Funny Thing

James L. Larson

Funny Thing:

***A Funny Thing Happened on the Way to the New Yorker** Roy Delgado, 2007-12-03 **The Funny Thing** Wanda Gág, 1929 The Funny Thing is an animal who eats nothing but dolls until the good little man of the mountains gets him to taste the jam jills **A Funny Thing Happened** B. E. White, Jr., 2014-08-29 The humorous stories that Dr White tells about in this book are all about people in and out of the church and the ups and downs of life in the parsonage Funny things can happen at church and the behavior of some religious people can make you laugh and laugh Behind the humor in this book is often a spiritual truth But this is more than a religious book It is about changing times in North Carolina for three quarters of a century Dr White keeps telling about things he has learned during this time or maybe he is subtly teaching his readers to learn with him what religion is really all about The people in the stories may seem like someone you know in your own church or family The comical stories will entertain you while you ponder their meaning The more serious ones may touch you deeply

Many More Funny Things B. E. White, Jr., 2014-08-29 After his first book Dr White thought that he had exhausted his memory of funny things in his life and ministry but with the passing of time he has remembered many more funny things He has written them down to make us laugh out loud and silently reflect on what they have to say Brightie White tells amusing and interesting story after story about people in and out of the church You may have a hard time believing that some of the stories are true but if you can't believe a preacher whom can you believe Most of the stories are humorous but some of them are unusual All are about real people and the way religion makes them act Lessons can be learned from their antics and how things used to be and sometimes still are during the years of the author's life **A Funny Thing Happened on my way Through the Bible** James L. Larson, 2015-09-09 In this collection of nearly four thousand Bible verses author James Larson highlights the humor and sometimes tragedy of Scripture through his original and eye opening interpretation Respectfully presented with unique commentary and thought provoking questions this compilation will be sure to pique interest inspire deeper contemplation and launch the curious reader on a journey of reading and reflecting upon God's Word every day

Some of the Funniest Things Happen in the Most Unlikely and Unexpected Places Glenn Martin, 2005-03 This collection of stories was written for only one purpose to make you laugh These stories are not aimed at your mind but at your funny bone They are not supposed to make you smarter or wiser but might keep you from taking yourself and life too seriously When enjoying these stories you may venture into restaurants or churches attend weddings or funerals and spend some time in the Army And you may meet people who did not intend to be funny but did funny things These stories should put a smile on your face and a chuckle in your voice And if you laugh out loud that would be okay too Laughter is not only good for your health but it also does wonders for your spirit and your soul **It's a Funny Thing, Humour** British Psychological Society. Welsh Branch, 1977 **A Funny Thing Happened on the Way to the Cemetery** Carl Muller, 1995 Nineteen side splitting stories from Sri Lanka to begin this chronicle of the funny things that have happened to him Muller

goes back to his days as a recruit in the royal ceylon navy when the queen of england came a visiting the saucy sailors decide to tip her a wink the second story takes us back to mullers childhood in anuradhapura where two visiting rat snakes turn out to be a railway linesmans grandparents there are further hilarious adventures in the navy encounters with more snakes of different sizes and lineage graphic descriptions of jam making factories and hazardous days in the gulf effortlessly muller creates caricatures that leave you helpless with laughter as they highlight the follies and foibles of the human race
