
FEMINIST LEGAL THEORY I: Foundations and Outlooks

PROF. DR. THOMAS W. MÜLLER

Feminist Legal Theory Vol I Foundations And Outlooks

Orly Maya Stern

Feminist Legal Theory Vol I Foundations And Outlooks:

Feminist Legal Theory Frances E. Olsen, 1995 **Feminist Legal Theory (Vol. 1)** Frances Olsen, 1995-10 A collection of previously published articles **Legal Canons** Jack M Balkin, Sanford V Levinson, 2000-08-01 In this collection of enlightening essays legal scholars examine what is and what ought to be canonical in the study of law Every discipline has its canon the set of standard texts approaches examples and stories that form the lingua franca of its practitioners In *Legal Canons* some of today's finest legal minds seek to map out the legal canon and the way in which law is taught today In order to understand how the twin ideas of canons and canonicity operate in law each essay focuses on a particular aspect from contracts and constitutional law to questions of race and gender The ascendancy of law and economics feminism critical race theory and gay legal studies as well as the increasing influence of both rational actor methodology and postmodernism are all scrutinized by the leading scholars in the field A timely and comprehensive volume *Legal Canons* articulates the need for and means to opening the debate on canonicity in legal studies *Home-grown Hate* Abby L. Ferber, 2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company **Historical Dictionary of Feminism** Janet K. Boles, Diane Long Hoeveler, 2004 This Second Edition is an essential resource for librarians scholars and students This succinct handbook includes more than 1 000 entries covering the persons organizations campaigns and court cases goals and achievements and current and future directions of the feminist movement 75 percent of which are new and revised from the first edition This second edition also features a more internationally focused introduction that provides an overview of the history and development of feminism as a movement and as a philosophy Rounding out this new edition are an expanded chronology and an updated bibliography that brings attention to many feminist online resources and periodicals and emphasizes global and third wave feminism both new developments in the field since the publication of the first edition Paying tribute to the struggles of the women and men who have worked to change and to improve the living conditions for women in the world this book promises a comprehensive historical overview for readers of all interest levels **Gender, Conflict and International Humanitarian Law** Orly Maya Stern, 2018-07-27 This book conducts a gendered critique of the principle of distinction in international humanitarian law IHL with a focus on recent conflicts in Africa The principle of distinction is core to IHL and regulates who can and cannot be targeted in armed conflict It states that civilians may not be targeted in attack while combatants and those civilians directly participating in hostilities can be The law defines what it means to be a combatant and a civilian and sets out what behaviour constitutes direct participation Close examination of the origins of the principle reveals that IHL was based on a gendered view of conflict which envisages men as fighters and women as victims of war Problematically this view often does not accord with the reality in new wars today in which women are playing increasingly active roles often forming the backbone of fighting groups and performing functions on which armed groups are highly reliant Using women's participation in new wars in Africa as a study this volume critically examines the

principle through a gendered lens questioning the extent to which the principle serves to protect women in modern conflicts and how it fails them By doing so it questions whether the principle of distinction is suitable to effectively regulate the conduct of hostilities in new wars This book will be of much interest to students of international law gender studies African politics war and conflict studies and international relations Feminist Collections ,1995 Women in Israel Ruth Halperin-Kaddari,2004-01-12 This is a comprehensive overview of discrimination in a state dominated by a patriarchal religious order and brings fresh insights to the efficacy of the law in improving the status of women **The Canon of American Legal Thought** David Kennedy,William W. Fisher III,2018-06-05 This anthology presents for the first time full texts of the twenty most important works of American legal thought since 1890 Drawing on a course the editors teach at Harvard Law School the book traces the rise and evolution of a distinctly American form of legal reasoning These are the articles that have made these authors from Oliver Wendell Holmes Jr to Ronald Coase from Ronald Dworkin to Catherine MacKinnon among the most recognized names in American legal history These authors proposed answers to the classic question What does it mean to think like a lawyer an American lawyer Their answers differed but taken together they form a powerful brief for the existence of a distinct and powerful style of reasoning and of rulership The legal mind is as often critical as constructive however and these texts form a canon of critical thinking a toolbox for resisting and unravelling the arguments of the best legal minds Each article is preceded by a short introduction highlighting the article s main ideas and situating it in the context of its author s broader intellectual projects the scholarly debates of his or her time and the reception the article received Law students and their teachers will benefit from seeing these classic writings in full in the context of their original development For lawyers the collection will take them back to their best days in law school All readers will be struck by the richness the subtlety and the sophistication with which so many of what have become the clichés of everyday legal argument were originally formulated *On Crime, Society, and Responsibility in the work of Nicola Lacey* Iyiola Solanke,2021-03-18 Few contemporary scholars have done more in their work to develop the idea of responsibility than Nicola Lacey She ranks alongside thinkers and writers such as HLA Hart and Antony Honor in developing approaches to understanding responsibility Like these authors the influence of her work has spread beyond academia to change the perception of responsibility amongst practitioners Both Hart and Honor have during their lifetime had volumes dedicated to their work This book does the same for Nicola Lacey marking her ongoing influence and accomplishments in the common law world through a collection of essays by leading international scholars reflecting and interrogating her contribution to understanding criminal responsibility Additionally the book aims to promote the best legal scholarship on responsibility in the common law world and inspire the brightest legal scholars through a collection of essays designed to mark Professor Lacey s ongoing contribution to the understanding of criminal responsibility The role of Professor Lacey s work in this area as well as others cannot be overlooked her scholarship includes not only a prize winning biography of HLA Hart himself but

numerous articles and tomes on the subject culminating with her most recent work *In Search of Criminal Responsibility Ideas Interests and Institutions* OUP 2016 This Festschrift one of few common law publications to pay homage to the erudition of a female jurist can be seen as a continuation of the themes in this book via reflection and interrogation of her work by leading scholars on the topic The Festschrift will therefore not only be a celebration of her work but also an attempt to take forward intellectual engagement with the topic of responsibility by continued engagement with her ideas Each author brings new ideas to bear on her work touching upon important aspects of responsibility that are current in the scholarship categorization frameworks for understanding criminal responsibility and the relationships between them women in criminal law the history of criminal law blameworthiness and ascriptions of responsibility moral responsibility the role of politics and political economy Nicola Lacey is a School Professor of Law Gender and Social Policy From 1998 to 2010 she held a Chair in Criminal Law and Legal Theory at the LSE she returned to the LSE in 2013 after spending three years as Senior Research Fellow at All Souls College and Professor of Criminal Law and Legal Theory at the University of Oxford She has held a number of visiting appointments most recently at Harvard Law School and the Australian National University She is an Honorary Fellow of New College Oxford and University College Oxford and a Fellow of the British Academy In 2011 she was awarded the Hans Sigrist Prize by the University of Bern for outstanding scholarship on the function of the rule of law in late modern societies and in 2018 an Honorary Doctorate by the University of Edinburgh In 2017 she was awarded a CBE for services to Law Justice and Gender Politics

Reproductive Freedom Maja Kirilova Eriksson, 2021-09-27 This is the first book to provide a comprehensive investigation of reproductive freedom in the light of contemporary international law The author discusses reproductive freedom in the context of feminist legal theory international human rights and humanitarian law This holistic approach makes the book unique and enhances its value as a comprehensive resource on the most challenging and contentious issues of our time i e legal abortion medically assisted reproduction surrogate motherhood forced pregnancy during armed conflicts and many others The author's aim is to advance current debates about gender equality and reproductive rights and to deepen the analysis of the legal concepts involved In surveying the international commitment to women's rights and examining critically the way in which international global and regional human rights bodies and ad hoc international tribunals deal with issues pertaining to reproductive freedom and sexual violence this volume makes clear to what extent contemporary international law norms may be used as a tool for change and how they need to be adapted to meet the special needs of girls and women worldwide Finally the book explores what improvements are necessary to prevent and protect adolescents women and men against violation of their reproductive freedom

Baby and Child Heroes in Ancient Greece Corinne Ondine Pache, 2004 *Baby and Child Heroes in Ancient Greece* is the first systematic study of the considerable number of Greek babies and children who became enduring myths objects of worship and the recipients of sacrifice Examining literary pictorial and numismatic representations Pache opens up a vast territory once occupied by

children such as Charila Opheltes Melikertes and the children of Hercules and Medea She argues that the stories songs and sanctuaries honoring these heroes express parental fears and guilt about children s death Jacket **Recovering Subversion** Nivedita Menon,2004 This Book Is About The Relation Between Law And Feminist Politics The Area It Traverses Ranges From Feminist Initiatives On Sexual Harassment To The Parity Movement In France **Women and War Economies** Orly M. Stern,2025-05-14 This pioneering book examines the experiences of women in war economies analyzing their roles as actors perpetrators collaborators and victims of wartime crime Orly Stern rethinks dominant paradigms through a gendered lens underscoring women s impact on and participation in a diverse range of war economy endeavors **Fantasies of Femininity** Jane M. Ussher,1997 In *Fantasies of Femininity* Jane Ussher focuses on unraveling the contradictory visions of feminine sexuality the fact that representations of the definition of woman seethe with sexuality yet for centuries women have been condemned for exploring their own sexual desires In her quest for the sources of feminine representation Ussher interviewed dozens of women as well as some men and combed popular media from *Seventeen* to *Cosmopolitan* and *Dallas* to *Donahue* to identify what shapes women s symbolic images of sex and femininity Ussher argues that women have effectively resisted and subverted these archetypal fantasies of femininity and in the process of so doing reframed the very boundaries of sex In this way she exposes as myth much of what we think we know about woman and about sex **Women's Almanac 2000** Doris Weatherford,2000-06-19 *Women s Almanac 2000* is a first stop reference that combines news issues statistics and a resource directory together with historical information and analysis from both an international and U S perspective No other reference offers this unique combination of information complete with an annotated list of Web sites dozens of photos charts statistics and graphs With acclaimed women s studies author Doris Weatherford as editor in chief and major contributor this is the authoritative source for cutting edge information about women in the United States and throughout the world **Responsible Selves** Kevat Nousiainen,Asa Gunnarsson,Johanna Niemi-Kiesilinen,Karin Lundstrom,2018-12-20 This title was first published in 2001 In the Nordic countries women are considered equal to men Advanced social and economic rights are often given as the explanation for the equality In this volume Nordic feminist legal scholars give a more contradictory image of gender equality The gendered construction of the legal subject and the legal understanding of gender have a two pronged potential both to change and to reproduce gender relations Nordic women have been considered responsible for upholding the gendered social system as responsible selves rather than as individuals engaged in rights discourse The authors claim with examples that the belief in equality has made certain discriminative practices difficult to recognize and conceptualize Also a transformation of the social welfare system puts the collective equality policies to the test *New Books on Women and Feminism* ,1996 **Perempuan & hukum** ,2006 Gender equality for women in legal instruments as implementation of Convention on the Elimination of All Forms of Discrimination against Women in Indonesian legal system **Perempuan Dan Hukum** Achie S. Luhulima,AD Kusumaningtyas,Anita Rahman,Anis Hamim,Brahmanie

Feminist Legal Theory Vol I Foundations And Outlooks Introduction

In today's digital age, the availability of Feminist Legal Theory Vol I Foundations And Outlooks books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Feminist Legal Theory Vol I Foundations And Outlooks books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Feminist Legal Theory Vol I Foundations And Outlooks books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Feminist Legal Theory Vol I Foundations And Outlooks versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Feminist Legal Theory Vol I Foundations And Outlooks books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Feminist Legal Theory Vol I Foundations And Outlooks books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a

nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Feminist Legal Theory Vol I Foundations And Outlooks books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Feminist Legal Theory Vol I Foundations And Outlooks books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Feminist Legal Theory Vol I Foundations And Outlooks books and manuals for download and embark on your journey of knowledge?

FAQs About Feminist Legal Theory Vol I Foundations And Outlooks Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Feminist Legal Theory Vol I

Foundations And Outlooks is one of the best book in our library for free trial. We provide copy of Feminist Legal Theory Vol I Foundations And Outlooks in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Feminist Legal Theory Vol I Foundations And Outlooks. Where to download Feminist Legal Theory Vol I Foundations And Outlooks online for free? Are you looking for Feminist Legal Theory Vol I Foundations And Outlooks PDF? This is definitely going to save you time and cash in something you should think about.
