imagination combine to create the world's most unforgettable golfing terrain. The matches that take place on these courses range from an enterprising little game between two priests bent on glory at all costs to a variation of golf played under one simple rule: you may not touch or replace your ball no matter what. To a perfect round played on the perfect golf course in the most imperfect conditions imaginable by a player who cannot hear the sound of the barriers he is shattering. By turns comic, thought provoking, moving and entertaining, Riverbank, Tweed and Roadmap, Jenkins will forever change the way you look at the game of golf and at the men who walk with you while you plumb its mysteries.
