The Marriage Bus Ken Hokeness,2011-11 A person wants to believe that a moral upright respected family will remain that way forever but this story shows the dark side after the death of a beloved mother It s the love of the mother that holds most families together What happens to her precious children when she dies suddenly and suspiciously The next in line to lead the family will be her oldest son but he may not be the best choice even though in the past he has been her sweetest angel He may have changed into a fallen angel which she suspected but she refused to believe it The new leader of the family won t necessarily be accepted until he proves himself worthy In fact her angel may have changed into someone she wouldn t recognize He may betray all of her trust and his moral decline would make her roll over in her grave Her angel may also drag down her other children with him So the tragedy is doubled *Unfaithful CEO's Pretty Ex-wife* Mu XunHuan,2020-08-31 Xia Ying never thought that the person who was going to buy her hotel would actually be her ex husband Yang Xichen The moment she saw Yang Xichen Xia Ying uncontrollably took two steps back the documents in her hands fell to the ground scattering everywhere For a moment everyone in the meeting room focused their gazes on Xia Ying Just as she was about to escape Yang Xichen s voice was like a death god s sentence locking her in place Ms Xia we can talk about the purchase The clear and cold voice was like a sharp knife that slashed at Xia Ying s heart The current her only thought was to quickly

escape from this place escape from this place with Yang Xichen *Friends with Benefits* Marisa Kanter,2025-05-06 Lifelong best friends say I do to a marriage of convenience trading vows for a financial safety net and benefits Perfect for fans of Emily Henry and Katherine Center Evie Bloom pays attention to the details Her very job depends on it as an aspiring Foley artist she s responsible for every crisp footstep smacking kiss and distinct sound in film and television So when she s selected for a fellowship opportunity that would make all her career dreams come true she s quick to spot the catch there are no health benefits and for someone with a chronic illness that s a non starter Theo Cohen is an elementary school teacher who can t afford to live on his own in LA and is facing eviction after his roommates couple up and move out of their rent controlled apartment But there is one loophole in his lease each tenant must meet an income threshold unless the tenants are married For Theo the answer is obvious Marry Evie his best friend since forever It s not as if they don t spend all their free time together anyways Not only will Theo be able to keep his apartment but Evie can be added to his insurance plan so she can accept her dream fellowship It s such a logical practical solution Never mind that Evie doesn t really want to be married not to Theo not to anyone ever Or the small complicating fact that Theo has always been a little bit in love with Evie But it doesn t have to be a big deal Marriage It will just give them space to breathe and much needed relief from the daily financial stress It won t change anything It s going to change everything *Morning* Marion W.
