School of Library and Information Studies, 1988 **Canadian Books in Print**, 1980 **American Publishers**, 1986 *Internationales Verlagsadressbuch Mit ISBN-Register*, 1986 [The Writers' Union of Canada](#) Writers' Union of Canada, 1981 [Small Press Record of Books in Print](#) Len Fulton, 1980 **Partners of the Imagination** Robert Leach, 2020-12-14 Partners of the Imagination is the first in depth study of the work of John Arden and Margaretta D Arcy partners in writing and cultural and political campaigns Beginning in the 1950s

Arden and D Arcy created a series of hugely admired plays performed at Britain's major theatres. Political activists they worked tirelessly in the peace movement and the Northern Ireland Troubles during which D Arcy was gaoled. She is also a veteran of the Greenham Common Women's Peace camp. Their later work included Booker listed novels, prize winning stories, essays and radio plays and D Arcy founded and ran a Woman's Pirate Radio station. Raymond Williams described Arden as the most genuinely innovative of the playwrights of his generation and Chambers and Prior claimed that *The Non Stop Connolly Show* D Arcy and Arden's six play epic has fair claim to being one of the finest pieces of post war drama in the English language. This study explores the connections between art and life and between the responsibilities of the writer and the citizen. Importantly it also evaluates the range of literary works: plays, poetry, novels, essays, polemics created by these writers both as literature and drama and as controversialist activity in its own right. This work is a landmark examination of two hugely respected radical writers. Canadian ISBN Publishers' Directory, 1990 *American Newspaper Journalists on Film* Johnny D. Boggs, 2022-11-25 When talking pictures first appeared in cinema theaters in the late 1920s, films about newspaper journalists quickly became a Hollywood mainstay. These were a variety of responses from working reporters, editors and photographers. The newspaper film was a popular genre in the 1950s and famous films such as *All the President's Men* 1976 and *Spotlight* 2015 have depicted the power of the press. Journalists have also been portrayed in films that are not specifically about newspapers appearing in noir films like *Woman on the Run* 1950, Westerns such as *Fort Worth* 1951, comedies like *The Ghost and Mr Chicken* 1966, musicals like *Wake Up and Live* 1937 and historical epics like *Lawrence of Arabia* 1962. A film historian and former newspaper writer, the author investigates how accurately films have portrayed journalists across the decades. The book also details what journalists thought of the depictions at the time, contributing to brief histories and analyses for each film. Featured journalist archetypes include airy reporters, screaming editors, photographers, sportswriters and war journalists. Classics, misfires, Westerns, obscure treasures and films the press both adored and detested are all included in this comprehensive here. *Contemporary Native American Authors* Kay Juricek, Kelly J. Morgan, 1997 This comprehensive reference brings together more than 290 Native American writers. Brief biographies, often in the writers' own words, are furnished along with background information such as tribal affiliations, birthdates and education awards and publication highlights. A broad range of fiction and nonfiction writers, poets, playwrights, storytellers and writers of other genres who have published since 1961 are included. Canadian Books in Print. Author and Title Index, 1975 **Sham Ruins** Brian Willems, 2021-11-29 In the middle of the eighteenth century a new fad found its way into the gardens of England: as well to do building fake Gothic ruins. Newly constructed castle towers and walls looked like they were already falling apart even on the first day of their creation. Made of stone, plaster or even canvas, these sham ruins are often considered an embarrassing blip in English architectural history. However *Sham Ruins: A User's Guide* expands the specific example of the sham ruin into a general principle to examine the way purposely broken objects can be used to both uncover old truths and

invent new ones Along with architecture work by Ivan Vladislavi Tom Stoppard Alain Mabankou Aleksei Fedorchenko Michael Haneke and Sturtevant is used to develop this thesis as well as artifacts such as pre torn jeans fake histories and broken screen apps Using these examples one of the key questions the book raises is what is it that sham ruins ruin In other words if real ruins are ruins of what they actually are then sham ruins should be considered ruins of what they are not Thus sham ruins are about imposing new meaning where such meaning does not and should not exist They also can show how things we think are functioning well are actually already broken Sham ruins do this and much more by being lies ruses and embarrassments This is what gives them the power with which we can think about objects in new unintended ways     **The Cambridge Guide to American Theatre** Don B. Wilmeth,Tice L. Miller,1996-06-13 This new and updated Guide with over 2 700 cross referenced entries covers all aspects of the American theatre from its earliest history to the present Entries include people venues and companies scattered through the U S plays and musicals and theatrical phenomena Additionally there are some 100 topical entries covering theatre in major U S cities and such disparate subjects as Asian American theatre Chicano theatre censorship Filipino American theatre one person performances performance art and puppetry Highly illustrated the Guide is supplemented with a historical survey as introduction a bibliography of major sources published since the first edition and a biographical index covering over 3 200 individuals mentioned in the text BOOK JACKET     Contemporary Authors New Revision Pamela Dear,2000-07 In response to the escalating need for up to date information on writers Contemporary Authors New Revision Series brings researchers the most recent data on the world s most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries For your convenience a soft cover cumulative index is sent biannually While Gale strives to replicate print content some content may not be available due to rights restrictions Call your Sales Rep for details     **New York Star** ,1926
