Followers Of The Light:

Followers of the Light Jonathon Jasper,2019-08-14 **Following Jesus** David Lowry,2020-05-12 We live in a time when many view the church as a relic of ancient traditions and cosmologies often reactionary mean spirited nationalist and racist They see those who call themselves Christians reacting in fear to the changes around them rather than like Jesus boldly declaring and living out God s compassion and justice Some who view themselves as nonbelievers point out often with great clarity the distance between so called Christian witness and the teaching of Jesus This book takes us back to the first followers of Jesus and their attraction to Jesus and his teaching It reexamines what they encountered in Jesus that led them to follow him and it analyzes the dynamics of following This exploration becomes a call to let Jesus lead us into God s presence and liberating action By doing so we experience a stripping away of our false religiosity misplaced commitments and idolatries As we join with others in a community of Jesus s followers gathered by Jesus to be sent out we exercise true society altering witness *The Essence* Brian N. Winslade,2020-03-23 The teaching of Jesus of Nazareth is unparalleled and universally acclaimed in the history of our world Born into relative obscurity and poverty no one has impacted the world to the same extent as Jesus Amidst all he said and did his close friend Matthew a former social outcast captured his teaching delivered on a hillside just above the town where he lived overlooking the Sea of Galilee The fifth sixth and seventh chapters of Matthew s Gospel commonly referred to as the Sermon on the Mount have been described as the essence of all that Jesus taught about God and how we relate with him Every Christian and every preacher must wrestle with the words of Jesus given on a Galilean hillside If a person grasped nothing else of the words Jesus spoke apart from that contained in the Sermon on the Mount he or she catches the essence of his timeless message This book unpacks the essence of Jesus teaching and its remarkable application in our current age a resource for individual Christ followers preachers and a discussion starter for small groups **Renewed for Africa's Makeover** H. G. Nzabanita,2012-04 The Bible is widely distributed in Africa where nearly half of the population identifies with Christianity The Bible has many solutions for the continent s problems Christ told his followers that they are the light of the world Every person who confesses Jesus Christ is called to be light Therefore every believer has a responsibility in shaping our world Christians have the potential to foster true positive change in Africa Nevertheless Christian influence is not very visible in African society Discover how you can have a Biblical impact on your country and your continent The Colonization of Land in Matthew's Gospel Mazieli Barreto Dani,2024-08-19 In *The Colonization of Land in Matthew s Gospel* Mazieli Barreto Dani proposes that land is constructed as a colonized and subjugated entity Traditional scholarship claims that the Gospel of Matthew is detached from spatial territorial discussions and that geographical land concerns are displaced with Christology Dani however reinterprets multiple implicit and explicit references to land in the Gospel to show continuity rather than discontinuity with the Hebrew Bible s concerns with material land promises She does so by engaging the Gospel within its broader Roman Hellenistic and Jewish contexts where the theme

of land possession is pervasive Central to the Gospel and the imperial contexts from which it emerges are contestations over the land and proclamations to whom the land belongs Dani argues that while Judea and neighboring lands are under the firm control of Roman imperial power during the first century CE Matthew's Gospel envisions Rome's demise and the control of land being transferred to an alternative empire governed by the sovereign rule of God Though God liberates the land from Rome's oppressive grasp and restores land promises to the righteous poor at Jesus return the land fails to escape colonial control That is the world while relinquished from Roman hegemony is reasserted under God's power and domination In arguing that Matthew's Gospel employs an imperializing agenda involving land reclamation the Gospel may be a source for validating and justifying the modern colonization of foreign and occupied land under the guise of God's purposes The Colonization of Land in Matthew's Gospel challenges colonial ideologies which oppress not only peoples but the lands which they inhabit *Thou Art the Christ* Jonathan Jenkins,2019-04-16 Matthew Mark Luke and John give four different views of the story of our Lord and Savior Jesus Christ Their accounts are compelling but they give a fragmented and scattered view of Jesus life In this devotional the author pieces together the life of Jesus within these accounts walking readers through His life chronologically In the process he seeks to answer questions such as What would a typical day with Jesus have included How did Christ interact with Scripture especially messianic prophecies When did the plot to kill Jesus begin and how extensive was it How many witnesses were there to the resurrection The author also examines how Jesus was first recognized as the Messiah and declared as the Son of God whether any court declared Him innocent and what Matthew Mark Luke and John's insights tell us about Jesus and His teachings *Thou Art the Christ* provides a nonbreaking narrative of Jesus's life connecting it to Old Testament prophecies about God's promise to send the Messiah for the whole world for any whosoever believing him

Malfec Bill Butler PhD,2015-06-15 *Malfec* A Demon Autobiography is a work of fiction *Malfec* is one of the oldest demons roaming the world possessing humans throughout history and influencing their actions to a point *Malfec* reveals one of the best kept secrets in demonology and for that decision he becomes a prime target for elimination He knows his host is dying and decides to reveal to all the world the true power of demons and the secrets of possession His host has long since lost his personal identity but *Malfec* has kept up the human facade until fate forces him to reveal his secret Faced with racially motivated criminal charges *Malfec* decides to lay out his entire life story to the police in exchange for a final confession

Follow Me Luke Shackelford,2023-06-14 *Follow Me* approaches discipleship with the themes of identity and purpose in mind In this book Shackelford examines the identity of God and the teachings of Jesus in order to present a framework through which we can correctly understand discipleship He argues that identity and purpose are only truly found in following Jesus As we follow Jesus we are transformed into the image of God What we find is that to be the image of God means to bring forth restoration to the earth as He did and that we exist to carry on the life and work of Jesus Beyond exploring what it means to be a disciple this book seeks to reveal who we are and why we exist which are in fact synonymous The

Godsey,Barbara Green,Geffrey B. Kelly,2003-05-28 Cheap grace is the mortal enemy of our church Our struggle today is for costly grace And with that sharp warning to his own church which was engaged in bitter conflict with the official nazified state church Dietrich Bonhoeffer began his book Discipleship formerly entitled The Cost of Discipleship Originally published in 1937 it soon became a classic exposition of what it means to follow Christ in a modern world beset by a dangerous and criminal government At its center stands an interpretation of the Sermon

on the Mount what Jesus demanded of his followers and how the life of discipleship is to be continued in all ages of the post resurrection church Every call of Jesus is a call to death Bonhoeffer wrote His own life ended in martyrdom on April 9 1945 Freshly translated from the German critical edition Discipleship provides a more accurate rendering of the text and extensive aids and commentary to clarify the meaning context and reception of this work and its attempt to resist the Nazi ideology then infecting German Christian churches *Matthew (Understanding the Bible Commentary Series)* Robert H.
