First of any Prayer Ambition or Dream Though beyond them is Happiness paramount Most favourable is that indulgent  
Victory Which defies the unconquerable Self So like a goldsmith who has through times and on Many a precious gems

**Bit of This and a Bit of That About Poetry** John Fraser,2013-10-18 A reviewer of JOHN FRASER S widely praised  
Violence in the Arts 1973 spoke of encountering in it an extremely agile and incessantly active mind that illuminates almost  
every subject that he touches As a reader of poetry he is in search of felt life and expressive form He feels his way forward  
through poems as speech acts rather than latching onto whatever Big Poetic Truths they are presumed to be disclosing or  
treating them as raw material to be given significance by Theory And he enters them from a variety of directions The  
components of A Bit of This and a Bit of That about Poetry include A fast funny bit of intellectual autobiography A tracing of  
the stylistic changes by which poetry ca 1880 1920 had muscle and realworld grounding restored to it A re entry into his  
formative childhood experiences of poetry in the 1930s including winning a BIG school cup at age ten by reciting forty proto  
symbolist lines from Tennyson s Idylls of the King whose linguistic strangeness he recreates here Jargon free commentaries  
on formal and referential aspects of a dozen of his favorite poems with their glow worms and gondolas and garlic and so forth  
A spelunking trip through the remarkable inner spaces opened up by the uncoupling of syntax from stanzaic form in George  
Herbert s Church Monuments Three common language forays into theoretical matters symbolism imagination genius etc with  
a healthy refusal to be awed by the Byzantine structures that have grown up around them An interactive mix of observations  
and quotations about a variety of topics including Greek and the Book of Nature thrillers as paradigms high Romanticism  
lovely pop lyrics The sigh of midnight trains in empty stations and the Demon Weed Fraser s celebrations of plenitude and  
the energy charged flow of verse make A Bit of This and That a book that can be enjoyed whether one is primarily into free  
verse or more regular kinds      *Für Elise* Mark Splitstone,2025-05-20 He waited half his life for a homecoming only to  
discover his home no longer existed But perhaps he can create a new one In 1956 more than a decade after the end of World  
War II Hans Becker is finally released from a Soviet POW camp and returns to Germany The reunion is disheartening his  
beloved Dresden is largely blackened rubble and his feelings of disorientation and melancholy hinder his attempt to revive  
the life and love he left behind Elise the once delicate teenager whose memory Hans carried in his heart has through  
unspeakable trauma transformed into a strong independent woman skeptical of love Yet just as she and Hans can spot traces

of splendor in the ruins and oppression of Iron Curtain era Dresden so they each can see flashes of what attracted them to their long ago sweetheart But they and their world have changed so much Are they willing to risk everything to seek a new beginning
