Nature and Other Short Stories David Vahlberg, 2018-02-26 A Call of Nature and Other Short Stories By David Vahlberg A Call of Nature and Other Short Stories is a trip into the unknown Stories of love fear death and the supernatural come together to express a deeper part of the human condition Fall into the deep dark worlds venturing over a multitude of landscapes and time periods Experience love and loss and be willing to endure many hardships with each troubled character A collection not to be missed these stories will stay with you from the first page to the last **The Postmodern Short Story** Farhat Iftekharrudin, Joseph Boyden, Mary Rohrberger, Jaie Claudet, 2003-12-30 Short stories are usually defined in terms of characteristics of modernism in which the story begins in the middle develops according to a truncated plot and ends with an epiphany This approach tends to ignore postmodernism a movement often characterized by a negation of objective reality where plots are seemingly abandoned surfaces are extraordinary and symbols turn inward on themselves This book examines postmodern forms and characteristic themes by analyzing a group of short stories that make use of postmodern narrative strategies including nonfictional fiction gender profiling and death as an image The volume begins with a discussion of the blurred lines between fiction and nonfiction in the short story and imaginative personal essay It then looks at the role of women in works by such authors as Sandra Cisneros Leslie Marmon Silko Joyce Carol Oates and Lorrie Moore This is followed by a section of chapters on postmodern masculinity and short fiction The next section focuses on death as an image and theme in works by Richard Ford Richard Brautigan and James Joyce The final set of chapters considers postmodern short fiction from South Africa and Canada *Jemma Short Stories* Stefan Nicholson, 2017-07-06 Jemma is the youngest daughter in The Palette Family She leads the family through some comedic experiences where each story deals with developing the characters within successive plots in line with audience expectations based on previous episodes All the family members are introduced in the first story with Jemma being the central character Each story has a lesson in life which is in the background and each story has a colour in its title hence the Palette Family Dad is a writer Mum suffers his delusions whilst Jemma's sister Deidre puts up with Jemma's enthusiasm for life **Mr. Rodney Paul Williams' A Short Story Series 1** Mr. Rodney Paul Williams, 2023-08-23 Rodney Paul Williams has left his niche as he had Even Shorter Stories 1 5 In his A Short Story Series he has chosen a triumvirate of stories In hopes of writing a one story novel shortly The Stories of Similes in Greek and Roman Epic Deborah Beck, 2023-07-20 Just as the story of an epic poem is woven from characters and plot so too the individual similes within an epic create a unique simile world Like any other story it is peopled by individual characters happenings and experiences such as the shepherd and his flocks a storm at sea or predators hunting prey The simile world that complements the epic mythological story is re imagined afresh in relation to the themes of each epic poem As Deborah Beck argues in this stimulating book over time a simile world takes shape across many poems composed over many centuries This evolving landscape resembles the epic story world of battles voyages and heroes that comes into being through relationships among different epic poems Epic narrative is woven from a warp of the mythological

story world and a weft of the simile world They are partners in creating the fabric of epic poetry **KUL Short stories with an intriguing question?** Laurens van Lieshout,2023-12-13 Questions that we do not yet know the answer to An example of such a story is The last baby What could happen if the quality of our seeds continues to deteriorate The story The first pharaoh on the other hand deals with the question of the origin of diversity Another example is Armpit sweat In this story it has been emphasized that the smell of the partner could be essential for a lasting relationship Also some stories such as space sex give you the opportunity to come up with your own plot They provide inspiration to let the imagination run wild Similar to a joke these short stories are intended to make the audience think and possibly to make you laugh The stories should be read with a wink because life is serious enough That s why the short story collection is called KUL The stories give food for thought and are worth telling Each story is unique and grabs you from the start Sometimes they seem more like a consideration a philosophical train of thought or a statement But they are all narrative Some stories are humorous some start with a statement and develop it further into the future **From Donkey'S Mouth and Other Short Stories** Subba Rao,2013-05-22 In the collection of short stories entitled From Donkeys Mouth the author assumes the name of Juggernaut to share his travel experiences on the Big Island Hawaii and living in India Caribbean and the United States In some stories as a bystander looking at the events Juggernaut discusses issues with a view that world is what it is with changes hard to come
