**Undying Gratitude** Marilyn Redding, 2019-07-31 *Undying Gratitude* is a book about true facts outlining most Indians' journey in life through the hands of the government. It touches their walk along The Trail of Tears, the hardship and survival to move forward and come out winners after such abuse. All nationalities have had their own struggle, but the Indians were the first. Most White Americans often feared and resented the Native Americans because of their ignorance. Along the long journey on the Trail of Tears, many died, and the ones who survived went on to rebuild their worlds. Yet in an instance, the White men once again uprooted their homes and started killing family members. From there, the book takes a total turn from the reality of their peaceful existence and turns into a nightmare of disbelief. Indians are very spiritual people, and I do hope, after reading *Undying Gratitude*, your spirit is renewed.
