

RE-READING THE CANON

# FEMINIST INTERPRETATIONS OF PLATO

EDITED BY NANCY TUANA

# Feminist Interpretations Of Plato

**Kevin Corrigan, Elena Glazov-Corrigan**

## **Feminist Interpretations Of Plato:**

**Feminist Interpretations of Plato** Nancy Tuana, 2010-11-01 The essays in this anthology explore the full spectrum of Plato's philosophy and are representative of the variety of perspectives within feminist criticism. The essays in the first section focus primarily on Plato's social and political theory and in particular the place of women within the state. The second section concentrates on examining the role of the feminine within Plato's metaphysics and epistemology. Tuana introduces both sections and a detailed bibliography is included. [Feminist Interpretations of Hans-Georg Gadamer](#) Lorraine Code, 2010-11-01 Fifteen essays examine the work of German philosopher Hans Georg Gadamer to provide feminist interpretations of his views on science, language, history, literature, and other topics. *In Spite of Plato* Adriana Cavarero, 1995 This pathbreaking work pursues two interwoven themes. Firstly, it engages in a deconstruction of Ancient philosopher's texts, mainly from Plato but also from Homer and Parmenides, in order to free four Greek female figures from the patriarchal discourse which for centuries had imprisoned them in a particular role. Secondly, it attempts to construct a symbolic female order, reinterpreting these figures from a new perspective. Building on the theory of sexual difference, Cavarero shows that death is the central category on which the whole edifice of traditional philosophy is based. By contrast, the category of birth provides the thread with which new concepts of feminist criticism can be woven together to establish a fresh way of thinking. **Feminism and Ancient Philosophy** Julie K. Ward, 1996 This book studies the representation of women in the philosophy of Plato and Aristotle and considers the effect on feminism. *The ^AOxford Handbook of Feminist Philosophy* Ásta, Kim Q. Hall, 2021-05-07 This Handbook offers an overview of the contemporary state of the field in feminist philosophy. The editors' introduction and forty-five essays cover feminist critical engagements with and contributions to philosophy and other scholarly fields, as well as feminist approaches to some of the current and crucial issues known across the world. The volume provides a rigorous but accessible resource for students and scholars interested in diverse approaches within feminist philosophy and how feminist philosophers situate their work within the philosophical mainstream and other disciplines. [Plato's Dialectic at Play](#) Kevin Corrigan, Elena Glazov-Corrigan, 2010-12-31 The Symposium is one of Plato's most accessible dialogues, an engrossing historical document as well as an entertaining literary masterpiece. By uncovering the structural design of the dialogue, Plato's Dialectic at Play aims at revealing a Plato for whom the dialogical form was not merely ornamentation or philosophical methodology but the essence of philosophical exploration. His dialectic is not only argument; it is also play. Careful analysis of each layer of the text leads cumulatively to a picture of the dialogue's underlying structure, related to both argument and myth, and shows that a dynamic link exists between Diotima's higher mysteries and the organization of the dialogue as a whole. On this basis, the authors argue that the Symposium, with its positive theory of art contained in the ascent to the Beautiful, may be viewed as a companion piece to the Republic with its negative critique of the role of art in the context of the Good. Following Nietzsche's suggestion and applying criteria developed by Mikhail Bakhtin

they further argue for seeing the Symposium as the first novel The book concludes with a comprehensive reevaluation of the significance of the Symposium and its place in Plato's thought generally touching on major issues in Platonic scholarship the nature of art the body-soul connection the problem of identity the relationship between mythos and logos Platonic love and the question of authorial writing and the vanishing signature of the absent Plato himself *Platonic Writings/Platonic Readings* Charles L. Griswold Jr., 2010-11-01

**Plato's Dialectic on Woman** Elena Blair, 2012-10-02 With the birth of the feminist movement classicists philosophers educational experts and psychologists all challenged by the question of whether or not Plato was a feminist began to examine Plato's dialogues in search of his conception of woman The possibility arose of a new focus affecting the view of texts written more than two thousand years in the past And yet in spite of the recent surge of interest on woman in Plato no comprehensive work identifying his position on the subject has yet appeared This book considers not only the totality of Plato's texts on woman and the feminine but also their place within both his philosophy and the historical context in which it developed But this book is not merely a textual study situating the subject of woman philosophically and historically it also uncovers the implications hidden in the texts and the relationships that follow from them It draws an image of the Platonic woman as rich and full as the textual and historical information allows offering new and sometimes unexpected results beyond the topic of woman illuminating aspects of Plato's work that are of relevance to Platonic studies in general

**The Oxford Handbook of Plato** Gail Fine, 2019 Plato is the best known and continues to be the most widely studied of all the ancient Greek philosophers The updated and original essays in the second edition of The Oxford Handbook of Plato provide in depth discussions of a variety of topics and dialogues all serving several functions at once they survey the current academic landscape express and develop the authors own views and situate those views within a range of alternatives The result is a useful state of the art reference to the person many consider the most important philosophical thinker in history This second edition of the Oxford Handbook of Plato differs in two main ways from the first edition First six leading scholars of ancient philosophy have contributed entirely new chapters Hugh Benson on the Apology Crito and Euthyphro James Warren on the Protagoras and Gorgias Lindsay Judson on the Meno Luca Castagnoli on the Phaedo Susan Sauvé Meyer on the Laws and David Sedley on Plato's theology This new edition therefore covers both dialogues and topics in more depth than the first edition did Secondly most of the original chapters have been revised and updated some in small others in large ways

**The Oxford Handbook of Plato** Gail Fine, 2008-08-13 Plato is the best known and continues to be the most widely studied of all the ancient Greek philosophers The twenty one commissioned articles in The Oxford Handbook of Plato provide in depth and up to date discussions of a variety of topics and dialogues The result is a useful state of the art reference to the man many consider the most important philosophical thinker in history

**The A to Z of Feminist Philosophy** Catherine Villanueva Gardner, 2009 Having emerged only in the past few decades feminist philosophy is rapidly reevaluating and reshaping most fields of philosophy from ethics to logic and Marxism to

environmentalism It draws not only on feminist philosophers but criticizes approves or appropriates the work of the leading philosophers throughout history The introduction of *The A to Z of Feminist Philosophy* provides a useful overview of the subject while the chronology runs the gamut from ancient Greek to contemporary feminist philosophers Dictionary entries cover both the central figures and ideas from the historical tradition of philosophy as well as ideas and theories from contemporary feminist philosophy such as epistemology and topics like abortion and sexuality In addition to including entries on Aristotle Plato Descartes Kant Wollstonecraft Beauvoir and Daly relevant aspects of other fields of philosophy the major concepts and prevailing interpretations and conjectures are also covered A comprehensive bibliography allows for further reading Book Jacket

*Image and Argument in Plato's Republic* Marina Berzins McCoy, 2020-08-01 Although Plato has long been known as a critic of imagination and its limits Marina Berzins McCoy explores the extent to which images also play an important positive role in Plato's philosophical argumentation She begins by examining the poetic educational context in which Plato is writing and then moves on to the main lines of argument and how they depend upon a variety of uses of the imagination including paradigms analogies models and myths McCoy takes up the paradoxical nature of such key metaphysical images as the divided line and cave on the one hand the cave and divided line explicitly state problems with images and the visible realm On the other hand they are themselves images designed to draw the reader to greater intellectual understanding The author gives a perspectival reading arguing that the human being is always situated in between the transcendence of being and the limits of human perspective Images can enhance our capacity to see intellectually as well as to reimagine ourselves vis vis the timeless and eternal Engaging with a wide range of continental dramatic and Anglo American scholarship on images in Plato McCoy examines the treatment of comedy degenerate regimes the nature of mimesis the myth of Er and the nature of Platonic dialogue itself

**The Platonic Political Art** John R. Wallach, 2015-12-16 In this first comprehensive treatment of Plato's political thought in a long time John Wallach offers a critical historicist interpretation of Plato Wallach shows how Plato's theory while a radical critique of the conventional ethical and political practice of his own era can be seen as having the potential for contributing to democratic discourse about ethics and politics today The author argues that Plato articulates and solves his Socratic Problem in his various dialogues in different but potentially complementary ways The book effectively extracts Plato from the straightjacket of Platonism and from the interpretive perspectives of the past fifty years principally those of Karl Popper Leo Strauss Hannah Arendt M I Finley Jacques Derrida and Gregory Vlastos The author's distinctive approach for understanding Plato and he argues for the history of political theory in general can inform contemporary theorizing about democracy opening pathways for criticizing democracy on behalf of virtue justice and democracy itself

*Plato and the Body* Coleen P. Zoller, 2018-07-11 For centuries it has been the prevailing view that in prioritizing the soul Plato ignores or even abhors the body however in Plato and the Body Coleen P Zoller argues that Plato does value the body and the role it plays in philosophical life focusing on Plato's use of

Socrates as an exemplar Zoller reveals a more refined conception of the ascetic lifestyle epitomized by Socrates in Plato's *Phaedo* *Symposium* *Phaedrus* *Gorgias* and *Republic* Her interpretation illuminates why those who want to be wise and good have reason to be curious about and love the natural world and the bodies in it and has implications for how we understand Plato's metaphysical and political commitments This book shows the relevance of this broader understanding of Plato for work on a variety of relevant contemporary issues including sexual morality poverty wealth inequality and peace **The Republic** Plato, Sir Henry Desmond Pritchard Lee, 2003 A model for the ideal state includes discussion of the nature and application of justice the role of the philosopher in society the goals of education and the effects of art upon character

**Feminist Reflections on the History of Philosophy** Lilli Alanen, Charlotte Witt, 2006-01-17 Feminist work in the history of philosophy has come of age as an innovative field in the history of philosophy This volume marks that accomplishment with original essays by leading feminist scholars who ask basic questions What is distinctive of feminist work in the history of philosophy Is there a method that is distinctive of feminist historical work How can women philosophers be meaningfully included in the history of the discipline Who counts as a philosopher This collection is a unique collaboration among philosophers from North America and the Nordic Countries including papers written from both analytic and continental philosophical perspectives and discussing both ancient and modern philosophers *Feminist Reflections on the History of Philosophy* will be of interest to historians of philosophy feminist theorists women's studies faculty and students and humanists interested in canon formation and transformation *Discovering Feminist Philosophy* Robin May Schott, 2003-09-27 Many people believe that gender equality has been achieved In such a world why dwell on the dualism between the sexes Why separate and therefore marginalize women's scholarship from scholarship as a whole In short why feminist philosophy *Discovering Feminist Philosophy* provides an accessible introduction to the central issues in feminist philosophy At the same time it answers current objections to feminism arguing that in today's world it is as compelling as ever to probe the impact of the dualism of the sexes Therefore feminist perspectives make a vital contribution to the present and future of philosophy Author Robin May Schott also contributes an original perspective on feminist ethics based on her work on war and rape This unique book is equal parts survey viewpoint and scholarship ideal for anyone seeking to understand the current and future role of feminist philosophy *Who Speaks for Plato?* Gerald Alan Press, 2000 These essays examine a crucial premise of traditional readings of Plato's dialogues that Plato's own philosophical dialogues can be read off the statements made in the dialogues by Socrates and other leading characters The text argues that no character should be read as Plato's mouthpiece **Otherwise Than the Binary** Jessica Elbert Decker, Danielle A. Layne, Monica Vilhauer, 2022-07-01 *Otherwise Than the Binary* approaches canonical texts and concepts in Ancient Greek philosophy and culture that have traditionally been understood as examples of binary thinking particularly concerning sexual difference In contrast to such patriarchal logic the essays within this volume explore how many of these seemingly strict binaries in

ancient culture and thought were far more permeable and philosophically nuanced Each contribution asks if there are ways of thinking of antiquity differently namely to examine canonical works through a lens that expounds and even celebrates philosophies of difference so as to discover instances where authors of antiquity valorize and uphold the necessity of what has been seen as feminine foreign and or irrational As contemporary thinkers turn toward new ways of reading antiquity these selected studies will inspire other readings of ancient texts through new feminist methodologies and critical vantage points When examining the philosophers and notable figures of antiquity alongside their overt patriarchal and masculinist agendas readers are invited to rethink their current biases while also questioning how particular ideas and texts are received and read

*Masking the Abject* Mechthild Nagel, 2002-01-01 *Masking the Abject* traces the beginnings of the malediction of play in Western metaphysics to Aristotle Mechthild Nagel's innovative study demonstrates how play has served as a castaway in western philosophical thinking It is considered to be repulsive and loathsome yet also fascinating and desirable The book illustrates how play succeeds and proliferates after Hegel despite its denunciation by classical philosophers entering Marxist phenomenological postmodern and feminist discourses This work provides the reader with a superb analysis of how the distinction between the serious and the playful has developed over time charting play's changing ontological status and ethical and aesthetic dimensions from the logocentric to the bacchanalian

This Engaging World of E-book Books: A Comprehensive Guide Revealing the Advantages of E-book Books: A World of Convenience and Flexibility E-book books, with their inherent portability and simplicity of access, have liberated readers from the limitations of hardcopy books. Done are the days of carrying cumbersome novels or carefully searching for particular titles in bookstores. Kindle devices, sleek and portable, seamlessly store an wide library of books, allowing readers to immerse in their favorite reads whenever, anywhere. Whether traveling on a busy train, lounging on a sun-kissed beach, or just cozying up in bed, E-book books provide an exceptional level of ease. A Reading World Unfolded: Exploring the Wide Array of Kindle Feminist Interpretations Of Plato Feminist Interpretations Of Plato The Kindle Shop, a virtual treasure trove of literary gems, boasts an wide collection of books spanning varied genres, catering to every readers taste and preference. From captivating fiction and mind-stimulating non-fiction to classic classics and contemporary bestsellers, the E-book Shop offers an exceptional variety of titles to discover. Whether seeking escape through immersive tales of fantasy and adventure, diving into the depths of past narratives, or expanding ones understanding with insightful works of scientific and philosophical, the E-book Store provides a gateway to a bookish universe brimming with limitless possibilities. A Revolutionary Force in the Literary Scene: The Enduring Influence of Kindle Books Feminist Interpretations Of Plato The advent of Kindle books has undoubtedly reshaped the bookish scene, introducing a model shift in the way books are released, disseminated, and consumed. Traditional publication houses have embraced the online revolution, adapting their strategies to accommodate the growing need for e-books. This has led to a rise in the availability of E-book titles, ensuring that readers have access to a vast array of bookish works at their fingertips. Moreover, Kindle books have democratized entry to literature, breaking down geographical barriers and offering readers worldwide with equal opportunities to engage with the written word. Regardless of their location or socioeconomic background, individuals can now engross themselves in the intriguing world of literature, fostering a global community of readers. Conclusion: Embracing the Kindle Experience Feminist Interpretations Of Plato E-book books Feminist Interpretations Of Plato, with their inherent ease, versatility, and vast array of titles, have undoubtedly transformed the way we encounter literature. They offer readers the liberty to explore the boundless realm of written expression, whenever, everywhere. As we continue to navigate the ever-evolving online landscape, E-book books stand as testament to the lasting power of storytelling, ensuring that the joy of reading remains accessible to all.

## **Feminist Interpretations Of Plato Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Feminist Interpretations Of Plato has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Feminist Interpretations Of Plato has opened up a world of possibilities. Downloading Feminist Interpretations Of Plato provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate

access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Feminist Interpretations Of Plato has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Feminist Interpretations Of Plato. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Feminist Interpretations Of Plato. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Feminist Interpretations Of Plato, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Feminist Interpretations Of Plato has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Feminist Interpretations Of Plato Books**

**What is a Feminist Interpretations Of Plato PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Feminist Interpretations Of Plato PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file

instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

**How do I edit a Feminist Interpretations Of Plato PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Feminist Interpretations Of Plato PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Feminist Interpretations Of Plato PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
