Funeral Wars:

The Evolution of the British Funeral Industry in the 20th Century Brian Parsons, 2018-03-28 This book examines the shifts that have taken place in the funeral industry since 1900 focusing on the figure of the undertaker and exploring how organizational change and attempts to gain recognition as a professional service provider saw the role morph into that of funeral director

Federal Laws Relating to Veterans of Wars of the United States (annotated) August 1, 1932 United States, United States. Veterans Administration, 1937

Spiritualism and British Society Between the Wars Jenny Hazelgrove, 2000-09-02 Historians of modern British culture have long assumed that under pressure from secular forces interest in spiritualism had faded by the end of the Great War Jenny Hazelgrove challenges this assumption and shows how spiritualism grew between the wars and became part of the fabric of popular culture This book provides a fascinating and lively insight into an alternative culture that flourished and continues to flourish alongside more conventional outlets for spiritual beliefs and needs

Funeral Wars Jonathan Harr, 2001 I m just a country boy says Willie Gary when he addresses a jury If I just talk in plain ordinary talk you won t hold that against me will you The son of migrant corn pickers Gary is one of America s most successful lawyers diamond encrusted Rolex private Gulfstream jet In *Funeral Wars* Jonathan Harr follows Gary s most notorious case a contract dispute between rival funeral parlours This is the bizarre story of how Gary turns that dispute into a multi million dollar morality play Above all though it is his story that of a simple Southern boy whose life has taken on the contours of legend

The Athenian Funeral Oration David M. Pritchard, 2024-02 The most important study of the funeral oration for dead combatants in democratic Athens since Nicole Loraux s classic work

Our Ancient Wars Victor Caston, Silke-Maria Weineck, 2016-02-05 Many famous texts from classical antiquity by historians like Thucydides tragedians like Sophocles and Euripides the comic poet Aristophanes the philosopher Plato and above all Homer present powerful and profound accounts of wartime experience both on and off the battlefield They also provide useful ways of thinking about the complexities and consequences of wars throughout history and the concept of war broadly construed providing vital new perspectives on conflict in our own era *Our Ancient Wars* features essays by top scholars from across academic disciplines classicists and historians philosophers and political theorists literary scholars some with firsthand experience of war and some without engaging with classical texts to understand how differently they were read in other times and places Contributors articulate difficult but necessary questions about contemporary conceptions of war and conflict

The Encyclopedia of North American Indian Wars, 1607-1890 Bloomsbury Publishing, 2011-09-19 This encyclopedia provides a broad in depth and multidisciplinary look at the causes and effects of warfare between whites and Native Americans encompassing nearly three centuries of history The Battle of the Wabash the U S Army s single worst defeat at the hands of Native American forces The Battle of Wounded Knee an unfortunate unplanned event that resulted in the deaths of more than 150 Lakota Sioux men women and children These and other engagements between white settlers

and Native Americans were events of profound historical significance resulting in social political and cultural changes for both ethnic populations the lasting effects of which are clearly seen today The Encyclopedia of North American Indian Wars 1607 1890 A Political Social and Military History provides comprehensive coverage of almost 300 years of North American Indian Wars Beginning with the first Indian settler conflicts that arose in the early 1600s this three volume work covers all noteworthy battles between whites and Native Americans through the Battle of Wounded Knee in December 1890 The book provides detailed biographies of military social religious and political leaders and covers the social and cultural aspects of the Indian wars Also supplied are essays on every major tribe as well as all significant battles skirmishes and treaties

American Funeral Director ,1928 **America's Wars in Asia** , Even though the cultural approach concerns itself with the local and the particular rather than with the abstract and universal it is inherently comparative Moreover it also relocates each war in the historical and cultural experiences of Asian countries themselves rather than seeing the war as merely a conflict between the United States and Asian nations **The Last Salute: Civil and Military Funerals, 1921-1969** Billy C. Mossman,M. W. Stark,1972 **World War Veterans' Legislation. Hearings ... on H.R. 1068, H.R. 2288, H.R. 2289, H.R. 2650, 2891, 4793, 7558, 7560, 7593, 7697, 7705, 7707, 7764, 7873, 7874, 7894, 7895, 7896, 7925, 7939, 7977, 8355** United States. Congress. House. Committee on World War Veterans' Legislation,1940

Japan at War and Peace Ryuji Hattori,2021-12-07 The question of how to maintain the continuity of diplomacy while developing democracy without military intervention is an old and new issue The challenge can be described as a dilemma between democracy and diplomatic coherence This dilemma is not unique to the twenty first century it has been a constant challenge to the development of democracy In non Western countries democratisation originated in the nineteenth century and has had many successes and failures After the Russo Japanese War political parties began to take power in Japan The best embodiment of diplomacy in Japan s emerging democracy the development of parliamentary democracy and mass based democracy is Shidehara Kij r 1872 1951 who served as foreign minister from 1924 to 1927 and from 1929 to 1931 and was prime minister from 1945 to 1946 As a diplomat from the Ministry of Foreign Affairs Shidehara had long grappled with the issue of how to ensure diplomatic coherence in modern Japan which was becoming increasingly democratic Although Shidehara succeeded to some extent in promoting diplomacy in cooperation with the US and the UK under party politics the rise of the military after the Manchurian Incident forced him to retire for a period However after the Pacific War Shidehara became prime minister of the US occupied Japan and attempted to restore cooperative diplomacy under party politics Shidehara came to the conclusion that the way to achieve both democracy and diplomatic coherence was through nonpartisan diplomacy towards peace This book examines the tension between diplomacy and democracy focusing on Shidehara s life and exploring modern Japan s footsteps Shidehara was undoubtedly one of Japan s most important diplomatic figures **The Hundred Years War** David Green,2014-11-25 What life was like for ordinary French and English

people embroiled in a devastating century long conflict that changed their world The Hundred Years War 1337 1453 dominated life in England and France for well over a century It became the defining feature of existence for generations This sweeping book is the first to tell the human story of the longest military conflict in history Historian David Green focuses on the ways the war affected different groups among them knights clerics women peasants soldiers peacemakers and kings He also explores how the long war altered governance in England and France and reshaped peoples perceptions of themselves and of their national character Using the events of the war as a narrative thread Green illuminates the realities of battle and the conditions of those compelled to live in occupied territory the roles played by clergy and their shifting loyalties to king and pope and the influence of the war on developing notions of government literacy and education Peopled with vivid and well known characters Henry V Joan of Arc Philippe the Good of Burgundy Edward the Black Prince John the Blind of Bohemia and many others as well as a host of ordinary individuals who were drawn into the struggle this absorbing book reveals for the first time not only the Hundred Years War s impact on warfare institutions and nations but also its true human cost Hundred Years War makes us care about this long ago conflict and the society that pursued and was shaped by it It is likely to and indeed should become a standard introduction to the war Charles F Briggs *Speculum* **Memories of War in Early Modern England** Susan Harlan, 2016-09-23 This book examines literary depictions of the construction and destruction of the armored male body in combat in relation to early modern English understandings of the past Bringing together the fields of material culture and militarism Susan Harlan argues that the notion of spoiling or the sanctioned theft of the arms and armor of the vanquished in battle provides a way of thinking about England s relationship to its violent cultural inheritance She demonstrates how writers reconstituted the spoils of antiquity and the Middle Ages in an imagined military struggle between male bodies An analysis of scenes of arming and disarming across texts by Christopher Marlowe and William Shakespeare and tributes to Sir Philip Sidney reveals a pervasive militant nostalgia a cultural fascination with moribund models and technologies of war Readers will not only gain a better understanding of humanism but also a new way of thinking about violence and cultural production in Renaissance England **The History of the Peloponnesian War** Thucydides, 1842 *Handbook of Death and Dying* Clifton D. Bryant, 2003-10 Dying is a social as well as physiological phenomenon Each society characterizes and consequently treats death and dying in its own individual ways ways that differ markedly These particular patterns of death and dying engender modal cultural responses and such institutionalized behavior has familiar economical educational religious and political implications The Handbook of Death and Dying takes stock of the vast literature in the field of thanatology arranging and synthesizing what has been an unwieldy body of knowledge into a concise yet comprehensive reference work This two volume handbook will provide direction and momentum to the study of death related behavior for many years to come Key Features More than 100 contributors representing authoritative expertise in a diverse array of disciplines Anthropology Family Studies History Law Medicine Mortuary Science

Philosophy Psychology Social work Sociology Theology A distinguished editorial board of leading scholars and researchers in the field More than 100 definitive essays covering almost every dimension of death related behavior Comprehensive and inclusive exploring concepts and social patterns within the larger topical concern Journal article length essays that address topics with appropriate detail Multidisciplinary and cross cultural coverage Technologies of the Human Corpse John Troyer, 2020-04-14 The relationship of the dead body with technology through history from nineteenth century embalming machines to the death prevention technologies of today Death and the dead body have never been more alive in the public imagination not least because of current debates over modern medical technology that is deployed it seems expressly to keep human bodies from dying blurring the boundary between alive and dead In this book John Troyer examines the relationship of the dead body with technology both material and conceptual the physical machines political concepts and sovereign institutions that humans use to classify organize repurpose and transform the human corpse Doing so he asks readers to think about death dying and dead bodies in radically different ways Troyer explains for example how technologies of the nineteenth century including embalming and photography created our image of a dead body as quasi atemporal existing outside biological limits formerly enforced by decomposition He describes the Happy Death Movement of the 1970s the politics of HIV AIDS corpse and the productive potential of the dead body the provocations of the Body Worlds exhibits and their use of preserved dead bodies the black market in human body parts and the transformation of historic technologies of the human corpse into death prevention technologies The consequences of total control over death and the dead body Troyer argues are not liberation but the abandonment of Homo sapiens as a concept and a species In this unique work Troyer forces us to consider the increasing overlap between politics dying and the dead body in both general and specifically personal terms Administration of Cemeteries: Availability of Cemetery Space for Burial of Eligible War Veterans, and Administration of Such Cemeteries United States. Congress. House. Committee on Veterans' Affairs. Special Subcommittee on Cemeteries and Burial Benefits, 1968 American Civil War Collection Jules Verne, Mark Twain, Randall Parrish, George Washington Cable, John Esten Cooke, Edward Robins, John William De Forest, Ambrose Bierce, Mary Johnston, Winston Churchill, Edward Everett Hale, Charles King, Natalie Sumner Lincoln, Stephen Crane, Charles Carleton Coffin, James Ford Rhodes, John McElroy, Lucy Foster Madison, Harry Hazelton, Henry F. Keenan, George W. Peck, John R. Musick, Robert W. Chambers, Joseph A. Altsheler, G. A. Henty, B. K. Benson, W. H. Shelton, Byron A. Dunn, Ellen Glasgow, María Ruiz de Burton, Thomas Dixon Jr., 2023-12-28 The American Civil War Collection is a compelling anthology that explores the complexities struggles and ideologies of a nation divided This collection weaves together an array of narratives ranging from suspenseful tales of battlefield valor to poignant reflections on the human condition during one of America's most turbulent eras Each piece within this anthology contributes to a mosaic that reveals the multifaceted experiences of the Civil War showcasing a diversity of literary styles from realism to romance historical fiction to speculative glimpses thereby offering a

nuanced perspective on a period that continues to resonate within American cultural memory. Contributing authors such as Jules Verne, Mark Twain, and Ambrose Bierce among others bring their unique voice and perspective to the anthology. Their collective works echo the historical, cultural, and social movements of their time, depicting both fictional and realistic interpretations of the war. This convergence of esteemed authors represents a blend of Southern and Northern voices, immigrant and native stories enriching the tapestry of this turbulent historical period. Together, these writers deepen the reader's engagement with themes of conflict, survival, and redemption while also reflecting the broader literary movements of the 19th and early 20th centuries. For readers, the American Civil War Collection offers an unparalleled opportunity to engage with a wide spectrum of literary insights and historical interpretations within a single volume. Its rich compilation of voices serves not only as educational material but also as a catalyst for dialogue and reflection. Whether you're a history buff, a literary enthusiast, or a student of American culture, this anthology provides a profound exploration of the varied American experiences of war, allowing readers to appreciate the depth and diversity of perspectives it holds. It serves as a testament to the enduring power of storytelling in capturing the human experience across divides.

Honoring the Civil War Dead John R. Neff, 2005-02-14. By the end of the Civil War, fatalities from that conflict had far exceeded previous American experience, devastating families and communities alike. As John Neff shows, commemorating the 620,000 lives lost proved to be a persistent obstacle to the hard work of reuniting the nation, as every memorial observation compelled painful recollections of the war. Neff contends that the significance of the Civil War dead has been largely overlooked and that the literature on the war has so far failed to note how commemorations of the dead provide a means for both expressing lingering animosities and discouraging reconciliation. Commemoration, from private mourning to the often extravagant public remembrances exemplified in cemeteries, monuments, and Memorial Day observances, provided Americans the quintessential forum for engaging the war's meaning. Additionally, Neff suggests a special significance for the ways in which the commemoration of the dead shaped Northern memory. In his estimation, Northerners were just as active in myth-making after the war, crafting a "Cause Victorious" myth that was every bit as resonant and powerful as the much better-known "Lost Cause" myth cherished by Southerners. The North asserted through commemorations the existence of a loyal and reunified nation long before it was actually a fact. Neff reveals that as Northerners and Southerners honored their separate dead, they did so in ways that underscore the limits of reconciliation between Union and Confederate veterans, whose mutual animosities lingered for many decades after the end of the war. Ultimately, Neff argues that the process of reunion and reconciliation that has been so much the focus of recent literature either neglects or dismisses the persistent reluctance of both Northerners and Southerners to forgive and forget, especially where their war dead were concerned. Despite reunification, the continuing imperative of commemoration reflects a more complex resolution to the war than is even now apparent. His book provides a compelling account of this conflict that marks a major contribution to our understanding of the war and its many meanings.
