Radical Empathy in Multicultural Women's Fiction Lara Narcisi,2023-07-25 Fiction provides the possibility for radical empathy by connecting us with strangers and *Radical Empathy in Multicultural Women's Fiction* From the Library to Liberation both analyzes and embodies this phenomenon by putting women novelists of color in conversation with one another Foregrounding the growing importance of intersectionality studies this book considers how race gender and class interact for each author In our increasingly fragmented national dialogue this approach is unique and timely demonstrating how novels can transform how we understand ourselves and act towards others Each chapter compares a contemporary female author to an earlier canonical author of her ethnic background depicting the dialogues that authors have across the decades Each conversation focuses on an intersectional question How has culturally enforced silence impacted Asian women writers How can the American road trip narrative provide Black men access to their pasts How do poverty and gentrification impact Chicana coming of age stories Finally the book facilitates a dialogue across ethnic categories considering what commonalities all women writers of color share in the contemporary United States and how their conversations can reach and impact readers to take the crucial step from empathy to action in their own communities **Fur, Feathers and Fins** Flo Shaw,2016-11-11 Through the years I have had the privilege of knowing some wonderful dogs and cats bunnies and hamsters goldfish birds cows horses ducks chickens and pigs This book started out as stories for my grandchildren and when it was suggested that others might enjoy reading it the idea took hold and *Fur Feathers and Fins* became a reality All of the stories are true Some may be hard to believe some will make you laugh while others may make you cry If you've ever shared your life with a pet you know the joy they can bring to you and if you've never had a pet I hope you enjoy reading about mine I have enjoyed writing about them remembering each one and shedding a few tears along the way If you decide that you want to bring a fur friend into your family please go to the local animal shelter and give a precious kitten puppy dog or cat the forever home they so deserve **To Die Fur** Dixie Lyle,2025-09-23 Deirdre Foxtrot Lancaster is back With trusted companions Whiskey and Tango she's on the prowl for a brand new predator Deirdre has her hands full as usual Working as a Jill of all trades for a zany billionaire like Zelda Zoransky means the daily grind is closer to a juggling act and this week is
