and tailless airplane configurations and for calculating the divergence dynamic pressure of a swept wing with a large external store A method is also outlined for reducing wind tunnel data to obtain effective aerodynamic coefficients which are free of model flexibility effects The effects of Mach number can readily be evaluated from the aerodynamic coefficients thus obtained     Short Stirling Pino Lombardi,2017-04-21     *Red Moon* Benjamin Percy,2013-05-07 Award winning author Benjamin Percy presents an explosive and deeply layered literary thriller set in the American West They live among us They are our neighbors our mothers our lovers They change When government agents kick down Claire Forrester s front door and murder her parents Claire realizes just how different she is Patrick Gamble was nothing special until the day he got on a plane and hours later stepped off it the only passenger left alive a hero Chase Williams has sworn to protect the people of the United States from the menace in their midst but he is becoming the very thing he has promised to destroy So far the threat has been controlled by laws and violence and drugs But the night of the red moon is coming when an unrecognizable world will emerge and the battle for humanity will begin     *Technical Note* ,1953     **Technical Manual** United States. McLaughlin, 2016-07-13 The arrival of the WWII B 17 bomber at the National Museum of the Mighty Eighth Air Force in January of 2009 initiated a great adventure for a group of warbird lovers from the nearby communities as they united to restore that B 17 The dream of the volunteers was to honor the WWII veterans of the Eighth Air Force some of whom were literally their fathers by restoring the B 17 to its original pristine condition The group was challenged by the fact that the airplane had been in storage for more than two decades following a long working life and was far from the gleaming symbol of power that it had been in 1945 This book is the story of the six year effort by a team of volunteers to overcome the challenges they faced and to fulfill their

dream to create a lasting symbol to honor their fathers and grandfathers and all of the veterans who served in the Mighty Eighth during WWII
