## **Fool For Christ The Intellectual Politics Of Js Woodsworth:**

**Fool for Christ** Allen George Mills,1991-01-01 In a crucial period between the World Wars Woodsworth helped define the character of the modern Canadian non Marxist Left and of many of Canada s important economic and social institutions

**Fool For Christ** Allen Mills,1991-12-15 James Shaver Woodsworth 1874 1942 stands as one of the half dozen most important national political figures in twentieth century Canadian history Allen Mills acknowledges his outstanding achievements while providing a critical account of the Woodsworth legacy and revising the received opinion of him as a man of unbending conviction and ever coherent principle A product of western Canada s pioneer society and a stern Methodist household Woodsworth grew up to make his way into social service and political action A member of parliament for over twenty years he rejected the traditional forms of political activity seeking a new politics and a new political party The latter turned out to be the Co operative Commonwealth Federation founded in 1932 Its first leader was Woodsworth himself In a crucial period between the World Wars Woodsworth helped define the character of the modern Canadian non Marxist Left and of many of Canada s important economic and social institutions Among them are the welfare state the Bank of Canada and Canada s internationalist role in the contemporary world Electronic Format Disclaimer Quotes by T S Eliot F R Scott and Louis MacNeice removed at the request of the rights holder **Fool for Christ** Allen George Mills,1991 **Party of**

**Conscience** Roberta Lexier,Stephanie Bangarth,Jonathan Weier,2018-09-24 Surveying the field of political history in Canada one might assume that the politics of the nation have been shaped solely by the Liberal and Conservative parties Relatively little attention has been paid to the contributions of the CCF and NDP in Canadian politics This collection remedies this imbalance with a critical examination of the place of social democracy in Canadian history and politics Bringing together the work of politicians think tank members party activists union members scholars students and social movement actors in important discussions about social democracy delving into an array of topics including municipal provincial and national issues labour relations feminism contemporary social movements war and society security issues and the media Party of Conscience reminds Canadians of the important contributions the CCF and NDP have made to a progressive compassionate idea of Canada **The Vimy Trap** Ian McKay,Jamie Swift,2017-03-16 The story of the bloody 1917 Battle of Vimy Ridge is

according to many of today s tellings a heroic founding moment for Canada This noble birth of a nation narrative is regularly applied to the Great War in general Yet this mythical tale is rather new Vimyism today s official story of glorious martial patriotism contrasts sharply with the complex ways in which veterans artists clerics and even politicians who had supported the war interpreted its meaning over the decades Was the Great War a futile imperial debacle A proud nation building milestone Contending Great War memories have helped to shape how later wars were imagined The Vimy Trap provides a powerful probe of commemoration cultures This subtle fast paced work of public history combining scholarly insight with sharp eyed journalism and based on primary sources and school textbooks battlefield visits and war art explains both how

and why peace and war remain contested terrain in ever changing landscapes of Canadian memory **Human Welfare, Rights, and Social Activism** Jane Pulkingham, 2010-01-01 J S Woodsworth a founding member and leader of the Cooperative Commonwealth Federation forerunner of the New Democratic Party and member of Parliament was a social policy pioneer who promoted human welfare and rights over interests of property and finance Human Welfare Rights and Social Activism explores the significance of Woodsworth's thoughts and achievements in the area of human rights in the light of current social welfare objectives and practices Canadians continue to grapple with the question of how to accommodate and reconcile social diversity and difference while articulating a common interest and advancing human rights both domestically and internationally The essays in this volume by an interdisciplinary group of scholars address such issues as globalization labour rights and law the gendered and racialized dimensions of transnational labour the relationship between human rights social programs and social rights and the emergent cultural politics of difference Through engagement with longstanding debates on the ideals and provisions for social justice we have come to associate with Woodsworth the essays consider the present significance of a human rights frame and examine the historical and contemporary exclusions to polity that occur around gender ethnicity class and race *From Left to Right* Brian T. Thorn, 2016-07-22 In *From Left to Right* Brian Thorn explores what motivated Canadian women to become politically engaged in the 1940s and 50s Although women in these decades are often depicted as being trapped in the suburbs caring for children baking pies and leaving politics to men they joined diverse political parties including the Social Credit Party the Co-operative Commonwealth Federation and the Communist Party of Canada Thorn argues controversially that while women on the left and right had different goals their activism continued to be informed by maternalism They used their roles as wives and mothers to influence their parties positions on war and unions to break down barriers between the private and public spheres and to push for a new world order Along the way they laid the foundations for the 1960s feminist movement *A Prophet in Politics* Kenneth McNaught, 2017-06-22 In this elegant and rigorously researched work Kenneth McNaught details the life work and principles of J S Woodsworth and shows the powerful moral and political force that the pacifist Methodist thinker exerted on Canadian politics Woodsworth first went to the House of Commons in 1922 and became leader of the Cooperative Commonwealth Federation at its formation in 1933 A socialist to the end he exhibited his anti war convictions to Parliament when in 1939 he alone spoke out against joining the war in Europe Woodsworth's ideas and strong social conscience helped to shape the development of the welfare state in Canada and have left an intellectual legacy in both socialist and liberal circles *A Prophet in Politics* marks the progress of socialism in Canada as well as the economic and political conditions in the first half of the twentieth century McNaught who died in 1997 is himself an important figure in Canadian history having fought as a professor of history for academic freedom and having brought the scholarly discussion of national politics into the public sphere At the time of its original publication *Globe and Mail* reviewers called it a definitive biography that in drama and

organization ranks with the best books about the makers of Canada This edition presented in the Reprints in Canadian History series includes a new introduction by Allen Mills **Visionaries, Crusaders, and Firebrands** Lynn

Gidluck,2012-03-27 It s visionary principled leaders not just policies and programs that are key to the NDP s importance in Canadian public life *Canadian History: Confederation to the present* Martin Brook Taylor,Doug Owsram,1994-01-01 In these two volumes which replace the Reader s Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover

Capitalism and Colonialism: The Making of Modern Canada 1890-1960 Bryan D. Palmer,2025-09-02 This second volume of Bryan Palmer s history of Canada covers 1890 to 1960 Weaving together themes that include business labour politics and social history this account brings the experiences of Indigenous peoples into the centre of the narrative Canada experienced extraordinary growth during these decades notably after the Second World War when many Canadians quickly became far better off Yet vast inequalities persisted Indigenous peoples experienced ongoing and often worsening deprivation and ordinary people saw little or no real improvement in their lives These realities set the stage for the interplay of reform resistance and reaction that followed after 1960 Palmer examines the continuing role of capitalism and colonialism in structuring Canada in the period between 1890 and 1960 from capital s conflicts and fragile ententes with labour to the struggles of Indigenous Peoples and francophone Canada and the changing role of Canadian capital internationally Relying on the work of scholars who have produced a vast academic literature on a wide range of topics in Canadian history Bryan Palmer offers a new history of Canada which reflects the knowledge and values of 21st century Canadians **J.W.**

**McConnell** William Fong,2008-10-24 J W McConnell 1877 1963 born to a poor farming family in Ontario became one of the wealthiest and most powerful businessmen of his generation in Canada and internationally Early in his career McConnell established the Montreal office of the Standard Chemical Company and began selling bonds and shares in both North America and Europe establishing relationships that would lead to his enormous financial success He was involved in numerous businesses from tramways to ladies fashion to mining and served on the boards of several corporations For nearly fifty years he was president of St Laurence Sugar and late in life he became the owner and publisher of the Montreal Star McConnell was an indefatigable and formidable fundraiser for the YMCA the war effort of 1914 18 hospitals and McGill University where he served as governor for almost three decades In 1937 he established what would become The J W McConnell Family Foundation the first major foundation in Canada and still one of the best endowed J W McConnell was a principled and brilliant visionary with a strong work ethic and a deep commitment to the public good a Rockefellerian figure in both big business and high society who quietly became one of the greatest philanthropists of his time His life story told in uncompromising detail by William Fong is a study of raising spending and giving away money on the grandest scale The Making of the Mosaic Ninette Kelley,Michael J. Trebilcock,2010-01-01 A coherent and lively tale that traces in considerable

detail the evolution of Canadian immigration policy Christopher G Anderson Journal of Canadian Studies A thorough account of Canada's immigration policies Any reader interested in immigration to Canada now has a one stop source for its history Douglas Fisher Ottawa Sun A closely textured well conceived narrative an ambitious work that is tremendously reader friendly Barbara Lorenzkowski Social History Masterful and meticulously documented J D Blackwell Choice A rich resource for scholars of Canadian immigration John Harles Canadian Journal of Political Science Beyond the Noise of Solemn Assemblies Richard Allen,2019-01-15 Since the 1970s Richard Allen's scholarship on the social gospel has broken new ground in the field of Canadian social and religious history by recovering key aspects of the tradition and its contribution to reform movements and politics Beyond the Noise of Solemn Assemblies collects and extends many of his classic works to present a comprehensive overview of a major thread in the fabric of the country Observing the mutual foundations of political and religious traditions in myth and arguing that the sacred and the secular belong together in discussions of public affairs Allen contests the view that religion is personal and isolated from the public square He discusses a range of topics the transition from providential to progressive thought in nineteenth century Canada the new spirituality of social solidarity articulated by Winnipeg college students in the 1890s the role of the social gospel in pioneering urban reform farmers and workers finding in radical Christianity legitimation for political revolt Christian intellectuals in the 1930s framing a revolutionary prospectus for Depression era Canada the significance of Norman Bethune's religious upbringing for his life and work strategically focused post war ecumenical coalitions like Project North and the Latin American Working Group and the prospects for democratic socialism at the end of the Cold War Opening with a chapter relating the author's upbringing in a ministerial household dedicated to the Protestant ethic as the spirit of socialism Beyond the Noise of Solemn Assemblies represents a significant contribution to understanding the social Christian movement in Canada **Introducing Canada** Brian Gobbett,Robert Irwin,1998-04-30 In addition to presenting brief descriptions of more than 1 000 historical monographs dealing with Canada the bibliography introduces the reader to several historiographic debates and places key works within that context The Fate of Labour Socialism James Naylor,2016-01-01 Almost a century before the New Democratic Party rode the first orange wave their predecessors imagined a movement that could rally Canadians against economic insecurity win access to necessary services such as health care and confront the threat of war The party they built during the Great Depression the Co operative Commonwealth Federation CCF permanently transformed the country's politics Past histories have described the CCF as social democrats guided by middle class intellectuals a party which shied away from labour radicalism and communist agitation James Naylor's assiduous research tells a very different story a CCF created by working class activists steeped in Marxist ideology who sought to create a movement that would be both loyal to its socialist principles and appealing to the wider electorate The Fate of Labour Socialism is a fundamental reexamination of the CCF and Canadian working class politics in the 1930s one that will help historians better understand Canada's political intellectual

and labour history      **A Time Such as There Never Was Before** Alan Bowker, 2014-08-19 Ottawa Book Award 2015  
Shortlisted Between 1918 and 1921 a great storm blew through Canada and raised the expectations of a new world in which all things would be possible The years after World War I were among the most tumultuous in Canadian history a period of unrelenting change drama and conflict They were in the words of Stephen Leacock a time such as there never was before The war had been a great crusade promising a world made new But it had cost Canada sixty thousand dead and many more wounded and it had widened the many fault lines in a young diverse country In a nation struggling to define itself and its place in the world labour farmers businessmen churches social reformers and minorities had extravagant hopes irrational fears and contradictory demands What had this sacrifice achieved Whose hopes would be realized and whose dreams would end in disillusionment Which changes would prove permanent and which would be transitory A Time Such As There Never Was Before describes how this exciting period laid the foundation of the Canada we know today      **Le nationalisme constitutionnel au Canada** David Sanschagrin, 2024-08-07T00:00:00-04:00 Cet ouvrage fait la genèse du projet nationaliste constitutionnel pour mieux comprendre l'évolution du régime politique canadien de 1982 et les nouveaux rapports de domination subtils qu'il a instaurés tout en examinant le rôle joué par P      **Reasoning Otherwise** Ian McKay, 2008-11-15 In Reasoning Otherwise author Ian McKay returns to the concepts and methods of reconnaissance first outlined in Rebels Reds Radicals to examine the people and events that led to the rise of the left in Canada from 1890 to 1920 Reasoning Otherwise highlights how a new way of looking at the world based on theories of evolution transformed struggles around class religion gender and race and culminates in a new interpretation of the Winnipeg General Strike of 1919 As McKay demonstrated in Rebels Reds Radicals the Canadian left is alive and flourishing and has shaped the Canadian experience in subtle and powerful ways Reasoning Otherwise continues this tradition of offering important new insight into the deep roots of leftism in Canada      **Canadian Books in Print**, 2001
