Feminist Jurisprudence

Robin West, Cynthia Grant Bowman

Feminist Jurisprudence:

Cases and Materials on Feminist Jurisprudence Mary Becker, 2007 Research Handbook on Feminist Jurisprudence Robin West, Cynthia Grant Bowman, The Research Handbook on Feminist Jurisprudence surveys feminist theoretical understandings of law including liberal and radical feminism as well as socialist relational intersectional post modern and pro sex and queer feminist legal theories Our Lives Before the Law Judith A. Baer, 1999-08-16 According to Judith Baer feminist legal scholarship today does not effectively address the harsh realities of women's lives Feminists have marginalized themselves she argues by withdrawing from mainstream intellectual discourse In *Our Lives Before the Law* Baer thus presents the framework for a new feminist jurisprudence one that would return feminism to relevance by connecting it in fresh and creative ways with liberalism Baer starts from the traditional feminist premise that the legal system has a male bias and must do more to help women combat violence and overcome political economic and social disadvantages She argues however that feminist scholarship has over corrected for this bias By emphasizing the ways in which the system fails women feminists have lost sight of how it can be used to promote women's interests and have made it easy for conventional scholars to ignore legitimate feminist concerns In particular feminists have wrongly linked the genuine flaws of conventional legal theory to its basis in liberalism arguing that liberalism focuses too heavily on individual freedom and not enough on individual responsibility In fact Baer contends liberalism rests on a presumption of personal responsibility and can be used as a powerful intellectual foundation for holding men and male institutions more accountable for their actions The traditional feminist approach Baer writes has led to endless debates about such abstract matters as character differences between men and women and has failed to deal sufficiently with concrete problems with the legal system She thus constructs a new feminist interpretation of three central components of conventional theory equality rights and responsibility through analysis of such pressing legal issues as constitutional interpretation reproductive choice and fetal protection Baer concludes by presenting the outline of what she calls feminist post liberalism an approach to jurisprudence that not only values individual freedoms but also recognizes our responsibility for addressing individuals needs however different those may be for men and women Powerfully and passionately written *Our Lives Before the Law* will have a major impact on the future course of feminist legal scholarship **Introduction to Feminist Jurisprudence** Hilaire Barnett, 1998-09-07 First Published in 1998 Routledge is an imprint of Taylor Francis an informa company **Introduction to Feminist Legal Theory** Martha Chamallas, 1999 This pioneering work is the first student treatise to survey issues such as sex discrimination rape and domestic violence Author Martha Chamallas breaks new ground in reviewing the history of the feminist movement prevalent feminist paradigms and related cultural and political movements INTRODUCTION TO FEMINIST LEGAL THEORY easily accompanies casebooks used in courses on feminist jurisprudence of gender And The law When you review this treatise be sure to notice how Chamallas makes the material accessible through clear concise writing

examines significant feminist paradigms in the historical context of the 1970s equality 1980s difference and 1990s diversity reveals the impact of the law on all aspects of women's lives Beginning with the development of feminist ideologies and progressing to how the law affects women both economically and socially The book covers the three stages of Feminist Legal Theory the Equality Stage 1970s the Difference Stage 1980s the Diversity Stage 1990s For a refreshingly modern and intellectually sound introduction to feminist theory you now have a new resource INTRODUCTION TO FEMINIST THEORY Be sure to examine this groundbreaking treatise before your next course **Sourcebook on Feminist Jurisprudence**

Hilaire Barnett, 2012-10-02 This book is a comprehensive analysis of the relationship between feminist theories and the law and the way in which developments of the former have affected and been affected by the latter The book takes as its starting point a study of women and culture on an international level which demonstrates how religious and cultural influences have been fundamental in establishing contemporary legal and social mores This provides the setting for an investigation into legal and social discrimination and inequality and how this has been addressed by the emergence of feminism A number of critiques and developments are examined Feminist Legal Theory: Foundations D. Kelly Weisberg, 1993 *Feminist Jurisprudence* Frances Schmid Holland, 1996 A reference work devoted to research strategies a definition of feminist jurisprudence and an assessment of the effects that the field is having on the legal system Fully indexed the author has created a comprehensive bibliography on feminist jurisprudence This book is of interest to everyone concerned with the effect of the legal system on women valuable because it appears to be the first bibliography ARBA Feminist Legal Theory Katherine Bartlett, 2018-02-19 This book offers powerful analyses of the relationship between law and gender and new understandings of the limits of and opportunities for legal reform drawn from the experiences of women and from critical perspectives developed within other disciplines *Unspeakable Subjects* Nicola Lacey, 1998-03-19 Topics range from the conceptual framework of modern legal practices to the legal construction of the relations between individual state and community These essays also look at deploying the law as a means of furthering feminist values **Feminist Legal Theory**

Nancy E. Dowd, Michelle S. Jacobs, 2003 Feminist Legal Theory is a groundbreaking collection of feminist work proceeding from the core assumption that the differences among women are essential to feminist analysis Rather than presenting feminist legal theory sequentially with African American feminism or critical race feminism added on at the end the volume thoroughly integrates key readings from non white non middle class and non mainstream writers throughout The volume explores the intersections of race class and gender in such areas as theory family work and economic issues and violence against women Each section of the book begins with an introduction providing context and insights into how the particular pieces included challenge norms and create new paradigms This vibrant challenging collection of work by a broad range of authors represents the cutting edge of feminist theory in concrete applications essential to gender equality Contributors include Patricia Hill Collins Bonnie Thornton Dill Angela P Harris Sylvia A Law Mari Matsuda Martha Minow Esther Ngan

Ling Chow John A. Powell Jenny Rivera and Maxine Baca Zinn *Feminist Legal Theory* (Vol. 2) Frances Olsen, 1995-10 A collection of previously published articles

Legal Feminism Ann Scales, 2006-05-19 The living experience of practice imparts a special vitality to Legal Feminism as does the personal voice. Offers readers a kind of your viewpoint that law students hunger for and that any legal audience appreciates. Elizabeth Rapaport Dickason Professor of Law University of New Mexico A significant and unique contribution to the field of jurisprudence. Links feminist jurisprudence to the central debates and approaches of the jurisprudential field in general and shows how it can serve as a general set of jurisprudential principles that transcend what are usually thought to be its gendered boundaries. Lucinda M. Finley University of Buffalo Law School State University of New York In the late 1970s feminist scholars and activists joined together to build a movement aimed at bringing feminist theory and experiences to the practice and teaching of American law. Three decades later the feminist jurisprudence movement has taken root with courts and legislatures addressing matters of sex and gender inequality and law schools employing feminist and post feminist theory in the classroom. The time is ripe to reflect on the past present and future directions of feminist jurisprudence and there is no better person to do this than Ann Scales. Written by a founding contributor to feminist jurisprudence, *Legal Feminism* situates that movement within the larger context of Western law and philosophy, focusing first on common problem areas of legal theory and decision making and then explaining how feminist jurisprudence can analyze and address these issues in new ways. Throughout Scales draws on legal disputes to show how feminist theory works in the courtroom and other real life arenas. Part personal memoir part primer and part treatise, *Legal Feminism* is a de-jargonized lively account of how feminist jurisprudence can solve traditional legal conflicts and why it matters to anyone committed to building an equitable and progressive society.

A Companion to Philosophy of Law and Legal Theory Dennis Patterson, 2010-01-15 The articles in this new edition of *A Companion to Philosophy of Law and Legal Theory* have been updated throughout and the addition of ten new articles ensures that the volume continues to offer the most up to date coverage of current thinking in legal philosophy. Represents the definitive handbook of philosophy of law and contemporary legal theory invaluable to anyone with an interest in legal philosophy. Now features ten entirely new articles covering the areas of risk regulatory theory methodology overcriminalization intention coercion unjust enrichment the rule of law law and society and Kantian legal philosophy. Essays are written by an international team of leading scholars.

Feminist Legal Theory (Vol. 1) Frances Olsen, 1995-10 A collection of previously published articles

Feminist Legal Theories Karen Maschke, 2013-09-13 Multidisciplinary focus. Surveying many disciplines this anthology brings together an outstanding selection of scholarly articles that examine the profound impact of law on the lives of women in the United States. The themes addressed include the historical political and social contexts of legal issues that have affected women's struggles to obtain equal treatment under the law. The articles are drawn from journals in law political science history women's studies philosophy and education and represent some of the most interesting writing on the subject. The law in theory and practice

Many of the articles bring race social and economic factors into their analyses observing for example that black women poor women and single mothers are treated by the wielders of the power of the law differently than middle class white women Other topics covered include the evolution of women s legal status reproduction rights sexuality and family issues equal employment and educational opportunities domestic violence pornography and sexual exploitation hate speech and feminist legal thought A valuable research and classroom aid this series provides in depth coverage of specific legal issues and takes into account the major legal changes and policies that have had an impact on the lives of American women **Women's**

Law Tove Stang Dahl,1988 **Feminist Jurisprudence, Past and Present** Pasquale De Marco,2025-07-06 Feminist Jurisprudence Past and Present is a comprehensive and up to date overview of the field of feminist jurisprudence This book provides a critical examination of the relationship between law and gender exploring how the law shapes and is shaped by gender Feminist Jurisprudence Past and Present traces the history of feminist jurisprudence from its origins in the women s rights movement to its current status as a vibrant and diverse field of legal scholarship This book examines the major theoretical approaches to feminist jurisprudence including liberal feminism radical feminism socialist feminism critical race feminism and postmodern feminism Feminist Jurisprudence Past and Present also explores the practical applications of feminist jurisprudence in a variety of areas of law including reproductive rights sexual violence economic justice and environmental justice This book provides a comprehensive overview of the current state of feminist jurisprudence and its potential for future development Feminist Jurisprudence Past and Present is an essential resource for anyone interested in the relationship between law and gender This book is written in a clear and accessible style making it suitable for a wide range of readers including students scholars and activists Feminist Jurisprudence Past and Present is a groundbreaking work that will shape the future of feminist jurisprudence This book is a must read for anyone who wants to understand the role of law in society and the ways in which it can be used to promote gender equality Feminist Jurisprudence Past and Present is a timely and important contribution to the field of feminist jurisprudence This book provides a comprehensive and up to date overview of the field and it is essential reading for anyone interested in the relationship between law and gender If you like this book write a review on google books *Feminist Jurisprudence* Cynthia Grant Bowman,2011 This course book introduces students to feminist jurisprudence The first three chapters develop the historical range of feminist theories Subsequent chapters examine topics such as violence reproduction intimate relationships children and education Extensive readings cases and text notes encourage detailed rigorous analysis and critical thinking Feminist Jurisprudence Leslie Friedman Goldstein,1992 a valuable book on a range of feminist theoretical and policy debates especially for the otherwise unpublished Goldstein and Baer articles JOURNAL OF POLITICS

Feminist Jurisprudence Introduction

In the digital age, access to information has become easier than ever before. The ability to download Feminist Jurisprudence has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Feminist Jurisprudence has opened up a world of possibilities. Downloading Feminist Jurisprudence provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Feminist Jurisprudence has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Feminist Jurisprudence. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Feminist Jurisprudence. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Feminist Jurisprudence, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Feminist Jurisprudence has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Feminist Jurisprudence Books

What is a Feminist Jurisprudence PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Feminist Jurisprudence PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Feminist Jurisprudence PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Feminist Jurisprudence PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Feminist Jurisprudence PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection,

editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
