Rural Poetry of Love, Truth, Life and Death, *A Funny Thing About Love* The Estate of Rebecca Farnworth, 2010-08-05 The funny thing about love is that just when you think you've got it sorted it turns round and bites you on the behind. Which is exactly what's happened to Carmen Miller. Her ex-husband's girlfriend is pregnant, her career as a comedy agent is going down the pan, she's made a fool of herself with fellow agent Will Hunter, a man she's fancied for ages, and to cap it all she has to move out of her flat. Surely things can't get any worse. Moving down to Brighton to write the TV comedy series that she's always dreamed about, Carmen meets the divine Daniel. A man so gorgeous she doesn't even mind that he's got long hair. It seems that Carmen's life is on the up again. Until that is, love bites again. Looks like Carmen's back where she started. But could it be that love isn't the problem? Maybe she's just been choosing the wrong men. *A Funny Thing About Love* Karice Bolton, 2023-10-11 Emilia Hudson has never been one to consider arranged marriages, especially if it meant her fifty-five-year-old parents would have a say, but with her dismal love life she's almost reconsidering. After her latest dating disaster, Emilia writes a simple blog post that goes viral. Worse yet, people start considering her a relationship expert, and all she feels like is a fraud. As the emails and speaking engagements start rolling in, she realizes her only option is to take the bull by the horns and run with the unexpected fame. What she doesn't want to do is talk about the real reason why she won't ever fall in love again. However, when she gets an offer she can't refuse from a major publisher that's all they want her to write about, but it isn't until she meets the man behind the proposal that she realizes why. *Funny Little Thing Called Love* Jessie Jones, Nicholas Hope, Jamie Wooten, 2015-05-15 This deliriously funny new Jones Hope Wooten comedy is all about that four-letter word L O V E. Under a full moon on this unpredictable night of romance, these four rollicking tales take you on an around-the-globe journey of unexpected and hilarious twists and turns. A slick, successful used-car selling Romeo in Dallas, Texas, believes he's answering Cupid's call, only to realize too late that he's wandered into a life-changing trap set by three fed-up Juliets. On an island getaway, The Hallelujah Girls, a group of fun-loving gals from Georgia, say aloha to their wild sides as they accidentally crash a Hawaiian honeymoon in progress. These five women and Waikiki will never be the same. In a

rooftop London bistro sparks fly when two strangers surprisingly start to connect only to be thwarted by a hyperactive American tourist who s determined to be the center of attention and the unpredictable antics of an ancient waitress who wields a wicked sousaphone And finally in Manhattan a man tries to battle his way out of a mid life crisis with an ill advised and elaborate marriage proposal Unfortunately it all goes wildly off track when his caterer passes out a tap dancing singing telegram girl breaks into sobs rather than song his ex wife saunters in wearing nothing but a bathrobe and a smile and a cowering superhero inches nervously across his twelfth floor window ledge So open your heart to romantic mayhem and come join the fun By the time the evening is over and the moon works its magic love will conquer all and your sides will ache from laughter A Funny Thing Called Love Nancy Chan,2022-10-27 In March 1948 in a small town on the outskirts of the least sophisticated borough of New York City a young girl is born into a society that will in 10 short years explode marking the start of the cultural revolution that swept across America upending the old structures in society and one s inner stability Hiding in plain sight was the sexual revolution Whose responsibility was it to inform this girl about the changes in society or was it too big for parents teachers and ministers to wrestle with it In the world in which she grows up her parents are the actors and she is only a member of the audience to be seen and not heard encouraged not to speak Yet she experiences the silent influence of patriarchy gender discrimination and class divisions as a vise and decides to rebel by surreptitiously exploring the one avenue that comes naturally her burgeoning sexuality and becomes a victim of her own folly The end of her spiritual unconsciousness comes when she leaves the tribe and commits to the talking cure a brand of therapy made famous by Sigmund Freud Before enlightenment chop wood carry water After enlightenment chop wood carry water Zen Proverb
