and postmodern theories to celebrate diversity in gender and sexual experience This collection of lesbian affirmative writings addresses transference and countertransference gender subjectivities privilege and racism therapist homophobia and violence in lesbian relationships In the past decade psychoanalysis has undergone changes in clinical theory that have led to views on human sexuality that are less focused on what is normal and therapy practices that resist attempts to fit individuals into prescribed developmental models Lesbians Feminism and Psychoanalysis presents a variety of backgrounds psychiatry psychology and social work analytic training formal institute training study groups supervision and theoretical perspectives self psychology object relations relational psychoanalysis feminist theory queer theory postmodernism Lacanian theory unified by the healing power of psychoanalytically informed theory and practice The book is divided into three sections Community Personal and Political Ongoing Clinical Issues and New Thinking on Sexuality and Gender addressing lesbian tomboy development the queering of relational psychoanalysis how attachment theory and intersubjectivity can contribute to newer gender theory and including interviews with lesbian psychoanalytic foremothers Joanne Spina Lee Crespi and Judy Levitz Dr Darla Bjork s account of her journey to becoming an openly lesbian therapist contrasting views on transference and countertransference from gay and lesbian therapists and much more Lesbians Feminism and Psychoanalysis The Second Wave is an essential practical resource for clinicians and a vital classroom tool for academics working in psychology social work psychoanalysis gender and women s studies queer studies and lesbian and gay studies

**Thinking Fragments** Jane Flax, 2023-04-28 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990

**Psychoanalysis and Feminism** Juliet Mitchell, 1974

**The Problem of the Passions** Cynthia Burack, 1995-03-01 Women says conventional wisdom are warm nurturing caregivers with an intrinsically enhanced capacity for attachment and compassion Feminists says the popular image are full of rage devoid of the feelings that are natural to women How have feminists themselves dealt with this dualism and more specifically with the disagreeable passions What has too often been missing from discussions of women s psychology in social theory is an account of women as ambivalent both empathic and enraged loving and hating The Problem of the Passions fills this void Examining the work of such feminist theorists as Carol Gilligan Nancy Chodorow Jessica Benjamin and Dorothy Dinnerstein in a new light Burack argues that feminist social theory can be repaired through attention to the pioneering psychoanalytic work of Melanie Klein Sure to be of interest to feminists psychoanalysts political scientists and social theorists The Problem of the Passions is essential reading for anyone concerned with feminism and questions of identity in social thought

*Feminism and Psychoanalysis* Jane Gallop, 1982-06-24

Gender in Psychoanalytic Space Muriel Dimen, Virginia Goldner, 2010-12-14 About this Book Here is a

book that both creates and illuminates the space where psychoanalysis feminism gender studies and sexualities join A collection of cutting edge work that brims with the excitement of new possibility Dr Sam Gerson Combining clinical psychoanalysis with feminism postmodernism and psychoanalytic theory this pioneering collection represents a major step forward in psychoanalytic gender studies The Daughter's Seduction Jane Gallop,1984 **Psychoanalytic Explorations of What Women Want Today** Margarita Cerejido,Paula L Ellman,Nancy Goodman,2022-05-09 In this book international psychoanalytic writers address the question What do Women Want Today from a variety of lenses bringing into focus the creative resilient forces shown by women in their multiple social and psychological tasks The book reviews classic psychoanalytic theories about the feminine within a new cultural context It challenges hegemonic gender prejudices and discusses new conceptions that do not pathologize different lifestyles and family configurations With chapters by leading international thinkers in the field this book explores how to think about new feminine scenarios gender identities gender dynamics motherhood and desire in light of modern psychoanalytic theories In presenting how these changing contemporary notions of the feminine challenge classic psychoanalytic theory and practice this book will compel both training and experienced analysts to think about new psychoanalytic theories and engage with their own prejudices regarding changing notions of the feminine Offering ideas relevant to psychoanalysis sociology gender studies psychology and activism this book will be of great interest to professionals teachers and students in addition to any with an interest in psychoanalytic theory and women s studies **Freudians And Feminists** Edith Kurzweil,2019-03-04 This book traces the intellectual history of the interaction between feminists and Freudian thought charting the essence of psychoanalytic theories through the years to show specific notions were adapted readapted and discarded by successive generations of feminists Poststructuralism and Critical Theory's Second Generation Alan D. Schrift,2014-09-11 Poststructuralism and Critical Theory s Second Generation analyses the major themes and developments in a period that brought continental philosophy to the forefront of scholarship in a variety of humanities and social science disciplines and that set the agenda for philosophical thought on the continent and elsewhere from the 1960s to the present Focusing on the years 1960 1984 the volume examines the major figures associated with poststructuralism and the second generation of critical theory the two dominant movements that emerged in the 1960s Althusser Foucault Deleuze Derrida Lyotard Irigaray and Habermas Influential thinkers such as Serres Bourdieu and Rorty who are not easily placed in standard histories of the period are also covered Beyond this thematic essays engage with issues as diverse as the Nietzschean legacy the linguistic turn in continental thinking the phenomenological inheritance of Gadamer and Ricoeur the influence of psychoanalysis the emergence of feminist thought and a philosophy of sexual difference the renewal of the critical theory tradition and the importation of continental philosophy into literary theory

### **Feminism And Psychoanalytic Theory Introduction**

In today's digital age, the availability of Feminism And Psychoanalytic Theory books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Feminism And Psychoanalytic Theory books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Feminism And Psychoanalytic Theory books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Feminism And Psychoanalytic Theory versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Feminism And Psychoanalytic Theory books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Feminism And Psychoanalytic Theory books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Feminism And Psychoanalytic Theory books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Feminism And Psychoanalytic Theory books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Feminism And Psychoanalytic Theory books and manuals for download and embark on your journey of knowledge?

### **FAQs About Feminism And Psychoanalytic Theory Books**

1. Where can I buy Feminism And Psychoanalytic Theory books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
