*Peter and the Beloved Disciple* Kevin Quast, 1989-10-01 The common supposition that the Fourth Gospel presents a rivalry between Peter and the Beloved Disciple in which Peter is subordinated to the hero of the Johannine Community is here subjected to fresh scrutiny After establishing working hypotheses regarding the Johannine Community and the function of representative figures in the Fourth Gospel the author first examines the function of Peter independently of the Beloved Disciple Here he is the exemplary leader of the Twelve In those passages where the two characters are juxtaposed it is evident that the Beloved Disciple is not inordinately exalted above Peter who in fact enjoys a comparable status Peter and the Beloved Disciple have complementary roles to play in relation to Jesus and his unfolding hour John 20 shows the Beloved Disciple as the example of a true believing disciple of Jesus while concerned to give appropriate respect and support to the Apostolic stream of traditions associated with Peter The Gospel appendix ch 21 is concerned to hold together both sorts of traditions and allegiances Finally the author shows how the Gospel as a whole works coherently to encourage a wider view of Christian intercommunity unity after the death of the Beloved Disciple

The ABC of Sunday Matters Mark O'Brien, 2013-10-01 This book provides reflections on the Sunday Bible readings in the Roman Catholic Lectionary for Years A B and C of the liturgical cycle They previously appeared in separate volumes of Sunday Matters published by ATF Theology in the Dominican Series They have now been combined in this single volume colour coded for easier use and with a revised general introduction and introduction to the Gospel of Matthew Like the previous volumes this one is intended to assist those preparing homilies and those with a desire to understand a little more deeply the

readings used in the Sunday liturgy      **Following Jesus** Phillip C. Thrailkill, 2022-10-17 Two questions are braided together in Luke's Gospel: Who is Jesus and what does it mean to be his student and apprentice? The church has spent much of its intellectual energies on the first question but not so much on the second. We are precise in our Christology and vague in our Discipleology. My new word of the four biographies that open the New Testament, Luke is perhaps the best equipped to answer the question of what it means to follow Jesus along with others and what we can expect in the process. Luke's Gospel is dense with story after story about Jesus's stumbling, goofy, persistent disciples. And his second volume, Acts, continues the tale. There is a deep continuity as Luke teaches between Jesus's original disciples and the ones who later declared their allegiance to him after his resurrection. We walk in the footsteps of pioneers in this new way of living with a Jesus who is always near but just beyond sight. The aim of this book is to plunder the fruits of New Testament scholarship, especially the tools of rhetorical and narrative criticism, to highlight what an incredible adventure came with the call to follow me.      **The**

**Teachings of Modern Protestantism on Law, Politics, and Human Nature** John Witte (Jr.), John Witte, Frank S. Alexander, 2007 The Teachings of Modern Protestantism on Law, Politics, and Human Nature examines how modern Protestant thinkers have answered the most pressing political, legal, and ethical questions of our time. It discusses the enduring teachings of important Protestant intellectuals of the late nineteenth and twentieth centuries. Leading contemporary scholars analyze these thinkers' views on the nature and purpose of law and authority, the limits of rule and obedience, the care of the needy and innocent, the ethics of war and violence, and the separation of church and state among other themes. A diverse and powerful portrait of Protestant legal and political thought, this volume underscores the various ways Protestant intellectuals have shaped modern debates over the family, the state, religion, and society. The book focuses on the work of Abraham Kuyper (1827-1920), Susan B. Anthony (1820-1906), Karl Barth (1886-1968), Dietrich Bonhoeffer (1906-1945), Reinhold Niebuhr (1892-1971), Martin Luther King Jr. (1929-1968), William Stringfellow (1928-1985), and John Howard Yoder (1927-1997).      **Guide for Covenant Discipleship Groups** Gayle Turner Watson, 2011-07-11 Covenant Discipleship Groups have a long history of helping Christians grow as disciples. Based on the early Methodist class meetings, Covenant Discipleship Groups provide a way for Christians today to be accountable disciples of Jesus Christ. Q & A's Q WHAT IS A COVENANT DISCIPLESHIP GROUP? A Covenant Discipleship Group consists of up to seven persons who meet together for one hour each week to hold themselves mutually accountable for their discipleship. They do this by means of a covenant that they have written. Q WHAT IS THE PURPOSE OF A COVENANT DISCIPLESHIP GROUP? A Covenant Discipleship Groups are intended solely for mutual accountability and prayerful support for living as disciples in the world. They are not where our discipleship happens but where we make sure that it happens. Q WHY DOES THE GROUP NEED A COVENANT? A The covenants we make with one another help us keep our covenant with God. We make covenants with one another because we live in a world that has yet to accept God's salvation. We constantly face temptations to turn away from God, and we need some means of mutual

support John Wesley and the early Methodists understood this need and saw that nothing short of binding themselves to mutual accountability would suffice By the grace of God they agreed to watch over each other in love Q WHY JOIN A COVENANT DISCIPLESHIP GROUP A By joining with other Christians in a weekly meeting members of Covenant Discipleship Groups learn to center their lives on Jesus Christ by following his teachings and supporting one another in living out the basics of Christian discipleship Q WHAT WILL HAPPEN TO ME IN A COVENANT DISCIPLESHIP GROUP A You will become more aware of God s grace in your life You will find new ways of serving God and your neighbor You will find your understanding of God s will greatly enhanced Q How WILL THIS BOOK HELP ME A This handbook is primarily a practical reference manual for starting developing sustaining and incorporating Covenant Discipleship Groups into the mission and ministry of the church

*Dietrich Bonhoeffer's Christian Humanism* Jens Zimmermann, 2019-06-13 Jens Zimmermann locates Bonhoeffer within the Christian humanist tradition extending back to patristic theology He begins by explaining Bonhoeffer s own use of the term humanism and Christian humanism and considering how his criticism of liberal Protestant theology prevents him from articulating his own theology rhetorically as a Christian humanism He then provides an in depth portrayal of Bonhoeffer s theological anthropology and establishes that Bonhoeffer s Christology and attendant anthropology closely resemble patristic teaching The volume also considers Bonhoeffer s mature anthropology focusing in particular on the Christian self It introduces the hermeneutic quality of Bonhoeffer s theology as a further important feature of his Christian humanism In contrast to secular and religious fundamentalisms Bonhoeffer offers a hermeneutic understanding of truth as participation in the Christ event that makes interpretation central to human knowing Having established the hermeneutical structure of his theology and his personalist configuration of reality Zimmermann outlines Bonhoeffer s ethics as Christformation Building on the hermeneutic theology and participatory ethics of the previous chapters he then shows how a major part of Bonhoeffer s life and theology namely his dedication to the Bible as God s word is also consistent with his Christian humanism

*Seeds of the Kingdom* Anna L. Peterson, 2005-11-17 In these skeptical and disillusioned times there are still groups of people scattered throughout the world who are trying to live out utopian dreams These communities challenge the inevitability and morality of dominant political and economic models By putting utopian religious ethics into practice they attest to the real possibility of social alternatives In *Seeds of the Kingdom* Anna L Peterson reflects on the experiences of two very different communities one inhabited by impoverished former refugees in the mountains of El Salvador and the other by Amish farmers in the Midwestern U S What makes these groups stand out among advocates of environmental protection political justice and sustainable development is their religious orientation They aim without apology to embody the reign of God on earth The Salvadoran community is grounded in Roman Catholic social thought while the Amish adhere to Anabaptist tradition Peterson offers a detailed portrait of these communities history social organization religious life environmental values and agricultural practices She discovers both practical and ideological commonalities in

these two comparatively successful and sustainable communities including a strong collective identity deep attachment to local landscapes a desire to preserve non human as well as human lives and perhaps unexpectedly a utopian horizon that provides both goals and the hope of reaching them By examining the process by which people struggle to live according to a transcendent value system she sheds light on both the actual and the potential place of religion in public life Peterson argues that the Amish and Salvadoran communities geographically and culturally removed from the industrialized West have relevance for the political and environmental problems of the developed world These communities have succeeded in the face of significant internal and external challenges offering important practical and theoretical lessons on how to achieve ecological sustainability and social justice in the wider world     [The Reflective Disciple](#) Roger Walton,2014-07-24 Helps readers to explore the concept of discipleship beginning with the New Testament and through examining snapshots of various patterns of discipleship as well as reflecting on discipleship in our contemporary context and setting
