*Renaissance* Richard Strier,2024-05-31 Who during the Renaissance could have dissented from the values of reason and restraint patience and humility rejection of the worldly and the physical These widely articulated values were part of the inherited Christian tradition and were reinforced by key elements in the Renaissance especially the revival of Stoicism and Platonism This book is devoted to those who did dissent from them Richard Strier reveals that many long recognized major texts did question the most traditional values and uncovers a Renaissance far more bumptious and affirmative than much recent scholarship has allowed The Unrepentant Renaissance counters the prevalent view of the period as dominated by the regulation of bodies and passions aiming to reclaim the Renaissance as an era happily churning with surprising worldly and self assertive energies Reviving the perspective of Jacob Burckhardt and Nietzsche Strier provides fresh and uninhibited readings of texts by Petrarch More Shakespeare Ignatius Loyola Montaigne Descartes and Milton Strier s lively argument will stir debate throughout the field of Renaissance studies      Synopsis of Vocal Musick by A.B. Philo-Mus. Rebecca

Herissone,2017-07-05 Synopsis of Vocal Musick by the unidentified A B was published in London in 1680 and appears to have only ever had one edition Its relatively short shelf life belies its importance to the history of early British music theory Unlike other English theoretical writings of the period the Synopsis derives many of its aspects from the continental theoretical tradition including the first references in English theory to the modern fractional time signatures that had been invented in Italy in the mid seventeenth century the first references in English to compound time and the first explanations of tempo terms such as Adagio and Presto In these respects the treatise forms an important link between English and continental theoretical traditions and may have encouraged the adoption of Italian principles which became a common feature of English writings by the early eighteenth century The treatise is essentially in two parts The first section of the book comprises rudimentary instruction on understanding notation and intervals descriptions of common vocal ornaments and instruction in the process of learning to sing The second part consists of a selection of psalms songs and catches which are provided as exercises for the singer though several of them require a reasonably advanced degree of skill These pieces provide valuable insight into the way both sacred and secular music might have been performed by amateur musicians in the Restoration period They include 14 rare English madrigal settings by the Italian composer Gastoldi further evidence of the Italian influence which pervades the text This is the first modern edition of the Synopsis and indeed the first edition to appear since its original publication      **Gospel-Centered Family Counseling** Robert W. PhD Kellemen,2020-09-15 Pastors and counselors regularly minister to people whose marriages or families are in crisis Tempers run high and feelings are brought low when a marriage is hurting or a family is in disarray Pastors and counselors need practical biblical help in order to connect their theological training to the reality of modern messy relationships These how to training manuals provide

relevant user friendly equipping for pastors counselors lay leaders educators and students enabling them to competently and compassionately relate God s Word to marriage and family life      **Music in American Life** Jacqueline

Edmondson,2013-10-03 A fascinating exploration of the relationship between American culture and music as defined by musicians scholars and critics from around the world Music has been the cornerstone of popular culture in the United States since the beginning of our nation s history From early immigrants sharing the sounds of their native lands to contemporary artists performing benefit concerts for social causes our country s musical expressions reflect where we as a people have been as well as our hope for the future This four volume encyclopedia examines music s influence on contemporary American life tracing historical connections over time Music in American Life An Encyclopedia of the Songs Styles Stars and Stories That Shaped Our Culture demonstrates the symbiotic relationship between this art form and our society Entries include singers composers lyricists songs musical genres places instruments technologies music in films music in political realms and music shows on television      Self, Logic, and Figurative Thinking Harwood Fisher,2008-12-31 Harwood Fisher argues

against neuroscientific and cognitive scientific explanations of mental states for they fail to account for the gaps between actions in the brain cognitive operations linguistic mapping and an individual s account of experience Fisher probes a rich array of thought from the primitive and the dream to the artistic figure of speech and extending to the scientific metaphor He draws on first person methodologies to restore the conscious self to a primary function in the generation of figurative thinking How does the individual originate and organize terms and ideas How can we differentiate between different types of thought and account for their origins Fisher depicts the self as mediator between trope and logical form Conversely he explicates the creation and articulation of the self through interplay between logic and icon Fisher explains how the I can step out of scripted roles The self is neither a discursive agent of postmodern linguistics nor a socially determined entity Rather it is a historically situated dynamically constituted place at the crossroads of conscious agency and unconscious actions and evolving contextual logics and figures      Reimagining Apologetics Justin Ariel Bailey,2020-10-13 How should

one proclaim of the gospel of Jesus Christ in a secular age Seeking to infuse apologetics with an appeal to the imagination the aesthetic and the affective Justin Bailey engages with two examples of those who have done apologetics through the imagination George MacDonald and Marilynne Robinson      **Catalog of Copyright Entries** ,1945      **All She Wrote:**

**Charmaine's Version** Charmaine Glass Davis,2022-03-08 All She Wrote Charmaine s Version instantly takes the reader on an emotive journey through life s countless spirit lifting triumphs and inevitable trials These snippets of self discovery in poetic form reveal a heartfelt narrative that jolts the depth of one s psyche wide awake Through Charmaine s eloquent use of alliterative lines striking stanzas and lulling metaphors this ultimate awakening of the senses gains momentum page by page Both insightful and equally as expressive poetess Charmaine Glass Davis invites you to lose the notion of all things superficial and trivial so you can discover what really matters in this life authenticity and true depth at a soul level By the book s end

you will hold in your hands not a typical collection of poems but a one of a kind transformational story that you won't soon forget

**Thirty Letters of Devotion** L. M. Lewis, 2021-11-02 *Thirty Letters of Devotion* is a book of letters to the body of Christ that is meant to encourage and admonish Christians in their faith walk. The readers of this book become writers as they use the scripture references and note pages to pen a letter to God telling him what they have learned from the letters and how they plan to incorporate the scriptures referenced into their daily lives

**The Shadow of Your Smile** Susan May Warren, 2012-01-05 A beautiful blanket of snow may cover the quaint town of Deep Haven each winter but it can't quite hide the wreckage of Noelle and Eli Hueston's marriage. After twenty-five years they're contemplating divorce just as soon as their youngest son graduates from high school. But then an accident erases part of Noelle's memory. Though her other injuries are minor, she doesn't remember Eli, their children, or the tragedy that has ripped their family apart. What's more, Noelle is shocked that her life has turned out nothing like she dreamed it would. As she tries to regain her memory and slowly steps into her role as a wife and mother, Eli helps her readjust to daily life with sometimes hilarious, sometimes heartwarming results. But can she fall in love again with a man she can't remember? Will their secrets destroy them or has erasing the past given them a chance for a future?

**The Bridge** Norbert Mercado, Norberto Mercado, Bert Mercado, 2015-01-04 The Saphan Mon wooden bridge spans the Song Kalia River which cuts through the town proper of Sangkhlaburi and the Burmese Mon Village called Ban Wangka. On one side of the bridge lies the village of Mon which has been the sanctuary of members of the Mon tribe who fled from war and persecution in Burma. In that village lives Thinzar Wint Kyaw, a twenty-one-year-old girl whose parents fled Burma when she was only nine years of age. On the other side of the bridge Chatchai Ratanapol, a young doctor, returns to his hometown in search of his place in this world. Their paths are about to meet.
