Sell, 2001-12-07 In the twentieth century literature was under threat Not only was there the challenge of new forms of oral and visual culture Even literary education and literary criticism could sometimes actually distance novels poems and plays from their potential audience This is the trend which Roger D Sell now seeks to reverse Arguing that literature can still be a significant and democratic channel of human interactivity he sees the most helpful role of teachers and critics as one of mediation Through their own example they can encourage readers to empathize with otherness to recognize the historical achievement of significant acts of writing and to respond to literary authors own faith in communication itself By way of illustration he offers major re assessments of five canonical figures Vaughan Fielding Dickens T S Eliot and Frost and of two fascinating twentieth century writers who were somewhat misunderstood the novelist William Gerhardie and the poet Andrew Young

Nadel, 2023-11-30 Russia haunted the British cultural imagination throughout the 20th century whether as a romantic source of literary and political inspiration or as a warning of creeping totalitarianism In this new book Ira Nadel charts the story of that influence through the work of some of the key figures in British literature across the century including Joseph Conrad Somerset Maugham Jane Harrison Virginia Woolf and H G Wells Framed by the story of two romantic encounters between Walter Benjamin and the actress Asja Lacis in Moscow in 1926 and between Isaiah Berlin and Anna Akhmatova in 1945 Love and Russian Literature casts a vivid new light on the ways in which responses to Russia shaped the history of British modernism **National Union Catalog** , 1978 *The British National Bibliography* Arthur James Wells, 1974
