E. White, Jr., 2014-08-29 The humorous stories that Dr White tells about in this book are all about people in and out of the church and the ups and downs of life in the parsonage Funny things can happen at church and the behavior of some religious people can make you laugh and laugh Behind the humor in this book is often a spiritual truth But this is more than a religious book It is about changing times in North Carolina for three quarters of a century Dr White keeps telling about things he has learned during this time or maybe he is subtly teaching his readers to learn with him what religion is really all about The people in the stories may seem like someone you know in your own church or family The comical stories will entertain you while you ponder their meaning The more serious ones may touch you deeply **A Funny Thing Happened on the Way to Heaven** Corey Taylor, 2013-07-16 Slipknot and Stone Sour singer Corey Taylor s New York Times bestselling journey into the world of ghosts and the supernatural Corey Taylor has seen a lot of unbelievable things However many of his most incredible experiences might just shock you For much of his life the Grammy Award winning singer of Slipknot and Stone Sour and New York Times bestselling author of Seven Deadly Sins has brushed up against the supernatural world Those encounters impacted his own personal evolution just as much as headlining at Castle Donington in front of 100 000 people at Download Festival or debuting at 1 on the Billboard Top 200 Since growing up in Iowa his own curiosity drew him into situations that would ve sent most people screaming scared and running for the hills He s ballsy enough to go into the darkness and deal with the consequences though As a result he s seen ghosts up close and personal whether while combing through an abandoned house in his native Iowa as a child or recording an album in the fabled Houdini Hollywood Hills mansion He s also got the memories and scars to prove it For some reason he can t seem to shake these spectral stories and that brings us to this little tome right here At the same time being an erudite tattooed modern Renaissance Man he was never one for Sunday Service Simply put he s seen ghosts but he hasn t seen Jesus Taylor especially can t find a reason why people do the insane things they do in HIS name That s where everything gets really interesting His second book **A Funny Thing Happened on the Way to Heaven** compiles Taylor s most intimate incredible and insane moments with the supernatural His memories are as vivid as they are vicious As he recounts these stories he questions the validity of religious belief systems and two thousand year old dogma As always his rapid fire writing razor sharp sense of humor unbridled honesty and cozy anecdotes make quite the case for his point You might end up believing him or not That s up to you of course Either way you re in for a hell of a ride **A Funny Thing Happened on My Way to Old Age** Stanley C. **A Funny Thing Happened on the Way to the Closing** Chandler Mason,2019-10-03 Gone are the days where real estate agents were the gatekeepers of knowledge about local real estate In fact potential buyers often know more about a particular property than agents as there is so much information about a property now available on the Internet A buyer is often keyed in on a particular property and agents have to keep track of hundreds or thousands of listings that are constantly changing So why hire a real estate agent Simply upload some pictures and add some basic details and your incredible home will sell itself If you are a buyer just find the coolest home and go to the bank to get a loan Not so fast It has become easier to get your house online to market it to the world however it has become increasingly difficult to keep the deal together and move it along to closing once you have a buyer The real estate agent s job has evolved as it has become increasingly difficult getting from a fully executed sales agreement to being handed the keys at the closing table This book gives 123 issues that can arise once the contract is signed No two deals are alike and there are countless issues that can happen prior to or at the closing table You might be able to find a buyer on your own or pick out a house on your own but chances are getting to the closing table is another story
