Festival Cookbook Paperback:

The Festival Cookbook Phyllis Pellman Good, 2013-05 The Festival Cookbook celebrates the rich variety of the seasons The recipes it contains demonstrate the earth's bounty In the Springtime try Asparagus Ham Bake Rhubarb Torte and Hot Cross Buns For Summertime there are Sweet Sour Tomatoes and Peaches n Cream Cheese Cake During the Autumn how about Pumpkin Shell Fruit Salad and Apple Dumplings in a Casserole Through the Winter have some Honey Oatmeal Bread and Cranberry Christmas Pudding The Festival Cookbook's recipes are never difficult but always above the ordinary The ingredients are fresh but never hard to find The brightness in these dishes comes from nature itself Make them and the earth's fullness will transfer to your table When the meals call for a special touch or the season sings out for particular attention try these festive dishes Each Festival Cookbook recipe offers a brightness or an extra idea that lifts it above the usual Not because the mixtures are exotic Not because the procedures are delicate and complex But because the fresh ingredients are given unusual preeminence The earth's bounty is celebrated in every combination May you find much warmth and satisfaction in this collection of favorites Festival Cookbook Vimla Patil, 2002 *The Jewish Festival Cookbook* Gertrude Blair, Fannie Engle, 2020-12-30 How this book began It began one day when my mother was making Chanukah latkes I had to stand on tiptoe to see the latkes frying in the oil What magic to see the batter turn to round golden brown pancakes Could I do it Could I turn them I begged my mother and she let me The wonderment of it still lives It began at another time when I had to write a story as a child I wrote about how I loved the Sabbath and our holidays and how sad I was when they were over The book began when I went to college and studied home economics Now is the time I thought to set down my mother's recipes and my aunt's and some of our neighbors My five sisters all wanted copies so that they could really prepare the dishes as Mother made them The book became a reality when Gertrude Blair said Fannie why don't you do a Jewish Festival Cookbook You know of course how much the traditional dishes are in demand around the holidays And I said Why don't we do it together What we have tried to do In this book we have assembled traditional dishes for the important festival seasons of the year We have included also a brief word on the history and significance of each festival so that the colorful customs and traditions that have grown up over the years can be seen as a meaningful part of each holiday Although the book includes recipes from many parts of the world showing the international character of Jewish dishes it is not written as a history of Jewish cooking It is designed to place emphasis on the particular dishes that have a background in the rich customs legends and symbols connected with Jewish life Throughout the book these dishes are placed in their holiday pattern It is truly a guide in preparing and serving the symbolic and traditional special foods and meals eaten during festival times We have intentionally taken the Orthodox Jewish observance as our standard but it is hoped that this book will also be used by Reform and Conservative groups by non Jews by schools by cooks everywhere Le Festival Cookbook Ken Lefebvre, 2021-08-22 In this cookbook you won't find the French cuisine of Paris of puff pastries or delicately plated duck
