Food People:

Food, People and Society Lynn J. Frewer, Einar Risvik, Hendrik Schifferstein, 2013-03-09 Food consumption is vital to human survival Nevertheless the exact determinants of food perception liking and food choice are still not fully understood Food People and Society tries to fill some of the gaps in our knowledge by studying these processes from multiple perspectives each with their own emphasis Some approaches focus mainly on the characteristics of food products eaten some focus on the person who eats a particular food whereas other approaches emphasize the psychological economic or social context in which food consumption takes place By bringing together these different approaches in one book we open the opportunity to integrate different perspectives and to facilitate comprehension of the complex processes that drive food choice behaviour Food People and Society is written for a wide audience including students and academics interested in food perception and consumption policy makers health educators and nutritionists food manufacturers and food marketers

And. Ramachandra Mohare,2024-06-01 We feel blessed to have got divine grace to compile the major events of the divine personality of Shri Lord Chidambara Swami of Murgod Karnataka It was the fervent desire of Late shrimant Shankara Dixit the Poojya Peethadipati to bring English version of biography of Chidambara Swami His desire was explicit in his Aashirvachana given

to us during his visit to Vijayapur years ago It was Swami Diwakara Dixit the present pontiff of Muragod Math who encouraged us to undertake writing English summary of the available Kannada and Marathi source material more so of being indebted to prof Dr Balaji Kulkarni whose Kannada book gave us a logical coherence in compiling the source material for the present book We remain indebted to all of them Their brilliant expressions in their writings are inimitable more so in English language We have honestly tried to summarise the salient events in English language Since the present writing is not a translation or transliteration exactly it is simply an attempt to summarise the source material in English We do not claim any source material to be our primary source or as of our research work It is an attempt to put the matter straight and easy to understand for common readers Since English is not our mother tongue we admit that many errors must have surely remained unaddressed we beg the indulgence of the readers to concede our shortcomings and forgive us in lapses if any remained in the book It was our devotional exercise to make a humble attempt to introduce the divine glory of lord Chidambara Swami to English readers within the narrow range of our understanding and the skill of the language What is good in the book is not ours but whatever is not appreciable in this writing surely it is due to our own inability We pray indulgence of the readers to be sympathetic and guide us further to be more correct and useful for readers We offer this small attempt at the Lotus feet of Lord Chidambara Maha Swami
