Building Feminist Movements and Organizations Lydia Alpízar Durán,Noël D. Payne,Anahi Russo,2013-07-18 The struggle for the advancement of women s rights and gender equality globally is impossible without strong women s organizations and movements to provide leadership and momentum But what does a strong women s organization look like And what does it take to create effective and sustainable women s movements This groundbreaking collection of essays by activists from all corners of the globe explores what it means to be an influential women s organization and what it takes to build the kinds of movements needed to transform women s lives From how to build successful participatory democratic processes and implement shared leadership models to lessons on overcoming internal organizational divisions the case studies in this collection focus not only on the what but also the how of movement building Those concerned with how to effect sustainable change will find not only much food for thought but also an abundance of creative ideas and innovative strategies served up with a uniquely feminist twist

The New Fundraisers Beth Breeze,2017-10-30 Charitable fundraising has become ever more urgent in a time of extensive public spending cuts However while the identity and motivation of those who donate comes under increasingly

close scrutiny little is known about the motivation and characteristics of the askers despite almost every donation being solicited or prompted in some way This is the first empirically grounded and theorised account of the identity characteristics and motivation of fundraisers in the UK Based on original data collected during a 3 year study of over 1 200 fundraisers the book argues that it is not possible to understand charitable giving without accounting for the role of fundraising
