Following Christ:

Following Christ Joseph M. Stowell, 1998-02 Stowell shows you what happens when an ordinary man or woman pursues not the trappings of Christianity by Christ himself *Following Christ* Robert Beaken, 2020-04-01 Inspiring sermons in the Anglo Catholic tradition offering food for thought for preachers and congregation alike *Following Christ* Robert B. Callahan Sr., 2012-06-11 The latter half of Chapter 4 of Paul's letter to the Ephesians is the watershed of this magnificent document that is often referred to as the holy of holies Paul was never hesitant to declare God's truth as he proclaimed it to those professing faith in the Lord Jesus Christ Therefore after praising The Triune God for the love wisdom and blessings bestowed upon us during the first three and one half chapters Paul does an about face and enjoins the believers with these strong words saying This I testify in the Lord that ye henceforth walk not as other Gentiles walk in the vanity futility of their mind He is telling the hearers that once they are Christ's they are to walk to a different drummer the Master Himself Paul completes the watershed transition by reminding professing Christians But ye have not so learned Christ It is with these simple single syllable words that he opens new horizons for the members of Christ's body and paves the way for enunciating the duties and responsibilities they are to learn and to do when Following Christ This learning and practicing is not easy but it is joyful rewarding and worthwhile That is why Paul before embarking on Christ's learning pathway tells the followers in the way to put off the old man be renewed in the spirit of your mind And put on the new man which after God is created in righteousness and true holiness May we heed God's truth as revealed to Paul by the Holy Spirit These blessings are comforting strengthening and manifold when committing ourselves to Walking With Jesus **Following Christ** R. C. Sproul, 1991 A combination of four power packed books by noted theologian R C Sproul this book offers theologically sound advice It challenges readers to a deeper understanding of what it means to be mature followers of Jesus *Following Christ* Andrew Ryder, 1999 Following Christ looks at the different ways in which the New Testament deals with discipleship from the earliest writings of St Paul through the Gospels and up to the Book of Revelation The book is ideal for vocation directors New Testament scholars pastors spiritual directors study groups and anyone who wants to see how people in the New Testament responded to Jesus call *Following Christ* Carmen Acevedo Butcher, 2009-11-01 Take this season to listen and look for Christ's presence in your life Lent is a time of new life and fresh beginnings In this unique daily email subscription for the season of Lent short readings from extraordinary Christians will open windows on your spiritual life allowing fresh air to burst in You'll find the life changing wisdom of Francis of Assisi Hildegard of Bingen Thomas a Kempis Richard Rolle Benedict of Nursia Julian of Norwich Catherine of Siena Teresa of Avila the Desert Fathers and Mothers and others Because each was a person of fervent life and passionate prayer their words reveal how our waiting on God and seeking God's will lead to a life of meaning and joy *Following Christ Through Being a Discipled* Casey Smith, 2021-11-18 This is his follow up book to *Following Christ Through Being Discipled* Following Christ through being a discipler is the next step for those who

have discipleship Being an effective discipler comes with understanding how Jesus disciplined the original twelve I believe as my original home church did that one on one discipleship is personal accountable and the most effective way to make disciples Yes Jesus taught in groups but as you will see each of the disciples were different They were all individuals with different backgrounds personalities needs strengths and impacts on the church Jesus interacted differently with Peter than he did with John or James He did not treat them all the same he interacted based on who they were and their individual needs We are also all different with different backgrounds and needs as will our disciples This book also walks through how we as followers of Christ can make an impact on the church today The future of the church depends on us carrying on what Jesus started

Joyful Journeying with God/joy in Following Christ's Life 6 Teacher's Manual 1st Ed 2005 , Joyful Journeying with God/joy in Following Christ's Life 6' 2005 Ed. , Follow Christ Dave Nodar, Father Erik Arnold, Ally Ascosi, 2016-07-04 it is so beautiful to follow Jesus to walk in the footsteps of Jesus that you then find balance and move forward Pope Francis Walking in the footsteps of Jesus is a nice image one which we aspire to as Christians We go to mass we pray but we feel like there is more we could be doing and aren't sure what next steps to take In Following Christ Developing the Practices of an Intentional Disciple authors Dave Nodar Fr Erik Arnold and Ally Ascosi lead us through the important basic disciplines that characterize intentional disciples Daily deliberate personal prayer time Taking the Bible down from the shelf and really using it in your life The gift of the sacraments Christ gave us to give us the strength to follow him Forgiveness as a key element of discipleship What it means to live a life empowered by the Holy Spirit Finally you'll learn to recognize and defend against the struggles that often accompany a new or renewed relationship with Christ Pope Francis said Let us ask ourselves How do I follow Jesus Follow Christ begins to show us the way **Following Christ through Being Disciplined** Casey Smith, 2021-09-09 Following Christ though being disciplined is a simple tool to help anyone with questions about what it means to have a personal relationship with Jesus Christ They will be able to understand more about the Bible God the church and other important aspects about the Christian walk There are three very important verses concerning discipleship The Apostle Paul in 1 Corinthians 11:1 tells us to follow him as he follows Christ This is where I got my inspiration for my ministry Following Christ Ministry Paul also tells Timothy in 2 Timothy 2:2 that everything he has learned he is to teach faithful men to teach others also This is where discipleship starts Training leaders in the church to take their lives and invest it into the life of a new believer or someone searching for truth The most important verse is the command given by Jesus himself to the disciples in Matthew 28:19-20 We are all commanded to go throughout the world and make disciples Now more than ever we need faithful men and women to stand up share the gospel and make disciples for our Lord and savior Jesus Christ

Why I left Christianity to Follow Christ Michael Lindstrom, Why I Left Christianity to Follow Christ A spiritual awakening beyond religion What if the path to Christ wasn't through the walls of religion but through the awakening of your soul In this groundbreaking book Michael takes you on a deeply personal and profoundly esoteric journey beyond the confines of modern Christianity into the living presence of Christ within Rooted in scripture yet unbound by tradition this powerful message is for the seekers the misfits and the chosen ones who feel the call of something more a truth that religion has buried but the Spirit is now resurrecting This is not an attack on faith it's a revelation of it Not a rejection of Jesus but an invitation to truly know Him deeper Discover The difference between following Christ and following Christianity The esoteric truths hidden in plain sight within the Bible Why the Kingdom of God is within you not outside you Luke 17:21 The spiritual meaning of Revelation as your inner transformation How to break free from religious programming and step into divine union This book is a clarion call to awaken To remember who you are To meet Christ not in a building but in the temple of your heart Whether you've outgrown religion are deconstructing your beliefs or are searching for a deeper walk with God this book will guide you to the truth Christ is not confined to Christianity He is the Light in you waiting to be revealed Following God with All Your Heart Elizabeth George, 2008-08-01 Brand new from bestselling author Elizabeth George In her upbeat practical style Elizabeth encourages women to embrace radical faith as they serve God by helping people and accomplishing His projects Readers will discover key biblical truths to grow in courage knowing God is with them and will give them the courage to do what He asks grow in devotion taking risks to follow God's plan and purpose grow in contentment grasping five provisions from God that produce contentment grow in humility remaining steadfast no matter what knowing God blesses those who serve Him grow in confidence facing enduring and overcoming everything through Christ grow in obedience realizing God wants them to succeed Elizabeth encourages readers to leave fear behind as they dedicate their lives to following the God who loves them He will direct them and provide what they need to do His will if they'll turn to Him and trust Him

Following God Susie Shellenberger, 2007-05-15 Susie Shellenberger has a pretty good idea about what's up with kids these days The former full-time youth pastor and high teacher now fields more than 1,000 emails a month from teenage girls when she's not talking with them on her radio show or speaking to them from the stage at the Girls of Grace conferences After penning more than 30 books including Dear Diary Girls Want to Know and Girl Talk with God she's turned her sights on the Bible Her study guide series written especially for girls debuted with 1 and 2 Thessalonians and now continues to 1 and 2 Timothy Highlighting the loving relationship between Paul as mentor and Timothy as loyal disciple she shows that Christianity is not just an emotional experience but a conscious decision to engage in a trusting relationship with God Using

her own mentoring skills she gently steers teenage girls towards a better understanding of their lives in Christ *Following God One Yes at a Time* Connie Cavanaugh, 2011-02-01 Everyone experiences dry times in their spiritual lives Noted speaker Connie Cavanaugh offers a wealth of insights to help believers find Jesus living water during desert times Connie shares five obstacles that hinder faith and then provides action steps readers can take to reestablish a vibrant relationship with God so that when doubt strikes they can use biblical truths to keep their faith strong when they feel out of touch they ll know how to say yes to God and persevere when they feel inadequate they can be sure God believes in them when they believe they ve failed they can be confident God will redeem their efforts when they slip from fearing God to being afraid they will know God loves them and will help them Offering strong encouragement *Following God One Yes at a Time* gives readers what they need to triumph through Jesus Christ **Life Principles for Following Christ** Rick Shepherd, 2004 *Life Principles for Following Christ* looks at Christ in both the Old and New Testaments and shows how Scripture unveils a portrait of rare value a picture of God Himself revealing His holiness His love His power and His awesome plans and purposes for man Each of the twelve lessons shows how God reveals His glory His perfections His beauty and strength **Following Christ** Floyd Williams Tomkins, 1901 Following the Lamb Keith T. Marriner II, 2016-01-11 Jesus parting words to his followers were for them to Go therefore and make disciples of all nations Matt 28 19 This being the case shouldn t we be concerned with gaining a full understanding of discipleship from the entire New Testament corpus Many scholars recognize that the theme of discipleship is found throughout the New Testament even in Revelation with all of its symbolism and bizarre imagery But how does it do this The focus of this study through the use of content analysis methodology is to demonstrate that the theme of discipleship is not only found in the Apocalypse but is also exceedingly relevant for Christians today In many parts of the world Jesus disciples are facing opposition and persecution for their testimony to Jesus Christ It would do Christians well to read the book of Revelation once again As they read it this time through the eyes of the oppressed the content of the book will prove extremely valuable to aid disciples of Jesus in their efforts to follow the Lamb wherever he goes Rev 14 4 no matter what the cost Following Christ Charles Lewis Slattery, 1929
