## **Feminist Hermeneutics:**

**Feminist Interpretation Of The Bible** Silvia Schroer, Sophia Bietenhard, 2004-01-01 Since its origins in the women's liberation movement feminist exegesis has been subject not only to the demand to identify the oppressive functions of biblical texts but also to contribute to the liberation of women What biblical texts can serve this process of liberation for which women under what conditions and in what manner What roles do categories such as woman gender liberation freedom Holy Scripture church and theology play This book originated from a symposium with feminist biblical experts from over twenty countries from five continents It provides a striking and imaginative depiction of the questions central to feminist exegesis and the hermeneutics of liberation It also provides a lively example of the kind of global discussion of the Bible and liberation that can take place among women from around the world Typical of this discussion is the confrontation with questions such as contextuality or the diversity of feminist biblical interpretation whether of theological or non theological nature and clear positions are taken with regard to issues such as the termination of anti Judaism in feminist biblical interpretation or the dangers of neo colonial domination in feminist theological studies

**Bearing Fruit in Due Season** Elizabeth J. Smith, 1999 Bearing Fruit in Due Season calls upon biblical scholars to pay attention to what happens when academic biblical studies meet the worshipping Church It also provides the keys to a treasury of feminist biblical interpretation to enrich both the makers of liturgy and all the people who worship

**Changing Horizons** Elisabeth Schüssler Fiorenza, 2013 Changing Horizons is the second of two volumes highlighting the ways in which Elisabeth Schussler Fiorenza's work constructs a critical feminist theory and praxis of liberation in relation to the biblical text and its legacy and in relation to the theological and ecclesial setting of today Schussler Fiorenza attempts to free both biblical studies and theology from disciplinary constraints and assumptions that have allowed them to acquiesce and even perpetuate forms of oppression from racism and poverty to colonialism and gender equality

**Feminist Interpretation of the Bible** Letty M. Russell, 1985-01-01 Essays discuss women's role in the church the interpretation of Scripture the use of Biblical materials women in the Bible female sexuality battered women and Biblical authority

**Tamar's Tears** Andrew Sloane, 2011-11-14 Evangelical and feminist approaches to Old Testament interpretation often seem to be at odds with each other The authors of this volume argue to the contrary feminist and evangelical interpreters of the Old Testament can enter into a constructive dialogue that will be fruitful to both parties They seek to illustrate this with reference to a number of texts and issues relevant to feminist Old Testament interpretation from an explicitly evangelical point of view In so doing they raise issues that need to be addressed by both evangelical and feminist interpreters of the Old Testament and present an invitation to faithful and fruitful reading of these portions of Scripture

**African Feminist Hermeneutics** Fiedler, Rachel NyaGondwe, Hofmeyr, Johannes W., 2016-12-13 This book has six chapters The first Chapter deals with a brief history on the genesis of African Feminist theologies as an irruption within an

Smith,2015-02-05 I Found God in Me is the first womanist biblical hermeneutics reader In it readers have access in one volume to articles on womanist interpretative theories and theology as well as cutting edge womanist readings of biblical texts by womanist biblical scholars This book is an excellent resource for women of color pastors and seminarians interested in relevant readings of the biblical text as well as scholars and teachers teaching courses in womanist biblical hermeneutics feminist interpretation African American hermeneutics and biblical courses that value diversity and dialogue as crucial to excellent pedagogy *Feminist Hermeneutics* Lalrinawmi Ralte,Evangeline Anderson-Rajkumar,2002 Papers presented at the Feminist Biblical Hermeneutics Workshop held in May 2001 Bangalore India

**Democratizing Biblical Studies** Elisabeth Schüssler Fiorenza,2009-01-01 Schu ssler Fiorenza addresses such questions as What are the educational practices and procedures that are advocated by traditional educational models and how can they be changed What kinds of educational and communicative practices do biblical studies need to develop in order to fashion an emancipatory democratizing rhetorical space and a forum of many voices To envision articulate debate and practice a radical democratic ethos of biblical studies she identifies emerging didactic models that can foster such a radical democratic style of learning Pbk cover

*Feminist Biblical Interpretation in Theological Context* J'annine Jobling,2020-09-10 This title was first published in 2002 The premise of the text is that there is a continuing need for biblical hermeneutic proposals and frameworks which emerge from the fields of both feminism and Christian theology Feminism the author asserts demands not only the plotting of new routes but the restructuring of entire landscapes As such this project since it seeks to develop a feminist theological frame for meaning impinges on and is impacted by innumerable inter relating questions In consequence the scope of the book is necessarily both broad and interdisciplinary The author J annine Jobling uses particular texts and has articulated her own positions in response In this way the embodied practice of thinking in relation is mirrored in the texts produced This has determined the macro structure of the thesis which is based on an analysis of two feminist biblical scholars Elisabeth Schussler Fionenza and Phyllis Trible From this analysis Jobling identifies two primary principles for interpretation

remembrance and destabilization This is a strategy which allows both materialist and post structuralist perspectives to be set into play each of which has vital contributions to make to feminist enterprises The Bible is understood as matrix as a set of discourses which are permeable to and intersect with other cultural discourses The task of feminist interpretation is then to reconstitute the heterogenous biblical matrix in feminist horizons A fundamental tenet of the book is that hermeneutics inhabits particular metaphysical constructs Therefore the argument extends from an interpretation of the Bible to an epistemological framework in which an eschatological hereneutic is recommended to a metaphysical framework which takes eschatology as its structuring principle The author argues that it is eschatology which can provide the resources for an ontological model radically disruptive of a metaphysics of presence and in which it is possible to discern the traces of God From this outermost limit of the author s hermeneutic investigations the text returns to the centre the feminist discursive community and develops a construct that the ekklesia as a feminist deliberative space set oppositionally to structures worldviews and ideologies operates on patriarchal logics The relationship of this imagined community is compared to the Christian Church and scripture ethics and gendered identity within a logic of equity     Sharing Her Word Elisabeth Schüssler Fiorenza,2001-01-01 How can recent advances in biblical studies empower feminist struggles and inspire all Christians to articulate a vision that promotes human dignity justice inclusivity and well being for all In this book Elisabeth Schüssler Fiorenza develops her insights into the study of the Bible She reclaims the work of nineteenth and early twentieth century feminist biblical interpreters And she analyses several intriguing biblical passages to show how the Bible can contribute to the spiritual struggle for a more just world Praise for Sharing Her Word A fresh yet seasoned stock taking of feminist Biblical hermeneutics by one of the leading figures in this field Old Testament Essays 2000     **Encountering Ancient Voices** Corrine L. Carvalho,2006 Designed to get students to read the Bible for themselves this introduction to and overview of the Old Testament draws on the most recent research on the Hebrew scriptures to outline the historical social and cultural contexts out of which the biblical texts were produced From publisher description     **Mercer Dictionary of the Bible** Watson E. Mills,Roger Aubrey Bullard,1990 Jesus Christ in History and Scripture highlights two related bases for the current revolution in Jesus studies 1 a critically chastened world view that is satisfied with provisional results and 2 a creative or poetic use of the sources of study of Jesus     Sexual Politics and Popular Culture Diane Christine Raymond,1990 Almost wherever we look depictions of sexuality both subtle and not so subtle are omnipresent Whatever the medium popular culture representations tell us something about ourselves and about the ideologies of which they are symptomatic These essays examine the strategies of power implicit in popular representations of sexuality The authors scholars in fields such as sociology philosophy biology political science history and English literature eschew rigid disciplinary boundaries     **On the Cutting Edge: The Study of Women in the Biblical World** Elisabeth Schüssler Fiorenza,Jane Schaberg,Alice Bach,Esther Fuchs,2004-01-01 These essays in honor of Professor Elisabeth Schussler Fiorenza come from international feminist scholars

indebted to her ground breaking achievements in the areas of biblical studies feminist thought and social justice The contributors represent a wide variety of backgrounds commitments methodologies talents and interests They are united here by their appreciation for Schussler Fiorenza as a scholar teacher mentor colleague and friend The spectrum is full of vitality with important convergences and intersections It exemplifies what Schussler Fiorenza has called critical collaboration women thinking together and creating together This Festschrift is unique in that it celebrates the work of women in the field On the Cutting Edge is indexed in H W Wilson s Essay and General Literature Index     *The Cambridge Companion to the Gospels* Stephen C. Barton, 2006-11-23 An introduction covering historical theological and ethical aspects of the gospels through the ages     *Searching the Scriptures: A feminist introduction* Elisabeth Schüssler Fiorenza, 1993 This long awaited critical feminist introduction to Scripture underlines the political character of biblical interpretation Yet it does not adopt the conceptual and methodological approach of *The Woman s Bible* seeking rather to be inclusive ecumenical and multicultural

**Faith, Feminism, and the Forum of Scripture** Phyllis A. Bird, 2015-08-24 Faith and feminism unite in these essays to explore the theology of the Hebrew Bible as testimony to the faith of ancient Israel and as a source for Christian theology and ethics Each chapter in *Faith Feminism and the Forum of Scripture* approaches the Bible as a site of theological reflection in which multiple voices are heard in chorus and debate as a forum that invites readers to join the conversation and extend it Acknowledging the patriarchal world of the Bible and the androcentric distortions of its views of both human and divine they identify foundations and directions that point beyond the cultural frames of the texts Individual essays present the possibility of an Old Testament theology that integrates feminist insights and concerns into the full range of theological subjects discuss the theological anthropology of the Hebrew Bible and its root texts in the Genesis creation accounts outline a proposed new understanding of the authority of the Bible consonant with its nature as a historical multivocal and multivalent document and offer a critical and constructive appraisal of the Old Testament s contribution to current debate on the place of homosexual persons and relations in the church     **Bread Not Stone** Elisabeth Schussler Fiorenza, 1995-07-31 This feminist classic explores the ways in which women can read the Christian Bible with full understanding of both its oppressive and its liberating functions In the substantial new Afterword to this edition Elisabeth Schussler Fiorenza situates *Bread Not Stone* in relation to mainstream Biblical scholarship Catholic and Protestant theologies liberation theologies and nineteenth century feminist writings on the Bible
