

# VISION

BY JESSIE B. RITTENHOUSE

I came to the mountains for beauty  
And I find here the toiling folk,  
On sparse little farms in the valleys,  
Wearing their days like a yoke.

White clouds fill the valleys at morning,  
They are round as great billows at sea,  
And roll themselves up to the hill-tops  
Still round as great billows can be.

The mists fill the valleys at evening,  
They are blue as the smoke in the fall,  
And spread all the hills with a tenuous scarf  
That touches the hills not at all.

These lone folk have looked on them daily,  
Yet I see in their faces no light.  
Oh, how can I show them the mountains  
That are round them by day and by night?
