way for them to leave Minden behind He wanted more out of life for he knew that one day with God s blessings he would become a great man husband and father When he was introduced to an idea about joining the Air Force he quickly decided that was their ticket out of Minden and a chance to be that great man that he always dreamed of Shortly after joining the Air Force he began meeting men from all over Although he wasn t street smart and knew very little about what went on outside his little hometown he was intrigued by their behavior and knowledge of worldly life He sought to emulate them from their dress talk and often bad habits He slowly began conforming to this world while setting aside all he was taught in church and his upbringing Unknown to him the devil began slowly gaining control of his thoughts thus starting a spiritual warfare in his mind that would last for almost two decades This spiritual warfare took him and his family through unimaginable times where no man wants to go Big city life was exciting but without God it came with a price **The Damnation of Tucker**
