

Spanish Fundamentals 1 Grammar

Boost confidence & test scores!

Why Learn Grammar?

Grammar teaches the different types of words in a language and shows rules on how to put words together to form correct sentences. When you speak or write in English, you don't often think about grammar. You know it's correct or not just by the way it sounds or feels. You've developed this thinking about English after having spoken it for many years. When you learn a foreign language, you have to think about grammar and rules! Learning Spanish grammar will help you speak and write in Spanish. It will also help you learn to think more about how sentences are put together in English. So, let's get started! This guide describes the different parts of speech and their uses in Spanish. It also shows the different forms each type of word has in Spanish, such as *ser* & *estar*, *yo* & *tú*, and *un* & *una*.

NOUNS

Nouns name people, animals, places, things, ideas, and feelings.

Gender

All Spanish nouns are either **masculine** or **feminine**.

- Most nouns ending in **-o**, and those referring to males, are **masculine**. Most nouns ending in **-a**, and those referring to females, are **feminine**.

MASCULINE	FEMININE
padre (father)	madre (mother)
libro (book)	pluma (pen)
patio (patio)	eslla (chair)
chico (boy)	chica (girl)
padre (father)	madre (mother)

TIP: Some words end in **-a**, but are **masculine**: problema, clima, sistema, programa, tema, sofá, planeta, and mapa. They come from Greek and have kept the gender they had in that language. Note that all the words are cognates, meaning they look like English words.

- Nouns ending in **-ón** and **-ad** are usually feminine.

FEMININE
televisión (television)
novela (novel)
ciudad (city)
libertad (freedom)

- Some nouns have the same form for both genders.

MASCULINE & FEMININE
artista (male/female artist)
planeta (male/female planet)
cliente (male/female client)

- Some masculine nouns ending in **-o** have a feminine form ending in **-a**.

MASCULINE	FEMININE
perro (male dog)	gata (female cat)
niño (boy)	niña (girl)

- Some masculine nouns ending in a consonant add **-a** to form the feminine.

MASCULINE	FEMININE
doctor (male doctor)	doctora (female doctor)
profesor (male teacher)	profesora (female teacher)
señor (Mr.)	señora (Mrs.)

Number

Spanish nouns can be **singular** or **plural**. Form the plural by adding **-s** to nouns ending in a vowel and **-es** to nouns ending in a consonant. For nouns ending in **-a**, change the **-a** to **-e** before adding **-es**.

SINGULAR	PLURAL
manzana (apple)	manzanas (apples)
mosa (mosaic)	mosaicos (mosaics)
luz (light)	luces (lights)

ARTICLES

Articles introduce nouns, and can be **definite** or **indefinite**.

Definite Article

The **definite article** (the in English) indicates a specific person, place, or thing, and agrees in gender and number with the noun. The definite articles are **el, la, los, las**.

TIP: Learning the article with each new noun will help you remember its gender. Don't practice the word alone—**eslla, lplis, phema**, for example—practice the word with its article: **la eslla, el lplis, la phema**.

The definite article is used with:

- names when speaking about someone:
 - El señor López** is simpático. (Mr. López is nice.)
 - Los doctores Galera y Cano** son españoles. (Doctors Galera and Cano are Spanish.)
- nouns used in a general sense (even when English doesn't use an article):
 - El ciclismo** es divertido. (Cycling is fun.)
 - La honestidad** es importante. (Honesty is important.)

Indefinite Article

The **indefinite article** (a, an, some in English) indicates a nonspecific person, place, or thing, and agrees in gender and number with the noun. The indefinite articles are **un, una, unos, unas**.

The indefinite article:

- is used in the same way that it is used in English.
 - Bebo **una** limonada. (I am drinking a lemonade.)
 - Luisa tiene **unas** papas. (Luisa has some papas.)
- is **not** used before nouns that name professions, unless the nouns are modified by an adjective.
 - El señor Cano es médico. (Mr. Cano is a doctor.)
 - El señor Cano es **un** médico famoso. (Mr. Cano is a famous doctor.)

	MASCULINE	FEMININE
SINGULAR	el libro (the book)	la manzana (the apple)
PLURAL	los libros (the books)	las manzanas (the apples)

- languages, except after the verb **hablar**:
 - Yo estudio **el** español. (I study Spanish.)
 - Yo hablo **inglés**. (I speak English.)
- parts of the body and clothing (when used with a reflexive verb):
 - Señora tiene **los** ojos azules. (Señora has blue eyes.)
 - Marco se pone **el** abrigo. (Marco puts on his coat.)

	MASCULINE	FEMININE
SINGULAR	un libro (a book)	una manzana (an apple)
PLURAL	unos libros (some books)	unas manzanas (some apples)

PRONOUNS

Pronouns replace nouns, and agree with them in gender and number. Four types are **personal**, **demonstrative**, **possessive**, and **reflexive**.

Personal Pronouns

Personal pronouns include **subject**, **direct object**, and **indirect object** pronouns.

Subject pronouns:

- tell **who** is being described or who is doing the action of the verb.
 - Ana y Lugo** son altos. (Ana and Lugo are tall.) → **Ellos** son altos. (They are tall.)
 - Aldo** habla inglés. (Aldo speaks English.) → **Él** habla inglés. (He speaks English.)
- are often omitted since the verb indicates the subject.
 - Hablo español. (I speak Spanish.)
 - ¿Hablas español? (Do you speak Spanish?)
 - No hablas español. (You don't speak Spanish.)
- go before the verb in statements, but after the verb in questions and commands.
 - Yo, yo, yo. (I, I, I.)
 - ¿Hablas español? (Do you speak Spanish?)
 - Habla **usted** más despacio, por favor. (Speak [you] slower, please.)

Fundamentals Of Spanish Grammar

Fundamentals Of Spanish Grammar Introduction

In the digital age, access to information has become easier than ever before. The ability to download Fundamentals Of Spanish Grammar has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Fundamentals Of Spanish Grammar has opened up a world of possibilities. Downloading Fundamentals Of Spanish Grammar provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Fundamentals Of Spanish Grammar has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Fundamentals Of Spanish Grammar. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Fundamentals Of Spanish Grammar. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Fundamentals Of Spanish Grammar, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable

antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Fundamentals Of Spanish Grammar has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Fundamentals Of Spanish Grammar Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Fundamentals Of Spanish Grammar is one of the best book in our library for free trial. We provide copy of Fundamentals Of Spanish Grammar in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Fundamentals Of Spanish Grammar. Where to download Fundamentals Of Spanish Grammar online for free? Are you looking for Fundamentals Of Spanish Grammar PDF? This is definitely going to save you time and cash in something you should think about.
