*The Future Church of 140 BCE* Bernard J. Lee, 1995 A century and a half before the time of Jesus a movement of educated Jewish laity initiated a profound transformation of Judaism Bernard Lee uses this as a metaphor for a hidden revolution in the U S Catholic Church today the development of a lay interpretation of Catholic Christian identity He proposes an ecclesiology that believes that the Spirit is God's gift to the entire people of God without privilege or prejudice Accordingly some form of dialogic community is ecclesologically appropriate to give the lay experience of faith a legitimated voice in the telling of the Catholic story i e a place in the interpretive structure of Catholic community BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Seminaries, Theologates, and the Future of Church Ministry Katarina Schuth, 1999 Seminaries Theologates and the Future of Church Ministry considers the context of ministry on the eve of the twenty first century and focuses on how Roman Catholic seminaries and schools of theology are preparing men and women for service in the Church The study is based on a first hand view of how human and spiritual formation as well as intellectual and pastoral programs are designed in these theologates Anyone interested in how people in ministry will transmit the faith to the next generation particularly people involved with seminary life and work faculty students administrators bishops vocation directors and trustees will find this book valuable BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Metaphorical Society* Daniel Rigney, 2001-03-21 This book introduces the novice reader to modern social theory through the creative exploration of eight major metaphors that have shaped Western understandings of human society Rigney vividly yet concisely examines each major theoretical perspective in sociology including functionalism conflict theory rational choice and symbolic interactionism He shows how each of these theories is rooted in a particular metaphorical tradition Over decades and centuries Rigney argues social theorists have variously likened societies to organisms and living systems to machines battlefields legal systems marketplaces games theatrical productions and discourses Most interestingly Rigney deftly shows how nearly all Western social theories fit with one or more of the metaphors He emphasizes a humanistic understanding of society with an emphasis on the creative agency of social actors and communities The book offers students a rich understanding of social theory yet it is simultaneously concise and broad ranging allowing instructors to further pursue detailed exploration of any perspectives they choose *What are They Saying about Theological Reflection?* Robert L. Kinast, 2000 Theological reflection is a form of theologizing that begins with lived experience correlates this with the sources of Christian faith and draws out concrete implications for praxis Robert Kinast finds five distinct types of theological reflection from within this common form ministerial spiritual wisdom feminist inculturation and practical theology Each of these styles is analyzed in terms of the type of experience it favors the way it connects this experience to theology and what sort of praxis it envisions The end result is a succinct overview of this wide ranging and diverse approach to theology BOOK JACKET Title Summary field provided by Blackwell North America Inc All

Rights Reserved      **A Life in Conversation** Michael A. Cowan, 2015-04-30 In a long and creative academic career Professor Bernard J Lee has published and taught on the cutting edge of Catholic theology He has been a beloved teacher generous mentor and cherished colleague during his academic tenures at Maryville University St Johns University Collegeville Loyola University New Orleans and St Marys University San Antonio In *A Life in Conversation* his colleagues and former students offer a collection of essays that honor him on the occasion of his eightieth birthday The essays focus on many aspects of Lees pioneering work which includes explorations in process theology ecclesiology the Jewish world of Jesus sacramentology religious life small Christian communities and practical theology Gathered here under the metaphorical umbrella of conversation a commitment of primary and life long importance to Professor Lee these essays offer glimpses of the stature of a religious thinker whose life in conversation continues to affect deeply his students and colleagues alike The authors contributing to this volume are Dianne Bergant C S A Michael A Cowan Nancy Dallavalle William V DAntonio Peter Eichten Thomas F Giardino S M Andrew Simon Sleeman O S B Terry A Veling and Evelyn and James Whitehead *A Life in Conversation* concludes with an essay by Professor Lee      Creation Unveiled Daniel Salomon, 2003-08      *Once a Christian* Wayne Talbot, 2017-07-11 You worship what you do not know we know what we worship for salvation is of the Jews But the hour is coming and now is when the true worshippers will worship the Father in spirit and truth for the Father is seeking such to worship Him God is Spirit and those who worship Him must worship in spirit and truth John 4 22-24 Jesus spoke these words to a Samaritan woman but the author believes that they should be directed to Christians of all denominations Jesus preceded these words by stating that the hour is coming when you will neither on this mountain nor in Jerusalem worship the Father Central to the prophecies is a return to Jerusalem from where the Father will be worshipped forever Why would Jesus contradict the Father Contradictions such as these were largely responsible for the author doubting the authenticity of the texts or if the texts are authentic then one must doubt the claims of Jesus being the prophesied Messiah There were two key issues that the author sought to resolve separately 1 Does Christianity truly follow the footsteps of Jesus of Nazareth or did Rome invent its own Jesus a man who never was and 2 Was Jesus the prophesied Jewish mashiach of the kingly line of David Other contentious issues would resolve from those two Resulting from wide ranging research the author concluded that neither Christian precept was true Believing in God and walking away from Christianity was his only choice      Critical Intersections M.D. Litonjua, 2006-06-19 Life is all about intersections Living is where sorrow meets joy where pain encounters ecstasy where the weakness of the flesh is buoyed by the strength of faith where love conquers all doubts and betrayals Marriage is for better and worse for richer and poorer in sickness and health it is for life and death Spirituality is the arduous integration of lifes dispositions and tendencies of ones urges and habits for the whole to reach out in transcendence to ones fellow human beings and to God Growth to Christian maturity is actualizing the intersecting because cruciform demands of love of God and love of neighbor which follows the path that leads from Good Friday to Easter Sunday

Academic life is also becoming one of intersections After the increasing structural differentiation and functional specialization characteristic of modernity academic disciplines are critically intersecting and cross fertilizing with each other for integration enrichment and further enlightenment The behavioral sciences need genetics and biology for a more adequate explanation of human behavior Homo oeconomicus of neoclassical economics is complemented by the realities of power of homo sociologicus Theology calls on the social sciences in addition to its ancient ancilla philosophy to make moral sense of social and global problems Interdisciplinary courses try to make connections between the disciplines students have studied and to integrate the breadth and the depth of knowledge they have been exposed to      **Freedom Unlimited** Jeffrey S. Hocking, 2010-10-18 This volume deals with the varied forms of shame reflected in biblical theological psychological and anthropological sources Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior recent scholarship has discovered the crucial relevance of social shame evoked by mental status adversity slavery abuse illness grief and defeat Anthropologists sociologists and psychologists have discovered that unresolved social shame is related to racial and social prejudice to bullying crime genocide narcissism post traumatic stress and other forms of toxic behavior Eleven leaders in this research participated in a conference on The Shame Factor sponsored by St Mark s United Methodist Church in Lincoln NE in October 2010 Their essays explore the impact and the transformation of shame in a variety of arenas comprising in this volume a unique and innovative resource for contemporary religion therapy ethics and social analysis      Postmodernity Paul Lakeland, 2010 More than a guidebook to the postmodernity debate Paul Lakeland s lively and novel volume clarifies the critical impulses behind the cultural intellectual and scientific expressions of postmodern thought He identifies the issues it presents for religion and for Christian theology Concentrating on God Church and Christ Lakeland outlines the church s mission to the postmodern world including a constructive theological apologetics

Gathered and Sent Bernard J. Lee, Michael A. Cowan, 2003 In Gathered and Sent Bernard Lee and Michael Cowan propose a mode of doing theology within small Christian communities that is marked by conversation and active participation by all It is a practical theology where people reflect on their whole lives personal and social in the light of Christian faith make commitments to action in light of that reflection and hold one another accountable for those commitments BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved      *The Beating of Great Wings* Bernard J. Lee, 2004 A classic in the making this groundbreaking book is a thought provoking must have resource for all religious readers It will no doubt lead to challenging and invigorating conversations about the role of religious priests brothers and sisters today Twenty Third Publications      **Spiritual Quest** Thomas N. Hart, 1999 A guide for those who want to grow in the spiritual life with insights into the questions spawned by today s spiritual resurgence      The Eyes of Faith Ormond Rush, 2009 Winner of the 2010 Lynlea Rodger Australia Theological Form ATF Press Theological Book Prize The Eyes of Faith presents a systematic theology of the sense of the faithful sensus fidelium and shows the fundamental and

necessary interrelationship between *sensus fidelium* tradition Scripture theology and the magisterium Ormond Rush provides fresh perspectives on a number of issues He proposes that tradition and Scripture are the products of the *sensus fidelium* and that the inspiration of Scripture is best understood in terms of the Holy Spirit working through the *sensus fidelium* In addressing the role of the *sensus fidei* in the lives of individual believers the book provides a unique approach to the way Christians make sense of their faith within the diverse contexts of daily life It shows how the imaginative capacity of the *sensus fidei* forms a foundational notion for understanding the diversity of spiritualities inculturations and contextualizations of the Gospel in the history of the church up to the present This ecclesial activity of interpreting the Christ event through the *sensus fidelium* enables the church to proclaim the Gospel in new times and cultures throughout history The Eyes of Faith proposes that for an effective teaching of the faith to contemporary Christians the distinctive roles of the magisterium and of theology must be conceived primarily in terms of and in relationship to the ecclesial Spirit given capacity of the *sensus fidelium*
