The Gillespie County Fair Marc Hess, 2019-04-30 The Gentrification of Rural Texas The Gillespie County Fair the oldest fair in Texas looms insistently over the shoulder of Marc Hess's new novel As rampant land development and tourist money begin to transform the old German farming community of Fredericksburg two intermarried pioneer families lock in a life and death struggle over the sale of their homestead Their vicious feud in an otherwise harmonious and bucolic community leads to the demise of two pioneer families and culminates in the triumph of one hard headed young girl This book delves into the clash of new wealth and ingrained poverty as rural Texas grapples with a changing world In a short period of time the town of Fredericksburg has morphed from a rock rimmed farming community into the chic tourist destination that it is today While the town itself has blossomed this is the story about a family that destroys itself *Books in Print Supplement* ,1973
