Feminism And The Marxist Movement:

Feminism and the Marxist Movement Mary-Alice Waters,1972 Since the founding of the modern workers movement 150 years ago Marxists have championed the struggle for women s rights and explained the economic roots in class society of women s oppression Photos **Hidden From History** Sheila Rowbotham,1977 In this study of women from the Puritan revolution to the 1930s the author shows how class and sex work and family personal life and social pressures have shaped and hindered women s struggles for equality *Marxism and the Oppression of Women* Lise Vogel,2013-06-03 Nearly thirty years after its initial publication *Marxism and the Oppression of Women* remains an essential contribution to the development of an integrative theory of gender oppression under capitalism Lise Vogel revisits classical Marxian texts tracking analyses of the woman question in socialist theory and drawing on central theoretical categories of Marx s Capital to open up an original theorisation of gender and the social production and reproduction of material life Included in this edition are Vogel s article Domestic Labor Revisited originally published in Science Society in 2000 which extends and clarifies her main theoretical innovations and a new Introduction by Susan Ferguson and David McNally situating Vogel s work in the trajectory of Marxist feminist thought over the past forty years *Marxism and Feminism* Shahrzad Mojab,2015-03-12 Global events from economic crisis to social unrest and militarization disproportionately affect women Yet around the world it is also women who are leading the struggle against oppression and exploitation In light of renewed interest in Marxist theory among many women activists and academics *Marxism and Feminism* presents a contemporary and accessible Marxist feminist analysis on a host of issues It reassesses previous debates and seeks to answer pressing questions of how we should understand the relationship between patriarchy and capitalism and how we can envision a feminist project which emancipates both women and society With contributions from both renowned scholars and new voices *Marxism and Feminism* is set to become the foundational text for modern Marxist feminist thought *The Bloomsbury Companion to Marx* Andrew Pendakis,Imre Szeman,Jeff Diamanti,2018-12-27 There are very few figures in history that have exerted as much and as varied an influence as Karl Marx His work represents an unrivalled intervention into fields as various as philosophy journalism economics history politics and cultural criticism His name is invoked across the political spectrum in connection to revolution and insurrection social justice and economic transformation *The Bloomsbury Companion to Marx* is the definitive reference guide to Marx s life and work Written by an international team of leading Marx scholars the book offers comprehensive coverage of Marx s life and contexts sources influences and encounters key writings major themes and topics and reception and influence The defining feature of this Companion is its attention to the new directions in Marxism that animate the theoretical scientific and political sides of Marx s thought Gender and the growing importance of Marxist feminism is treated as equally important to clarifying Marx today as traditional and diverse categories of critique such as class capital and mode of production Similarly this Companion showcases the methodological and political importance of

Marxism to environmentalist politics Finally the volume examines in detail non European Marxisms demonstrating the centrality of Marxist thought to political movements both within and beyond the global north This book is the ideal research resource for anyone working on Marx and his ideas today and as an entry point if you are approaching Marx s thought for the first time
