Gifted & Talented Pocketbook Barry

Hymer, 2015-09-16 Gifted and talented education is at a crossroads Turn right and speed off down the motorway only to be frustrated by the rush hour traffic of identification strategies tests labels targets and anxious children Turn left on to the road less travelled and there's no crazed rush to a destination rather a journey during which you can stop off frequently take in the views and enjoy the sensations and experiences that come with a focus on the processes not just the products of learning The Gifted Talented Pocketbook turns left at the crossroads Using cartoons diagrams and visual prompts to support the text it offers teachers a coherent framework for G T education including five learning tools for running classrooms where all pupils are stretched challenged and motivated and where gifts are created and grown not identified and measured The book considers definitions of giftedness whether gifts are caught or taught and whether giftedness is fixed or malleable It highlights the role of intrinsic learning motivation when it comes to achieving high levels of success The GRACE framework Grow Relate Act Challenge Exert offers ideas for lessons implications for policy and explains how to use five learning tools to stimulate considered reflective learning Logo Visual Thinking Philosophy for Children Thinking Actively in a Social Context Dilemma Based Learning and Living Theory Action Research Author Barry Hymer a former teacher and ed psych is now a consultant and trainer in the field of gifted and talented education He is consultant editor of Gifted Education International and a visiting fellow at Newcastle University's Centre for Learning and Teaching

Gifted & Talented Coordinator's Handbook Sophie Craven, 2008 *Form Tutor's Pocketbook* Roy Watson-Davis, 2015-09-16 While the role of form tutor may be changing its importance within a school is not Yet it's a role for which most teachers receive very little training Somehow you're expected to pick up and master the considerable skills as you go along Picking up this pocketbook for its clear guidance on all aspects of the job administrative pastoral and academic is the way forward You're sure to recognise Roy's light hearted stereotypes and you're equally sure to relate to what he has to say about such thorny issues as the homework diary thought for the week report writing and uniform checks As well as routines and admin there are chapters on working with parents and carers pastoral and social development effective target setting and ideas for tutorials Whichever way your school interprets the form tutor's role there's something here for both the NQT and the seasoned hand

P4C Pocketbook

Barry Hymer, 2012-01-01 Philosophy for Children P4C was conceived by Professor Matthew Lipman in the late 1960s Here's what he said about it The aim of a thinking skills program such as P4C is to help children become more thoughtful more reflective more considerate and more reasonable individuals Who wouldn't want to offer their pupils that opportunity In the P4C Pocketbook Barry Hymer and Roger Sutcliffe explain how to use P4C in your own classroom to sustain and develop in all children the curiosity that is so evident in the young They introduce and explain communities of enquiry outline a broad ten step process for P4C sessions provide plenty of practical examples and show how P4C can be used to explore key concepts

Chapters are devoted to choosing a stimulus questions the Socratic Method facilitating an enquiry and review There is an excellent resource section at the end of the book spanning Foundation Stage to KS5 **Stop Bullying Pocketbook** Michele Elliott,2015-09-16 Bullying Repeated intimidation intentionally carried out by a more powerful person or group in order to cause physical and or emotional hurt It happens in every type of school and in all classes and cultures it s a problem for thousands of children and increasing numbers of teachers The Stop Bullying Pocketbook is jam packed with practical ideas for tackling all forms of bullying including the insidious cyber bullying that leaves victims vulnerable 24 hours a day seven days a week Author Michele Elliott inspirational founder and director of Kidscape offers defending deflecting and defusing strategies for those who suffer at the hands of bullies as well as strategies for parents and teachers who have to deal with bullies There and awareness raising ideas for students and tried and tested methods for teachers looking to create a bully free school It s an uplifting energising book that leaves you utterly convinced that the bullies can indeed be zapped
